# **Summary of Benefits**

#### January 1st, 2023 - December 31st, 2023

This is a summary of what we cover and what you pay. Review the Evidence of Coverage (EOC) for a complete list of covered services, limitations and exclusions. You can see it online at myAARPMedicare.com or you can call Customer Service for help. When you enroll in the plan, you will get more information on how to view your plan details online.

#### About this plan

AARP<sup>®</sup> Medicare Advantage Choice (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

Our service area includes these counties in:

Massachusetts: Middlesex, Suffolk.

#### Use network providers and pharmacies

AARP<sup>®</sup> Medicare Advantage Choice (PPO) has a network of doctors, hospitals, pharmacies, and other providers. With this plan, you have the freedom to enjoy nationwide access to care at innetwork costs when you visit any provider participating in the UnitedHealthcare<sup>®</sup> Medicare National Network (exclusions may apply). Plus, you have the flexibility to visit any provider nationwide who accepts Medicare. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the following charts you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **AARPMedicarePlans.com** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
