Do you have questions?

- Hours of operation: 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

The *Summary of Benefits* does not include every service, limit, or exclusion, but the *Evidence of Coverage* does. Just give us a call to request a copy.

Amerivantage Care Access (HMO) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits. To join this plan, the following must apply to you:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B.
- You live in our service area.

With this plan, if you're enrolled in the state's Medicaid program, you may pay nothing or have help with your share of costs (such as monthly payments, coinsurances, copays, or deductibles). You must remain enrolled in the state Medicaid plan for reduced cost-sharing.

You need to visit doctors and facilities in this plan's network. This is very important. If you go outside the network, the services may not be covered.

Medicare coverage that goes beyond Original Medicare

- This plan covers everything Original Medicare covers – Part A (hospital services) and Part B (medical services) – plus more.
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and certain drugs your doctor administers).

This is a Health Maintenance Organization (HMO) plan. That means:

- You must choose a primary care physician (PCP) in the plan's network of doctors for covered services. Your PCP provides most of your medical care, including routine care and hospitalizations. They can help you save time and money by directing you to specialists when needed.
- Before you visit a specialist, we recommend you talk to your PCP first. They know your health history and can help you find the right care.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps below.

How to find a doctor/PCP in our plan:

- Go to <https://shop.amerigroup.com/medicare>
 1. Select **Useful Tools** and choose **Find a Doctor**.
 2. Enter your ZIP code, county and the date you want your coverage to begin.
 3. Fill in the details (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor is listed as "In-Network" for this plan.
- Or you can ask us for the *Provider Directory*. The phone number is on page 2.

Know your drug plan

Prescription drugs are an important part of health and wellness

Amerivantage Care Access (HMO) covers medications that help you stay your healthiest, at the lowest cost possible. Check the plan's drug list, or *Formulary*, to see if your prescriptions are covered and at what price.

How to check if your prescriptions (or an acceptable alternative) are covered and what they'll cost:

- Visit <https://shop.amerigroup.com/medicare>
 1. Select **Useful Tools** and choose **Find Your Covered Drugs**.
 2. Enter your ZIP code, county and beginning coverage date.
 3. Enter your drug name, dosage, quantity and refill frequency, and select **Add Drug** or **Next**.
 4. Select your pharmacy, and then select **View All Plans**.
 5. Choose **Plan Details** and then **Drug Cost** to view the drug's tier, specific cost, and coverage details.
- You can also call us at the number on page 2 for a copy of the *Formulary*.

Find a pharmacy

Our plans include the majority of pharmacies in America, so you're likely to find one near you. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in the plan (or find a new one) see the *Pharmacy Directory* on our website at <https://shop.amerigroup.com/medicare>. Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Preferred pharmacies are noted to the right of the pharmacy name. Or you can give us a call and we'll send you the directory.

Save money through mail order or at preferred pharmacies

Use mail order or certain retail pharmacies (*preferred pharmacies*) to reduce costs. Using mail order or a preferred pharmacy can lower your copays and share of the cost, but the choice is yours.

Preferred pharmacies include Albertsons/Safeway, CVS Pharmacy, Costco, Giant Eagle Pharmacy, Harris Teeter Pharmacy, H-E-B PHARMACY, Kinney Drugs, Kroger, Publix, Roundy's, Walmart and about 5,000 independent pharmacies.

Don't miss out on some Extra Help

Medicare offers Extra Help, a program with prescription drug assistance for people who qualify. Extra Help can cover prescription drug plan deductibles, premiums, copays, and coinsurance. Plus:

- The coverage gap stage will not apply to you.
- There are no late-enrollment penalties.

To find out if you qualify for Extra Help, call:

- Our helpful representatives at **1-877-470-4131**.
- 1-800-MEDICARE (1-800-633-4227)** (TTY: **1-877-486-2048**), 24 hours a day/7 days a week.

You must continue to pay your Medicare Part B premium.

If you receive Extra Help from Medicare, your monthly plan premium will be lower or you might pay nothing.

How much is my deductible?

Drugs listed on Tier 2: Generic, Tier 3: Preferred Brand, Tier 4: Non-Preferred Drug, Tier 5: Specialty Tier are included in the Part D deductible.

If you qualify for low-income subsidy (LIS), also known as Medicare's Extra Help program, your annual Part D deductible will be lower or you might pay nothing.

Additionally, if you're enrolled in the state's Medicaid program, you may pay nothing or get help with your share of the costs (such as monthly plan premium, coinsurances, copays, or deductibles). You must remain enrolled in Medicaid under the state Medicaid plan to get the reduced cost-sharing.

Is there a limit on how much I will pay for my covered medical services?

(does not include Part D drugs)

\$7,550.00 per year from doctors and facilities in our plan

Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.

