Wellpoint Full Dual Advantage (HMO D-SNP)

This is a Dual Eligible Special Needs Plan (D-SNP)

Wellpoint Full Dual Advantage (HMO D-SNP) is a Medicare Advantage plan. To join this plan, the following must apply to you¹:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B and TennCare Medicaid (the state's Medicaid program).
- You live in our service area.

Eligibility

To be enrolled in this plan, you must also receive some level of Medical Assistance from TennCare Medicaid (the state Medicaid program) as described below:

Wellpoint Full Dual Advantage (HMO D-SNP)

- If you have **Full Medicaid coverage (Full Benefit Dual Eligible [FBDE])** status, you are eligible for the TennCare Medicaid program. This may cover your share of Medicare costs, such as premiums for Part A and Part B, deductibles, coinsurance and copayments.
- If you have **Qualified Medicare Beneficiary (QMB)** status, you are eligible for the TennCare Medicaid program, which pays your Medicare premiums, deductibles, and cost sharing.

¹ This plan is available to anyone who has both Medical Assistance from the State and Medicare.

- If you have **Qualified Medicare Beneficiary Plus (QMB+)** status, you are eligible for the TennCare Medicaid program, which pays your Medicare premiums, deductibles, and cost sharing. You are also eligible to receive full Medicaid benefits.
- If you have **Specified Low-Income Medicare Beneficiary Plus (SLMB+)** status, you receive help paying your Part B premiums. You are also eligible for full Medicaid benefits. In some situations, you may receive assistance from your state Medicaid program to help pay your Medicare cost share. If the service is covered by both Medicare and Medicaid, your cost share could be \$0. There may be times when you are responsible for cost sharing if a service or benefit is not covered by Medicaid.

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.

TennCare is not responsible for payment for these extra benefits, except for appropriate cost sharing amounts. TennCare is not responsible for guaranteeing the availability or quality of these benefits.

- Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.
- If Medicaid eligibility changes, your cost may also change. You must recertify your Medicaid enrollment to keep receiving your Medicare cost-sharing coverage.

Is your PCP in our plan's network of doctors?

If you need to change your Primary Care Physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in network with our Find a Doctor tool online. Just follow the steps below.

Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Or you can give us a call and we'll send you the directory.

As a member of our plan, you will have access to an online advance care planning resource to create an advance directive where you can combine the elements of a:

- Living will.

- Organ donation form.

You can create your own digital care plan and even include video and audio files. If you already have these documents prepared, you can store them and ensure they are shared with your doctors and care providers 24 hours a day, seven days a week. Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-877-470-4131** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.wellpoint.com/medicare> or call **1-877-470-4131** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
