Anthem Veteran Select (HMO) and Anthem Veteran (HMO) are Medicare Advantage plan. They include hospital and medical benefits. To join one of these plans, the following must apply to you:

- □ You're entitled to Medicare Part A.
- □ You're enrolled in Medicare Part B.
- \Box You live in our service area.

You need to visit doctors and facilities in this plan's network. This is very important. If you go outside the network, the services may not be covered.

Anthem Veteran Select (HMO) and Anthem Veteran (HMO)

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers Part A (hospital services) and Part B (medical services) — plus more.
- Medicare Advantage plans cover Medicare Part B drugs. However, these plans do not cover Part D prescription drugs.

These are Health Maintenance Organization (HMO) plans. That means:

- You must choose a primary care physician (PCP) in the plan's network of doctors for covered services. Your PCP provides most of your medical care, including routine care and hospitalizations. They can help you save time and money by directing you to specialists when needed.
- Before you visit a specialist, we recommend you talk to your PCP first.
 They know your health history and can help you find the right care.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps below.

How to find a doctor/PCP in our plan:

- □ Go to https://shop.anthem.com/medicare
 - 1. Select **Useful Tools** and choose **Find a Doctor**.

- 3. Fill in the details (city, doctor's name, distance, etc.).
- 4. Be sure to check that the doctor is listed as "In-Network" for this plan.
- □ Or you can ask us for the *Provider Directory*. The phone number is on page 2.

Optional supplemental dental and/or vision benefits

You can add an Optional Supplemental Benefits (OSB) package to the plan for an additional monthly premium. Optional Supplemental Benefits may not be available with every Medicare Advantage plan in this enrollment guide. See the *Optional Supplemental Dental and Vision Plans* section of the medical benefits chart for more details.

2023 Medicare Star Ratings

Empire BlueCross BlueShield - H8432

For 2023, Empire BlueCross BlueShield - H8432 received the following Star Ratings from Medicare:

Overall Star Rating:★★★☆☆Health Services Rating:★★★☆☆Drug Services Rating:★★★☆☆

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-809-7328** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **https://shop.anthem.com/medicare** or call **1-800-809-7328** to view a copy of the EOC.

Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.

Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
