Important Plan Information

Zing Health is a HMO with a Medicare contract. Enrollment in Zing Health depends on contract renewal

This easy-to-use guide helps you to understand what benefits are covered by the plans. The benefit information provided is a summary of what we cover and what you can expect to pay. It does not list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, call us to request the “Evidence of Coverage” booklet.

For more information, please call us at **1-866-946-4458 (TTY users should call 711) or visit us at www.myzinghealth.com**.

Who can join?

To join **Zing Choice IL (HMO) and Zing Premium Giveback IL (HMO)**, you must be entitled to Medicare Part A, be enrolled in Part B and live in the plans service area. The service area includes the following counties:

Zing Choice IL (HMO) H7330-001: Cook, DeKalb, DuPage, Kankakee, and Lake counties.

Zing Choice IL (HMO) H4624-001: Boone, Kane, McHenry, Ogle, Will and Winnebago counties.

Zing Premium Giveback IL (HMO) H7330-005: Boone, Cook, Dekalb, DuPage, Kane, Kankakee, Lake, McHenry, Ogle, Will and Winnebago counties.

The Zing Premium Give-Back (HMO) is designed to reduce the monthly Medicare Part B premium for its members. This reduction is set up by Medicare and administered through the Social Security Administration (SSA). Depending on how the enrollee pays their Medicare Part B premium, the reduction may be credited to their Social Security check or credited on the Medicare Part B premium statement, and it may take up to three months for the initial reimbursement of premium.

What providers can I use?

Zing Choice IL (HMO) and Zing Premium Giveback IL (HMO) has a network of doctors, hospitals, pharmacies, and other providers. As a member, you must select an in-network primary care physician (PCP). Your plan does not require a referral to see a specialist. In some instances, a prior authorization may be required for some services you receive. Except in emergency situations or out-of-area urgently needed services, if you use providers that are not in our network, the plan may not pay for these services.

What are our hours of operation?

Hours of operation are between 8 a.m. and 8 p.m. Monday through Friday (from April 1 through September 30) and 8 a.m. to 8 p.m. 7 days a week (from October 1 through March 31).

- If you are a member of this plan, call toll free **1-866-946-4458 (TTY users should call 711) or visit us at www.myzinghealth.com**.
- If you are not a member of this plan, call toll-free **1-866-946-4458**.

What does Original Medicare cover?

If you want to know more about the coverage and costs of Original Medicare, review your current “Medicare & You” handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

This document is available in other formats such as braille, large print or audio. This document is also available in Spanish. For additional information, call us at **1-866-946-4458**, (TTY users should call 711).

PART D PRESCRIPTION DRUGS *(continued)*

Coverage Gap Stage	<p>Most Medicare drug plans have a Coverage Gap Stage (also called the “donut hole”). The Coverage Gap Stage begins after you and your drug plan together have spent \$4,660 for covered drugs.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s costs for covered brand name drugs and 25% of the plan’s cost for generic drugs until your cost total \$7,400.</p> <p>For generic drugs, the amount paid by the plan (75%) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. You will remain in the coverage gap stage until your drug costs total \$7,400, which is the end of the coverage gap.</p> <p>During this stage, you will continue to pay \$0 cost-share for select insulins and tier 1 drugs.</p> <p>Not everyone will enter the coverage gap.</p>
---------------------------	---

Catastrophic Coverage Stage	<p>The Catastrophic Coverage Stage begins after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,400, you pay the greater of:</p>
------------------------------------	--

Drug Type	Cost-Share Information

Brand Name and Other Drugs	<ul style="list-style-type: none"> • \$10.35 copay for all other drugs

Cost-Sharing may change depending on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, the pharmacy you choose and when you enter a new phase of the drug stages.

Important Message About What You Pay for Insulin - You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

Your cost share may differ depending on when you enter another phase of the drug benefit and if you qualify for “Extra Help.” To find out if you qualify for “Extra Help,” please contact the Social Security Office at 1-800-772-1213 Monday through Friday, 7 a.m. – 7 p.m. TTY users should call 1-800-325-0778.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-946-4458 (TTY users should call 711).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.myzinghealth.com or call 1-866-946-4458 (TTY users should call 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- For our Health Maintenance Organization (HMO) plans only, these plans except in emergency or urgent situations, do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- For our Health Maintenance Organization Point of Service (HMO-POS) plans only, these plans allow you to see providers outside of our network (non-contracted providers). However, while we pay for certain covered services provided by a non-contractee provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- For our Chronic Condition Special Needs plans (CSNP) only, your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
- For our Dual Eligible Special Needs plans (DSNP) only, your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
