What you should know

- **Plan type:** Aetna Medicare Plus Plan (HMO) is an HMO plan. This is a Medicare Advantage plan that covers prescription drugs.
- **Independent Practice Association (IPA)/Medical Group:** This is a group of physicians and other healthcare providers. They determine which specialists and hospitals you can use. They have a contract to provide services to our members.
- **Primary Care Physician (PCP):** A PCP helps coordinate your care and we require you to select one. Your PCP relationship is important, and we encourage you to choose a PCP close to your home. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal. The IPA/Medical Group associated with your PCP determines which specialists and hospitals you can use. Your ID card will have the names of your PCP and IPA/Medical Group. You must see these providers for us to pay for your care.
- **Referrals:** Usually, your PCP must give approval before you use other network providers. You don't need a referral for emergency or urgently needed care. Your IPA/Medical Group determines which specialists and hospitals you can use.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Contact information:** To get more information about some benefits, please see the Contact quick reference chart at the end of this document.
- **Provider directory:** View your provider directory at [AetnaMedicare.com/H4982-005](https://www.aetnamedicare.com/H4982-005).

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the PCP you see now is in the network. If they're not, you will likely have to select a new doctor. Your PCP will be affiliated with an IPA/Medical Group and they will determine the specialists and hospitals you can use.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
