What you should know

- **Plan type:** Aetna Medicare Preferred Plan (HMO D-SNP) is a D-SNP plan. This is a Medicare Advantage plan that covers prescription drugs.
- **D-SNP information:** Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us, instead of the federal government. We cover everything that Original Medicare covers and we provide additional benefits and services too.
- **Independent Practice Association (IPA)/Medical Group:** This is a group of physicians and other healthcare providers. They determine which specialists and hospitals you can use. They have a contract to provide services to our members.
- **Primary Care Physician (PCP):** A PCP helps coordinate your care and we require you to select one. Your PCP relationship is important, and we encourage you to choose a PCP close to your home. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal. The IPA/Medical Group associated with your PCP determines which specialists and hospitals you can use. Your ID card will have the names of your PCP and IPA/Medical Group. You must see these providers for us to pay for your care.
- **Referrals:** Usually, your PCP must give approval before you use other network providers. You don't need a referral for emergency or urgently needed care. Your IPA/Medical Group determines which specialists and hospitals you can use.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Contact information:** To get more information about some benefits, please see the Contact quick reference chart at the end of this document.
- **Provider directory:** View your provider directory at [AetnaMedicare.com/H4982-008](https://www.aetna.com/medicare/H4982-008).

Summary of Medicaid Benefits

Here’s a quick look at what’s covered by Aetna Medicare Preferred Plan (HMO D-SNP) and your state Medicaid program.

Below is a summary of your Medicaid and Aetna Medicare Preferred Plan (HMO D-SNP) benefits. If you qualify for Medicare and Medicaid (or “Medical Assistance”), you’re “dual eligible.” This means you’re eligible for benefits under both the federal Medicare program **and** the California Medicaid program.

What you pay for covered services may depend on your level of Medicaid eligibility. If you meet the state’s requirements for **full** Medicaid coverage, you may also receive Medicaid services not covered by Medicare. If you have questions about your Medicaid eligibility and what benefits you’re entitled to, just call your California Department of Health Services Medi-Cal Medicaid program.

The table below gives you a summary of the benefits Medicaid covers. Aetna Medicare Preferred Plan (HMO D-SNP) covers the benefits we described earlier in the Medical and hospital benefits section. For each benefit listed below, you can see what Medicaid covers and what our plan covers. **Keep in mind:** There may be limits for some services. If you need a service that is only covered by Medicaid, the provider you pick needs to be enrolled with Medicaid.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the PCP you see now is in the network. If they're not, you will likely have to select a new doctor. Your PCP will be affiliated with an IPA/Medical Group and they will determine the specialists and hospitals you can use.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
