We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare No Premium Best (HMO), Wellcare No Premium (HMO), and Wellcare Plus (HMO) from January 1, 2022 to December 31, 2022.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare.com/medicare. Or, you may call us to ask for a copy at the phone number listed on the back cover.

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

Our plans and service areas:

H5087016000 Wellcare No Premium Best (HMO) includes these counties in California: Riverside and San Bernardino.

H5087026000 Wellcare No Premium (HMO) includes San Joaquin county in California.

H5087002000 Wellcare Plus (HMO) includes these counties in California: Los Angeles, Orange, Riverside, San Bernardino, San Joaquin, and Ventura.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Our plans give you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.wellcare.com/medicare. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor our plan will be responsible for the costs.)

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare No Premium Best (HMO), Wellcare No Premium (HMO) and Wellcare Plus (HMO) have a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the

plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/medicare.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (30-day supply) or long term (90-day supply).

Excluded Drugs:

This plan includes enhanced drug coverage of certain excluded drugs. Generic only Sildenafil and Vardenafil on Tier 1 have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-917-0175 (TTY: 711). Between October 1 and March 31, representatives are available Monday-Sunday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday-Friday, 8 a.m. to 8 p.m.

Understanding the Benefits

- Review the full list of benefits found in the *Evidence of Coverage* (EOC), especially for those services for which you routinely see a doctor. Visit www.wellcare.com/medicare or call 1-844-917-0175 (TTY: 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- For plans with a plan premium (Does not apply to plans with zero plan premium):** In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- For HMO plans only:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- For PPO and PFFS plans only:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- For C-SNP plans only:** This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
- For D-SNP plans only:** This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
