Simply Freedom (PPO) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits. To join this plan, the following must apply to you:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B.
- You live in our service area.

You can go to any doctor or facility. However, if you stay inside the network, your out-of-pocket costs may be lower. Ask your current doctor if they are in this plan.

Simply Freedom (PPO)

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.
- Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.

This is a Preferred Provider Organization (PPO) plan. That means:

- You can see any doctor or specialist, in or out of our plan, no referrals needed.
- Your costs may be higher if you use doctors outside the plan.

Shop smart and save

If you use a doctor in our plan, your costs will be lower. A doctor can join or leave this plan at any time, so check if they're in-network with our Find a Doctor tool online. Just follow the steps below.

Under **Useful Tools**, choose **Find a Pharmacy** to enter your location and search details. Or you can give us a call and we'll send you the directory.

Case management includes a team of trained nurses, social workers, therapists, and other medical specialists that can help you:

- Plan preventive care.
- Learn ways to manage your symptoms.
- Find community resources.
- Get referrals to other programs we offer.
- Plan for hospital stays or a procedure

Discharge planning includes a special inpatient team that works with your doctor, so you have the services you need after leaving the hospital.

Out-of-network/non-contracted providers are under no obligation to treat Simply Freedom (PPO) members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Simply Healthcare will pay for it.

Simply Healthcare is an LPPO plan with a Medicare contract underwritten by Wellpoint Life & Health Insurance Company, a licensed Florida Health insurer. Enrollment in Simply Healthcare depends on contract renewal.

Overall Star Rating: Plan too new to be measured

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

★★★★★ EXCELLENT

★★★★☆ ABOVE AVERAGE

★★★☆☆ AVERAGE

★★☆☆☆ BELOW AVERAGE

★☆☆☆☆ POOR

More stars mean a better plan – for example, members may get better care and better, faster customer service.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-888-577-0212** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.simplyhealthcareplans.com/medicare> or call **1-888-577-0212** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
