PBP Number: H7028-002-000

Anderson, Greenville, Greenwood, Laurens, Pickens,
and Spartanburg Counties

Devoted CHOICE GIVEBACK Upstate (PPO)

Summary of Benefits

This Summary of Benefits tells you about our Devoted CHOICE GIVEBACK Upstate (PPO) plan. It includes information on plan costs and some of the common services we cover. It's valid for the 2023 plan year, which starts on January 1, 2023 and ends December 31, 2023.

Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's **Evidence of Coverage** at www.devoted.com. Or, call us at 1-800-385-0916 (TTY 711) and we can mail you one.

Can I join this plan?

Devoted CHOICE GIVEBACK Upstate (PPO) is a Preferred Provider Organization, or PPO plan. To join Devoted CHOICE GIVEBACK Upstate (PPO), you must be entitled to Medicare Part A and enrolled in Medicare Part B. You also have to live in this plan's service area, which includes these counties: Anderson, Greenville, Greenwood, Laurens, Pickens, and Spartanburg. We offer different plans for other counties.

Does this plan cover my prescription drugs?

Find out by searching our online drug list at www.devoted.com/search-drugs. Or, give us a call. We can look up your medications or mail you our list of covered drugs (formulary).

Does this plan cover my doctors and pharmacies?

Find out by searching our online directory at www.devoted.com/search-providers. Or, give us a call. We can look up your doctors and pharmacies or mail you a directory.

What's the difference between copays and coinsurance?

A copay is a flat fee. For example, a \$5 copay for a service means you pay \$5. Coinsurance is a percentage of the cost. For example, 10% coinsurance means you pay 10% of the cost of the service.

How can I learn about Original Medicare?

Check the latest *Medicare & You* handbook. If you don't have one, visit www.medicare.gov and enter "Medicare & You handbook" in the search tool. (Include the quotation marks for best results.) Or ask Medicare to send you one by calling 1-800-MEDICARE (1-800-633-4227) any day, any time. TTY users can dial 1-877-486-2048.

How can I get more help?

Call us at 1-800-385-0916 (TTY 711). We're here 8am to 8pm, Monday to Friday (from October 1 to March 31, 8am to 8pm, 7 days a week). You can also visit us online at www.devoted.com.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.devoted.com or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.
- As a member of this plan, you can see providers that are in Devoted Health's network, or you can choose to see doctors who are out of network. If you see an out of network doctor, you may pay a higher cost share. You can review the provider directory (or ask your doctor) to see if the doctors you see now are in the Devoted Health network.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- This plan offers a Part B buy-down. We will reduce your monthly Part B premium by \$115 per month. This reduction is set up by Medicare and administered through the Social Security Administration (SSA). Depending on how you pay your Medicare Part B premium, your reduction may be credited to your Social Security check or credited on your Medicare Part B premium statement. Sometimes reductions can take several months to be issued; however, you will receive a full credit.
- Benefits, premiums, and/or copayments/co-insurance may change on January 1, 2024.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

Prescription Drug Benefits

Medicare Part B Drugs

Part B drugs are usually not self-administered. These drugs can be given in a doctor's office as part of a medical service. In a hospital outpatient department, coverage generally is limited to drugs that are given by infusion or injection. You only pay the cost-share for the amount of the drug used. This means that if part of the drug is not used, you will not be charged for the unused portion.

Coverage Gap or "Donut Hole"

Most Medicare drug plans have a Coverage Gap or "donut hole." This means that there is a temporary change in what you will pay for your drugs. The Coverage Gap begins after the total yearly drug costs (including what Devoted Health has paid and what you have paid) reaches \$4,660. Please note that not everyone will enter the Coverage Gap.

This plan provides partial tier gap coverage for some tier 1 drugs. This means that for some of the drugs covered on tier 1, you will continue to pay a copay. **For the 2023 plan year, while in the coverage gap, you will pay \$0 per prescription for certain drugs on tier 1,** and 25% of the total cost for all other drugs until you reach \$7,400 total out-of-pocket. Drugs that have partial gap coverage are indicated in the Plan Formulary (Drug list).
