Things to know

- **What you pay depends on what level of MSP you have (Medicaid eligibility). Those with QMB or full Medicaid pay \$0.**
- Our D-SNP is for people on Medicare who are also eligible for Medicaid. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us, instead of the federal government. We cover everything Original Medicare does and offer other benefits and services too.
- Your plan doesn't require you to get a referral from your PCP to see a specialist. But the specialist may still ask you for one. Just work with your PCP, or other referring provider, to get it.

Summary of Medicaid Benefits

Here’s a quick look at what’s covered by Aetna Medicare Dual Complete Plan (HMO D-SNP) and your state Medicaid program.

Below is a summary of your Medicaid and Aetna Medicare Dual Complete Plan (HMO D-SNP) benefits. If you qualify for Medicare and Medicaid (or “Medical Assistance”), you’re “dual eligible.” This means you’re eligible for benefits under both the federal Medicare program **and** the Texas Medicaid program.

What you pay for covered services may depend on your level of Medicaid eligibility. If you meet the state’s requirements for **full** Medicaid coverage, you may also receive Medicaid services not covered by Medicare. If you have questions about your Medicaid eligibility and what benefits you’re entitled to, just call your Texas Medicaid agency.

The table below gives you a summary of the benefits Medicaid covers. Aetna Medicare Dual Complete Plan (HMO D-SNP) covers the benefits we described earlier in the Medical and Hospital Benefits section. For each benefit listed below, you can see what Medicaid covers and what our plan covers. **Keep in mind:** There may be limits for some services. If you need a service that is only covered by Medicaid, the provider you pick needs to be enrolled with Medicaid.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change. Out-of-network/non-contracted providers are under no obligation to treat Aetna Medicare members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- The Evidence of Coverage (EOC), provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
