About this plan

AARP[®] Medicare Advantage Walgreens Plan 1 (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

Our service area includes the following county in:

Arizona: Pima.

Use network providers and pharmacies

AARP[®] Medicare Advantage Walgreens Plan 1 (PPO) has a network of doctors, hospitals, pharmacies, and other providers. With this plan, you have the freedom to enjoy nationwide access to care at in-network costs when you visit any provider participating in the UnitedHealthcare[®] Medicare National Network (exclusions may apply). Plus, you have the flexibility to visit any provider nationwide who accepts Medicare. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the following charts you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **AARPMedicarePlans.com** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