Services you receive from doctors or facilities in our plan go toward your yearly limit. If you reach the limit on out-of-pocket costs, you will not have to pay any out-of-pocket costs for covered Part A and Part B services for the rest of the year.

An overview of how Medicare works

If you're new to Medicare, this can help you decide what option is right for you.

Original Medicare (Parts A and B) is a federal government program that helps cover:

- Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- Hospice and some home healthcare services.
- Doctor services, hospital outpatient care, lab tests, medical equipment, and supplies.
- Most preventive services, including a yearly wellness exam.

Original Medicare (Parts A and B) does not cover:

- Prescription drugs.
- Vision, dental, or hearing care.

Here are your options

Option 1: an all-in-one Medicare Advantage plan

Medicare Part C

C+D+Extras

- Includes all of Part A (hospital) and Part B (medical) coverage
- Usually includes Part D prescription drug coverage
- Often offers extra services and benefits
- Caps what you'll pay out-of-pocket for medical services

Option 2: One or both of the following

Medicare Supplement 

- Medicare Part A or Part B deductibles, coinsurance, or copayments
- Medicare Part B excess charges
- Skilled nursing facility care coinsurance
- Foreign travel emergencies

Medicare Part D

- Helps pay for many of your prescribed drugs
- Gives you access to mail-order services and pharmacies across the country

The four stages of drug coverage

To understand your plan's specific coverage for each stage, see the **Summary of 2023 prescription drug coverage** section of this Summary of Benefits.

Stage 1	Stage 2	Stage 3	Stage 4
Deductible	Initial Coverage	Coverage Gap	Catastrophic Coverage
<p>If you have a deductible, you pay 100% of your drug costs until you meet your deductible.</p> <p>If you have no deductible, or if a specific drug tier does not apply to the deductible, you will skip to Stage 2.</p>	<p>You pay a copay or a percentage of the cost, and your plan pays the rest for your covered drugs.</p>	<p>In this stage, you pay a greater share of the costs. It begins after you and your plan have paid a certain amount on covered drugs during Stages 1 and 2 (this can vary by plan). See Stage 2: Initial Coverage in the prescription drug coverage section of this Summary of Benefits for the exact amount.</p> <p>After you enter the coverage gap, you pay a percentage of the plan's cost for covered brand-name drugs and/or covered generic drugs until your costs total \$7,400.</p> <p>Some plans have extra coverage. See the Stage 3: Coverage Gap section for more details.</p>	<p>In this stage, after your yearly out-of-pocket drug costs (including drugs purchased through mail order and pharmacy) reach \$7,400, the plan pays most, or in some cases, all, of covered drug costs. This stage lasts until the end of the plan year.</p> <p>See the Stage 4: Catastrophic Coverage section for what you pay with this plan.</p>

Which coverage stage am I in?

You will receive an **Explanation of Benefits (EOB)** each month you fill a prescription. It will show which coverage stage you're in and how close you are to entering the next one.

When you can enroll

Initial Enrollment Period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your Initial Enrollment Period is a seven-month period that includes the three months before your 65th birthday month, the month you turn 65, and the three months after your 65th birthday month.

Annual Enrollment Period - October 15 to December 7

This is the time each year to enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year.

Open Enrollment Period - January 1 to March 31

This is an extra time each year when you can make one enrollment change to your existing Medicare Advantage plan. You can do one of the following:

- Move to a different Medicare Advantage plan
- Drop your Medicare Advantage plan to stay with Original Medicare. If you do this and need drug coverage, you have until March 31 to add a Medicare Part D (prescription drug) plan.

Special Enrollment Period

You can sign up for a Medicare Advantage or Part D plan outside of the standard time frames if certain events occur in your life. These events may include (but aren't limited to) a change in employment, circumstances, or location.

Medicare ID cards

If you choose a Medicare Advantage and Prescription Drug plan:

One Card for ALL!

You will not need your red, white and blue Medicare ID card. Just present your member ID card for all your covered medical and drug benefits.

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

Medicare Part A: You may have to buy Part A if you don't qualify for premium-free Part A. If you do not buy it when you're first eligible for Medicare, your monthly premium may go up 10%. You will have to pay the higher premium for twice the number of years you didn't sign up.

For example, if you delayed enrollment for one year and your monthly Part A premium was \$100, then you would have to pay a \$110 (10% increase) premium for two years (two times the one year you didn't have Medicare Part A).

Medicare Part B: Your monthly premium may increase 10% for each 12-month period that you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

Medicare Part D: If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. You may not have to pay it if you receive Extra Help or have proof of other creditable (as good as Medicare's) coverage.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Amerigroup will pay for it.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.amerigroup.com/medicare> or call **1-877-470-4131** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
