Simply More (HMO) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits. To join this plan, the following must apply to you:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B.
- You live in our service area.

You need to visit doctors and facilities in this plan's network. This is very important. If you go outside the network, the services may not be covered.

Medicare coverage that goes beyond Original Medicare

- This plan covers everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and certain drugs your doctor administers).

This is a Health Maintenance Organization (HMO) plan. That means:

- You must choose a primary care physician (PCP) in the plan's network of doctors for covered services. Your PCP provides most of your medical care, including routine care and hospitalizations. They can help you save time and money by directing you to specialists when needed.
- Before you visit a specialist, we recommend you talk to your PCP first. They know your health history and can help you find the right care.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps below.

How to find a doctor/PCP in our plan:

- Go to <https://shop.simplyhealthcareplans.com/medicare>
 1. Select **Useful Tools** and choose **Find a Doctor**.
 2. Enter your ZIP code, county and the date you want your coverage to begin.
 3. Fill in the details (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor is listed as "In-Network" for this plan.
- Or you can ask us for the *Provider Directory*. The phone number is on page 2.

Know your drug plan

Simply More (HMO) covers medications that help you stay your healthiest, at the lowest cost possible. Check the plan's drug list, or *Formulary*, to see if your prescriptions are covered and at what price.

- Visit <https://shop.simplyhealthcareplans.com/medicare>
 1. Select **Useful Tools** and choose **Find Your Covered Drugs**.

- You can also call us at the number on page 2 for a copy of the *Formulary*.

Find a pharmacy

Our plans include the majority of pharmacies in America, so you're likely to find one near you. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in the plan (or find a new one) see the *Pharmacy Directory* on our website at <https://shop.simplyhealthcareplans.com/medicare>. Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Or you can give us a call and we'll send you the directory.

Generally, you may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan. If you live in a long-term care facility, you pay the same as at a standard retail pharmacy.

If you qualify for low-income subsidy (LIS), also known as Medicare's Extra Help program, the amount you pay may be different in this Stage.

You will continue to pay your ICL cost share for Tier 1 preferred generic drugs and Tier 2 generic drugs in the coverage gap. You will also receive a discount on brand name drugs and generally pay no more than **25%** of the plan's costs for other formulary brand drugs and **25%** of the plan's costs for other formulary generic drugs until your yearly out-of-pocket drug costs reach **\$7,400**.

Stage 4: Catastrophic Coverage

When you can enroll

Initial Enrollment Period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your Initial Enrollment Period is a seven-month period that includes the three months before your 65th birthday month, the month you turn 65, and the three months after your 65th birthday month.

Annual Enrollment Period - October 15 to December 7

This is the time each year to enroll in or change your Medicare Advantage or Part D plan. You may also switch to only Original Medicare (Parts A and B). New coverage begins January 1 of each year.

Open Enrollment Period - January 1 to March 31

This is an extra time each year when you can make one enrollment change to your existing Medicare Advantage plan. You can do one of the following:

- Move to a different Medicare Advantage plan
- Drop your Medicare Advantage plan to stay with Original Medicare. If you do this and need drug coverage, you have until March 31 to add a Medicare Part D (prescription drug) plan.

Special Enrollment Period

You can sign up for a Medicare Advantage or Part D plan outside of the standard time frames if certain events occur in your life. These events may include (but aren't limited to) a change in employment, circumstances, or location.

Medicare ID cards

If you choose a Medicare Advantage and Prescription Drug plan:

You will not need your red, white and blue Medicare ID card. Just present your member ID card for all your covered medical and drug benefits.

Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

Medicare Part A: You may have to buy Part A if you don't qualify for premium-free Part A. If you do not buy it when you're first eligible for Medicare, your monthly premium may go up 10%. You will have to pay the higher premium for twice the number of years you didn't sign up.

For example, if you delayed enrollment for one year and your monthly Part A premium was \$100, then you would have to pay a \$110 (10% increase) premium for two years (two times the one year you didn't have Medicare Part A).

Medicare Part B: Your monthly premium may increase 10% for each 12-month period you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

Medicare Part D: If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. You may not have to pay it if you receive Extra Help or have proof of other creditable (as good as Medicare's) coverage.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Simply Healthcare will pay for it.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.simplyhealthcareplans.com/medicare> or call **1-888-577-0212** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
