**Over-the-counter (OTC) benefit**

You will receive a \$150 benefit amount (allowance) each quarter to purchase approved over-the-counter (OTC) health and wellness items like first aid supplies, cold and allergy medicine, pain relievers, COVID-19 tests, and more. The \$150 benefit amount is available the first day of each calendar quarter. Calendar quarters begin in January, April, July, October. Be sure to use the full benefit amount each calendar quarter, because any unused amount will not roll over into the next calendar quarter.

We have partnered with OTC Health Solutions (OTCHS) to provide this benefit. The benefit amount is not connected to a payment or debit card. You will use your Aetna Medicare Value Plan (PPO) member ID to confirm benefit eligibility, confirm available benefit amount, and make purchases. You can purchase approved products online, by phone or in CVS stores. For details view the OTCHS catalog at [AetnaMedicare.com/H5521-089](https://AetnaMedicare.com/H5521-089).

Aetna, CVS Pharmacy® and MinuteClinic, LLC (which either operates or provides certain management support services to MinuteClinic-branded walk-in clinics) are part of the CVS Health family of companies.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our D-SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.

See *Evidence of Coverage* for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our member services number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

The Aetna Medicare pharmacy network includes limited lower cost, preferred pharmacies in: Suburban Arizona, Rural California, Urban Kansas, Rural Michigan, Urban Michigan, Urban Missouri, Rural North Dakota, and Suburban West Virginia. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, members please call the number on your ID card, non-members please call 1-833-859-6031 (TTY: 711) or consult the online pharmacy directory at [AetnaMedicare.com/findpharmacy](https://www.aetnamedicare.com/findpharmacy).

For mail order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 10 days. You can call 1-833-570-6670 (TTY: 711) 8 AM to 8 PM, 7 days a week if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign up for automated mail-order delivery.

Participating health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

# Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

## Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

## Understanding important rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
