Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

More about HumanaChoice Florida H5216-074 (PPO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state's program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP).
