About this plan

UnitedHealthcare Dual Complete® (HMO-POS D-SNP) is a Medicare Advantage HMOPOS plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid. How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

You can enroll in this plan if you are in one of these Medicaid categories:

- Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- Qualified Disabled and Working Individual (QDWI):** Medicaid pays your Part A premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.
- Qualifying Individual (QI):** Medicaid pays your part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. You pay the cost share amounts listed in the chart below. There may be some services that do not have a member cost share amount.
- Specified Low-Income Medicare Beneficiary (SLMB+):** Medicaid pays your Part B premium and provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from your state Medicaid agency in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
- Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid pays your Part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.

- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Our service area includes these counties in:

Texas: Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Rockwall, Tarrant.

Use network providers and pharmacies

UnitedHealthcare Dual Complete® (HMO-POS D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. For routine dental services you can use providers that are not in our network. This health plan requires you to select a primary care provider (PCP) from the network. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your primary care provider would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **[UHCCommunityPlan.com](https://www.uhccommunityplan.com)** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Your plan has a deductible for certain services. The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover.

The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

Annual Medical Deductible

Your deductible is \$233 per year for covered medical services you receive from providers as described below. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

Here's how it works:

1. You pay your plan's deductible in full; then,
2. You pay your copay or coinsurance; finally,
3. Your plan pays the rest.
