This is a Dual Eligible Special Needs Plan (D-SNP)

Anthem MediBlue Dual Advantage (HMO D-SNP) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits in one plan. To join this plan, the following must apply to you¹:

- ☐ You're entitled to Medicare Part A.
- ☐ You're enrolled in Medicare Part B and Medi-Cal (the state's Medicaid program).
- ☐ You live in our service area.

Eligibility

To be enrolled in this plan, you must also receive some level of Medical Assistance from Medi-Cal (the state Medicaid program) as described below:

Anthem MediBlue Dual Advantage (HMO D-SNP)

- ☐ If you have **full Medicaid coverage (Full Benefit Dual Eligible [FBDE])** status, you are eligible for the Medi-Cal program. This may cover your share of Medicare costs.

¹ This plan is available to anyone who has both Medical Assistance from the State and Medicare.

- ☐ If you have **Qualified Disabled Working Individual (QDWI)** status, you are eligible for the Medi-Cal program, which pays your Medicare Part A premium.
- ☐ If you have **Qualified Medicare Beneficiary (QMB)** status, you are eligible for the Medi-Cal program, which pays your Medicare premiums, deductibles, and cost sharing. Some QMB members are also eligible to receive full Medicaid benefits (QMB+).
- ☐ If you have **Specified Low-Income Medicare Beneficiary (SLMB)** status, you are eligible for the Medi-Cal program. This pays your Medicare Part B premium. Some SLMB members are also eligible to receive full Medicaid benefits (SLMB+).
- ☐ If you have **Qualifying Individual (QI)** status, you are eligible for the Medi-Cal program. This pays your Medicare Part B premium.

Medicare coverage that goes beyond Original Medicare

- ☐ Our Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — and more. We'll review these extra benefits later in this booklet. Some of the extra benefits are covered in this Summary of Benefits.
- ☐ This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider). To see if your prescriptions are covered, follow the instructions in the “Know Your Drug Plan” section.
- ☐ If Medicaid eligibility changes, your cost may also change. You must recertify your Medicaid enrollment to keep receiving your Medicare cost-sharing coverage.

An overview of how Medicare works

If you're new to Medicare, this can help you decide what is right for you.

Original Medicare (Parts A and B) is a federal government program that helps cover:

- ☐ Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- ☐ Hospice and some home healthcare services.
- ☐ Doctor services, hospital outpatient care, lab tests, medical equipment, and supplies.
- ☐ Most preventive services, including a yearly wellness exam.

Original Medicare (Parts A and B) does not cover:

- ☐ Prescription drugs.
- ☐ Vision, dental, or hearing care.

Here are your options

Option 1: an all-in-one Medicare Advantage plan

Medicare Part C

C+D+Extras

- ☐ Includes all of Part A (hospital) and Part B (medical) coverage
- ☐ Usually includes Part D prescription drug coverage
- ☐ Often offers extra services and benefits
- ☐ Caps what you'll pay out-of-pocket for medical services

Option 2: One or both of the following

Medicare Supplement

- ☐ Medicare Part A or Part B deductibles, coinsurance, or copayments
- ☐ Medicare Part B excess charges
- ☐ Skilled nursing facility care coinsurance
- ☐ Foreign travel emergencies

Prescription drug coverage

Part D

- ☐ Helps pay for many of your prescribed drugs
- ☐ Gives you access to home delivery services and pharmacies across the country

When you can enroll

Initial Enrollment Period

You can sign up for a D-SNP plan when you are first eligible for Medicare. Your Initial Enrollment Period is a seven-month period that includes the three months before your 65th birthday month, the month you turn 65, and the three months after your 65th birthday month. You must be eligible for both Medicare and Medicaid to join a D-SNP.

Annual Enrollment Period - October 15 to December 7

This is the time each year to enroll in or change your Medicare Advantage or Part D plan. You may also switch to only Original Medicare (Parts A and B). New coverage begins January 1 of each year.

Special Enrollment Period - January 1 to September 30

As a D-SNP member, you can change plans one time per calendar quarter. This option is known as a Special Enrollment Period. For more help, call your agent or call us at the toll-free number on page 2.

Medicare ID cards

If you choose a Dual Eligible Special Needs plan (D-SNP):

You will not need your red, white, and blue Medicare ID card. Just present your DSNP member ID card for all your covered medical and drug benefits. We recommend you also carry your state Medicaid ID card in case your doctor needs it.

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

Medicare Part A: You may have to buy Part A if you don't qualify for premium-free Part A. If you do not buy it when you're first eligible for Medicare, your monthly premium may go up 10%. You will have to pay the higher premium for twice the number of years you didn't sign up.

For example, if you delayed enrollment for one year and your monthly Part A premium was \$100, then you would have to pay a \$110 (10% increase) premium for two years (two times the one year you didn't have Medicare Part A).

Medicare Part B: Your monthly premium may increase 10% for each 12-month period you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

Medicare Part D: If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. You may not have to pay it if you receive Extra Help or have proof of other creditable (as good as Medicare's) coverage.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross will pay for it.
