**We know how important it is to have a health plan you can count on.**

This is a summary of drug and health services covered by Wellcare Giveback Open (PPO) and Wellcare Assist Open (PPO) from January 1, 2022 to December 31, 2022.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at [www.wellcare.com/medicare](http://www.wellcare.com/medicare). Or, you may call us to ask for a copy at the phone number listed on the back cover.

**Who can join?**

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

**Our plans and service areas:**

**H9761002000 Wellcare Giveback Open (PPO)** includes these counties in Massachusetts: Berkshire, Bristol, Essex, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

**H9761003000 Wellcare Assist Open (PPO)** includes these counties in Massachusetts: Berkshire, Bristol, Essex, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**Preferred Provider Organizations (PPOs)** You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made.

Out-of-network/non-contracted providers are under no obligation to treat Wellcare Giveback Open (PPO), Wellcare Assist Open (PPO) plan members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Giveback Open (PPO) and Wellcare Assist Open (PPO) have a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

---

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website at [www.wellcare.com/medicare](http://www.wellcare.com/medicare).

#### Excluded Drugs:

This plan includes enhanced drug coverage of certain excluded drugs. Generic only Sildenafil and Vardenafil on Tier 1 have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

## Understanding Important Rules

- For plans with a plan premium (Does not apply to plans with zero plan premium):** In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- For HMO plans only:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- For PPO and PFFS plans only:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- For C-SNP plans only:** This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
- For D-SNP plans only:** This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
