We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare No Premium Open (PPO), Wellcare Community Assist (PPO) and Wellcare Patriot Giveback Open (PPO) from January 1, 2023 to December 31, 2023.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare.com/medicare. To request a copy, please call 1-844-917-0175 (TTY 711): Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party. To be eligible, the beneficiary must also be a United States citizen or are lawfully present in the United States.

Preferred Provider Organizations (PPOs) You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the

country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made.

Out-of-network/non-contracted providers are under no obligation to treat Wellcare No Premium Open (PPO), Wellcare Community Assist (PPO) and Wellcare Patriot Giveback Open (PPO) plan members, except in emergency situations. Please call our Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plans also include prescription drug coverage and access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare No Premium Open (PPO), Wellcare Community Assist (PPO) and Wellcare Patriot Giveback Open (PPO) have a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/medicare.

For more information, please call us at 1-844-917-0175 (TTY users should call 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones). Visit us at www.wellcare.com/medicare.

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). Please call Member Services if you need plan information in another format.

Stage 1: Annual Prescription Deductible					
Deductible	This plan has no deductible for Part D covered drugs, this payment stage doesn't apply.	\$380 for Tier 3 (Preferred Brand Drugs), Tier 4 (Non-Preferred Drugs), and Tier 5 (Speciality Tier) Part D prescription drugs. For all other covered drugs, you will not have to pay any deductible and will start receiving coverage immediately.	<u>Not</u> covered		
Stage 2: Initial Coverage (after you pay your deductible, if applicable)					
You pay the following until your total yearly drug costs reach \$4,660. Total yearly drug costs are the total drug costs paid by both you and our plan. Once you reach this amount, you will enter the Coverage Gap.					
For plans with Part D coverage - Important Message About What You Pay for Vaccines and Insulin:

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (30-day supply) or long term (90-day supply).

Excluded Drugs:

Wellcare No Premium Open (PPO) include(s) enhanced drug coverage of certain excluded drugs. Generic only Sildenafil and Vardenafil on Tier 1 have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services representative at 1-844-917-0175 (TTY: 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.wellcare.com/medicare or call 1-844-917-0175 (TTY: 711) to view a copy of the EOC. Hours are Monday - Sunday, 8 am - 8 pm (all time zones).
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- For PPO, PFFS and POS plans:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
