This is a Dual Eligible Special Needs Plan (D-SNP)

Anthem MediBlue Dual Advantage (HMO D-SNP) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits in one plan. To join this plan, the following must apply to you¹:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B and Kentucky Medicaid (the state's Medicaid program).
- You live in our service area.

¹ This plan is available to anyone who has both Medical Assistance from the State and Medicare.

Eligibility

To be enrolled in this plan, you must also receive some level of Medical Assistance from Kentucky Medicaid (the state Medicaid program) as described below:

Anthem MediBlue Dual Advantage (HMO D-SNP)

- If you have **Full Medicaid coverage (Full Benefit Dual Eligible [FBDE])** status, you are eligible for the Kentucky Medicaid program. This may cover your share of Medicare costs.
- If you have **Qualified Medicare Beneficiary (QMB)** status, you are eligible for the Kentucky Medicaid program, which pays your Medicare premiums, deductibles, and cost sharing. Some QMB members are also eligible to receive full Medicaid benefits (QMB+).
- If you have **Specified Low-Income Medicare Beneficiary Plus (SLMB+)** status, you are eligible for the Kentucky Medicaid program. This pays your Medicare Part B premium. You are also eligible to receive full Medicaid benefits.

Cost sharing and cost-sharing protections for all members

You pay no cost sharing for the Medicare-covered benefits described later in this Summary of Benefits. You will have no copays for prescriptions covered under the Medicare Part D drug benefit. When you receive health services, the provider should not bill you. They should only bill the plan for those services and cost-sharing amounts.

If you receive care from a noncontracted provider, the provider may not understand the plan or these billing rules. If you receive a bill for Medicare-covered services, please call the Customer Service phone number listed on your plan ID card.

Medicare coverage that goes beyond Original Medicare

- Our Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — and more. We'll review these extra benefits later in this booklet. Some of the extra benefits are covered in this Summary of Benefits.
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider). To see if your prescriptions are covered, follow the instructions in the “Know Your Drug Plan” section.
- If Medicaid eligibility changes, your cost may also change. You must recertify your Medicaid enrollment to keep receiving your Medicare cost-sharing coverage.

Is your PCP in our plan's network of doctors?

If you need to change your Primary Care Physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in network with our Find a Doctor tool online. Just follow the steps below.

How to find a doctor/PCP in our plan:

- Go to <https://shop.anthem.com/medicare>
 1. Select **Useful Tools** and choose **Find a Doctor**.
 2. Enter your ZIP code, county and the date you want your coverage to begin.
 3. Fill in the details (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor is listed as “In-Network” for this plan.
- Or you can ask us for the *Provider Directory*. The phone number is on page 2.

Know your drug plan

Prescription drugs are an important part of health and wellness

Anthem MediBlue Dual Advantage (HMO D-SNP) covers medications that help you stay your healthiest, at the lowest cost possible. Check the plan's drug list, or *Formulary*, to see if your prescriptions are covered and at what price.

How to check if your prescriptions (or an acceptable alternative) are covered and what they'll cost:

- Visit <https://shop.anthem.com/medicare>
 1. Select **Useful Tools** and choose **Find Your Covered Drugs**.
 2. Enter your ZIP code, county and beginning coverage date.
 3. Enter your drug name, dosage, quantity and refill frequency, and select **Add Drug** or **Next**.
 4. Select your pharmacy, and then select **View All Plans**.
 5. Choose **Plan Details** and then **Drug Cost** to view the drug's tier, specific cost, and coverage details.
- You can also call us at the number on page 2 for a copy of the *Formulary*.

Find a pharmacy

Our plans include the majority of pharmacies in America, so you're likely to find one near you. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in the plan (or find a new one) see the *Pharmacy Directory* on our website at <https://shop.anthem.com/medicare>. Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Or you can give us a call and we'll send you the directory.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs. Your costs will be the same if you use a preferred or standard pharmacy.

When you can enroll

Initial Enrollment Period

You can sign up for a D-SNP plan when you are first eligible for Medicare. Your Initial Enrollment Period is a seven-month period that includes the three months before your 65th birthday month, the month you turn 65, and the three months after your 65th birthday month. You must be eligible for both Medicare and Medicaid to join a D-SNP.

Annual Enrollment Period - October 15 to December 7

This is the time each year to enroll in or change your Medicare Advantage or Part D plan. You may also switch to only Original Medicare (Parts A and B). New coverage begins January 1 of each year.

Special Enrollment Period - January 1 to September 30

As a D-SNP member, you can change plans one time per calendar quarter. This option is known as a Special Enrollment Period. For more help, call your agent or call us at the toll-free number on page 2.

Medicare ID cards

If you choose a Dual Eligible Special Needs plan (D-SNP):

You will not need your red, white, and blue Medicare ID card. Just present your DSNP member ID card for all your covered medical and drug benefits. We recommend you also carry your state Medicaid ID card in case your doctor needs it.

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

Medicare Part A: You may have to buy Part A if you don't qualify for premium-free Part A. If you do not buy it when you're first eligible for Medicare, your monthly premium may go up 10%. You will have to pay the higher premium for twice the number of years you didn't sign up.

For example, if you delayed enrollment for one year and your monthly Part A premium was \$100, then you would have to pay a \$110 (10% increase) premium for two years (two times the one year you didn't have Medicare Part A).

Medicare Part B: Your monthly premium may increase 10% for each 12-month period you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

Medicare Part D: If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. You may not have to pay it if you receive Extra Help or have proof of other creditable (as good as Medicare's) coverage.

How can I learn more about Medicare?

Medicare & You, a helpful tool

The United States government's *Medicare & You* handbook is a great way to learn about Medicare and find answers to your questions. If you do not have a copy, you can view it online at [medicare.gov](https://www.medicare.gov) or call Medicare for a copy at **1-800-MEDICARE (1-800-633-4227)**, 24/7. TTY users can call **1-877-486-2048**.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross and Blue Shield will pay for it.

Anthem Blue Cross and Blue Shield is an HMO D-SNP plan with a Medicare contract and a contract with the Kentucky Medicaid program. Enrollment in Anthem Blue Cross and Blue Shield depends on contract renewal.

Anthem Blue Cross and Blue Shield is the trade name of Anthem Health Plans of Kentucky, Inc. Independent licensee of the Blue Cross Blue Shield Association. Anthem is a registered trademark of Anthem Insurance Companies, Inc.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-248-6095** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare> or call **1-844-248-6095** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
