## This is a Preferred Provider Organization Dual-Eligible Special Needs Plan (PPO D-SNP)

Anthem MediBlue Dual Access (PPO D-SNP) is a Medicare Advantage plan. It includes hospital, medical and prescription drug benefits. To join this plan, the following must apply to you<sup>1</sup>:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B and Medi-Cal (the state's Medicaid program).
- You live in our service area.

### Eligibility

To be enrolled in this plan, you must also receive some level of Medical Assistance from Medi-Cal (the state Medicaid program) as described below:

---

<sup>1</sup> This plan is available to anyone who has both Medical Assistance from the State and Medicare.

## Anthem MediBlue Dual Access (PPO D-SNP)

- If you have **Full Medicaid coverage (Full Benefit Dual Eligible [FBDE])** status, you are eligible for the Medi-Cal program. This may cover your share of Medicare costs.
- If you have **Qualified Medicare Beneficiary (QMB)** status, you are eligible for the Medi-Cal program, which pays your Medicare premiums, deductibles, and cost sharing. Some QMB members are also eligible to receive full Medicaid benefits (QMB+).
- If you have **Specified Low-Income Medicare Beneficiary (SLMB)** status, you are eligible for the Medi-Cal program. This pays your Medicare Part B premium. Some SLMB members are also eligible to receive full Medicaid benefits (SLMB+).

### Cost sharing and cost-sharing protections for all members

You may pay the cost sharing for the Medicare-covered benefits described later in this Summary of Benefits. You will have no copays for prescriptions covered under the Medicare Part D drug benefit.

If you receive care from a noncontracted provider, the provider may not understand the plan or these billing rules. If you receive a bill for Medicare-covered services, please call the Customer Service phone number listed on your plan ID card.

### Medicare coverage that goes beyond Original Medicare

With this plan, you can go to any doctor or facility in or outside of our plan - no referrals needed. Your out-of-pocket costs may be higher if you use doctors outside our plan. Ask your current doctor if he or she is in our plan.

- This plan covers everything that Original Medicare covers — Part A (hospital services) and Part B (medical services), plus more. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less (see benefits section for more details).
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your doctor).

# Is your PCP in our plan's network of doctors?

The Part D deductible does not apply to you.

# An overview of how Medicare works

If you're new to Medicare, this can help you decide what is right for you.

## Original Medicare (Parts A and B) is a federal government program that helps cover:

- Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- Hospice and some home healthcare services.
- Doctor services, hospital outpatient care, lab tests, medical equipment, and supplies.
- Most preventive services, including a yearly wellness exam.

## Original Medicare (Parts A and B) does not cover:

- Prescription drugs.
- Vision, dental, or hearing care.

## Here are your options

### Option 1: an all-in-one Medicare Advantage plan

#### Medicare Part C

## C+D+Extras

- Includes all of Part A (hospital) and Part B (medical) coverage
- Usually includes Part D prescription drug coverage
- Often offers extra services and benefits
- Caps what you'll pay out-of-pocket for medical services

### Option 2: One or both of the following

## Medicare Supplement

- Medicare Part A or Part B deductibles, coinsurance, or copayments
- Medicare Part B excess charges
- Skilled nursing facility care coinsurance
- Foreign travel emergencies

### Prescription drug coverage

## Part D

- Helps pay for many of your prescribed drugs
- Gives you access to home delivery services and pharmacies across the country

# When you can enroll

## Initial Enrollment Period

You can sign up for a D-SNP plan when you are first eligible for Medicare. Your Initial Enrollment Period is a seven-month period that includes the three months before your 65<sup>th</sup> birthday month, the month you turn 65, and the three months after your 65<sup>th</sup> birthday month. You must be eligible for both Medicare and Medicaid to join a D-SNP.

## Annual Enrollment Period - October 15 to December 7

This is the time each year to enroll in or change your Medicare Advantage or Part D plan. You may also switch to only Original Medicare (Parts A and B). New coverage begins January 1 of each year.

## Special Enrollment Period - January 1 to September 30

As a D-SNP member, you can change plans one time per calendar quarter. This option is known as a Special Enrollment Period. For more help, call your agent or call us at the toll-free number on page 2.

# Medicare ID cards

## If you choose a Dual Eligible Special Needs plan (D-SNP):

You will not need your red, white, and blue Medicare ID card. Just present your DSNP member ID card for all your covered medical and drug benefits. We recommend you also carry your state Medicaid ID card in case your doctor needs it.

# Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

**Medicare Part A:** You may have to buy Part A if you don't qualify for premium-free Part A. If you do not buy it when you're first eligible for Medicare, your monthly premium may go up 10%. You will have to pay the higher premium for twice the number of years you didn't sign up.

For example, if you delayed enrollment for one year and your monthly Part A premium was \$100, then you would have to pay a \$110 (10% increase) premium for two years (two times the one year you didn't have Medicare Part A).

**Medicare Part B:** Your monthly premium may increase 10% for each 12-month period you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

**Medicare Part D:** If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. You may not have to pay it if you receive Extra Help or have proof of other creditable (as good as Medicare's) coverage.

- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
