## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. This plan may enroll FBDE, QMB, QMB+, SLMB+.

Humana has been approved by the National Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until 12/31/2023 based on a review of Humana's Model of Care.

Your provider may choose to submit to the Georgia Department of Community Health (DCH) (Medicaid) for consideration of additional secondary payment for an amount applied to deductibles, coinsurance, or copayments. If you are Cost Share Protected, providers are required by federal regulation to accept Humana Care Extra (PPO D-SNP) primary payment and the Georgia Department of Community Health (DCH) (Medicaid) secondary payment as payment in full for covered Medicare Part A and Part B services – even when the Medicaid payment is zero or a provider chooses to not submit to Medicaid.

If you are cost-share protected by the Georgia Department of Community Health (DCH) (Medicaid), Humana Care Extra (PPO D-SNP) providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments – even when Medicaid payment is zero or a provider chooses to not submit to Medicaid. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment.

If you are cost-share protected and you are billed or asked to pay the provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services tell your provider you are cost-share protected and can't be charged. If you have already made payment you have the right to a refund. If your provider will not stop billing, you can call us at 1-800-457-4708 or you can call Medicare at 1-800-Medicare (1-800-633-4227), (TTY 1-877-486-2048). Humana or Medicare can ask your provider to stop billing you and refund any payment you have made.

Telehealth services shown are in addition to the Original Medicare covered telehealth. Your cost may be different for Original Medicare telehealth.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your evidence of coverage for additional details on what your plan may cover or other rules that may apply.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

Out-of-network/non-contracted providers are under no obligation to treat Humana members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
