# Which Doctors, Hospitals, and Pharmacies can I use?<sup>2</sup>

Capital Blue Cross Enhanced (PPO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. With our PPO plans, you can also use providers that are not in our network.<sup>3</sup>

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider/pharmacy directory at <u>CapitalBlueMedicare.com</u>. Or call us and we will send you a copy of the provider/pharmacy directories.
