

2023 Summary of Benefits

Molina Medicare Complete Care HMO D-SNP

California H5810-013

Serving Imperial

Effective January 1 through December 31, 2023

Introduction to the Summary of Benefits

Molina Medicare Complete Care

Thank you for considering Molina Healthcare! Everyone deserves quality care. Since 1980, our members have been able to lean on Molina. Because today, as always, we put your needs first.

This document does not include every benefit and service that we cover or every limitation or exclusion. To get a complete list of services, please refer to the Evidence of Coverage (EOC). A copy of the EOC is located on our website at MolinaHealthcare.com/Medicare. You can also call Member Services at (800) 665-0898, TTY/TDD 711 and we will mail you a copy.

To join our plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and Medicaid by Medi-Cal, and live in our service area. Our service area includes the following counties in California: Imperial.

Molina has a network of doctors, hospitals, pharmacies, and other providers. Except in emergency situations, if you use providers that are not in our network, we may not pay for those services. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits or use the Medicare Plan Finder at medicare.gov.

For coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at medicare.gov or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**. TTY users should call 1-877-486-2048. If you have any questions, please call our Member Service team at **(800) 665-0898, TTY/TDD 711**, 7 days a week, 8 a.m. to 8 p.m., local time.

About Medicare

Medicare is health insurance for people who are 65 years old or older, or who are under 65 years old with certain disabilities.

Original Medicare is a Federal Insurance Program. It pays a fee for your care directly to the doctors and hospitals you visit. Original Medicare does not cover most preventive care and has unpredictable out-of-pocket expenses.

Medicare Part A (Hospital Insurance) covers inpatient care in hospitals, skilled nursing facilities, hospice care, and some home health care services.

Medicare Part B (Medical Insurance) covers certain doctors' services, outpatient care, medical supplies and preventive services.

Medicare Part C (Medicare Advantage) is an all-in-one alternative to Original Medicare. Medicare Advantage plans include Parts A, B and usually Part D. Some Medicare Advantage plans may have lower out-of-pocket costs than Original Medicare and may cover extra benefits that Original Medicare doesn't – like dental, vision or hearing. Medicare pays a fixed fee to the plan for your care, and then the plan directly pays the doctors and hospitals. Medicare Advantage has predictable out-of-pocket expenses and offers preventive care and care coordination.

Medicare Part D (Prescription Drug Coverage) helps you pay for drugs you get from a pharmacy.

Medicaid Dual Eligibility Coverage Categories

- **Qualified Medicare Beneficiary (QMB):** Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only. You receive Medicaid coverage of Medicare cost share but are not otherwise eligible for full Medicaid benefits.
- **QMB+:** Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts. You receive Medicaid coverage of Medicare cost share and are eligible for full Medicaid benefits.
- **SLMB+:** Medicaid pays your Medicare Part B premium and provides full Medicaid benefits.
- **Full-Benefit Dual Eligible (FBDE):** At times, individuals may qualify for both limited coverage of Medicare cost sharing as well as full Medicaid benefits.

As a QMB, QMB+, SLMB+, or FBDE beneficiary, your cost share is \$0, except for Part D prescription drug copays.

Note – Preventive wellness exams and most supplemental Medicare Advantage benefits have a \$0 cost share.

Eligibility Changes:

It is important to read and respond to all mail that comes from Social Security or your state Medicaid office so you can protect your \$0 cost share status as a QMB, QMB+, SLMB+, or FBDE beneficiary.

Periodically, as required by CMS, we will check the status of your Medicaid eligibility as well as your dual eligible category. If you lose Medicaid coverage entirely you will be given a grace period so that you can reapply for Medicaid.

If you no longer qualify as a QMB, QMB+, SLMB+, or FBDE beneficiary you may be involuntarily disenrolled from the Plan after a grace period. Your state Medicaid agency will send you notification of your loss of Medicaid or change in Medicaid category. We may also contact you to remind you to reapply for Medicaid as a QMB, QMB+, SLMB+, or FBDE beneficiary. For this reason it is important to let us know whenever your mailing address and/or phone number changes.

Coverage Stages

Stage 1: Deductible	Because there is no drug deductible for this plan, this stage does not apply to you.
Stage 2: Initial Coverage	<p>You begin this stage when you fill your first prescription of the year. During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost. You stay in this stage until your year-to-date "total drug costs" (your payments plus any Part D plan payments) total \$4,660.</p> <p>If you reside in a long-term care facility, you pay the same as at a retail pharmacy. You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy.</p>
Stage 3: Gap Coverage	During this stage, you pay 25% of the price for brand name drugs (plus a portion of the dispensing fee) and 25% of the price for generic drugs. You stay in this stage until your year-to-date "out-of-pocket costs" (your payments) reach a total of \$7,400. This amount and rules for counting costs toward this amount have been set by Medicare.
Stage 4: Catastrophic Coverage	After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,400 the plan will pay most of the costs of your drugs.

**Recently enacted legislation added Section 14131.10 of the W&I Code to exclude several optional benefit categories from coverage under the Medi-Cal program to be implemented on July 1, 2009. The optional benefits indicated are excluded from coverage under the Medi-Cal program, effective July 1, 2009. The optional benefits exclusion policy does not apply to the following beneficiaries: 1) beneficiaries under 21 years of age for services rendered pursuant to EPSDT program; 2) beneficiaries residing in a skilled nursing facility (Nursing Facilities Level A and Level B, including subacute care facilities); 3) beneficiaries who are pregnant (pregnancy-related benefits and services; other benefits and services to treat conditions that, if left untreated, might cause difficulties for the pregnancy); 4) California Children's Services beneficiaries; and 5) beneficiaries enrolled in the Program of All-Inclusive Care for the Elderly. Most claims for excluded optional benefit services billed by a physician or physician group remain reimbursable on or after July 1, 2009. However, these claims will be denied if the rendering provider is not a physician, but one of the optional benefit providers. More information on the reduced benefits and services affected by this new legislation is available on the California Department of Health Care Services Web site at www.dhcs.ca.gov.

Glossary of Terms

Coinsurance

The percentage you pay as your share of the cost for medical services or prescription drugs. For example, if you have 20 percent coinsurance, you pay 20 percent of the cost of your medical bill.

Copay

The fixed amount you pay as your share of the cost of a medical service or supply. For example, you might have a \$20 copay every time you see your primary care doctor.

Deductible

The amount you pay for health care services or prescriptions before your insurance begins to pay.

Extra Help

A Medicare program to help people with limited income and resources pay prescription drug program costs, like premiums, deductibles, and coinsurance.

Long-term care

Services and support for people who can't perform basic activities of daily living, like dressing and bathing. Medicare and most health insurance plans do not pay for long-term care.

Medicaid

A state and federal program that provides health coverage to low-income people.

Medicare Advantage

Also known as Part C. A type of Medicare plan offered by a private company approved by Medicare. A Medicare Advantage plan is an alternative to Original Medicare. It provides all of your Part A and Part B benefits and often offers extra benefits, like dental and vision care.

Original Medicare

Medicare Part A (hospital insurance) and Part B (medical insurance). Most people get it when they turn 65. The federal government manages Original Medicare.

Out-of-pocket maximum

The most you have to pay for covered services in one year. Once you reach this amount, your insurance covers 100 percent of your medically necessary care for the rest of the year.

Premium

The money you pay monthly to Medicare or a health care plan for coverage.

Preventive services

Health care to prevent or detect illness at an early stage. Most health plans must cover some important preventive services, like flu shots and blood pressure screening, at no cost to you.
