# 1 | About This Plan

## Who can enroll?

This plan is available to anyone who has Medicare and full Medical Assistance from the state (Medicaid). Premiums, copays, coinsurance, and deductibles may vary based on the level of Medicaid and *Extra Help* you receive. Contact the plan for further details.

You can enroll in this plan if you are in one of these Medicaid categories:

### Qualified Medicare Beneficiary (QMB):

While QMB status provides you with Medicaid coverage of your Medicare cost-share, you are not eligible for full Medicaid benefits. This means that Medicaid pays only your Part A and Part B premiums, deductibles and cost-share amounts. Medicaid does not cover your Part D prescription drug copays nor does it pay for services that Medicare Part A or Part B does not cover.

### Qualified Medicare Beneficiary Plus (QMB+):

As a QMB+, not only is your Medicare cost-share covered by Medicaid, but you also are eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles and cost-share amounts. This means you pay your Part D prescription drug copays—and nothing else.

If your category of Medicaid eligibility changes, your cost-share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

## Which doctors, hospitals, and pharmacies can I use?

**Cigna TotalCare Plus (HMO D-SNP)** has a network of doctors, hospitals, and other providers. If you use providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- › You can see our plan's *Provider and Pharmacy Directory* at our website **CignaMedicare.com**.

## What do we cover?

Like all Medicare health plans, we cover everything Original Medicare covers—and more.

- › Our customers get all the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- › You can see the plan's complete *Comprehensive Prescription Drug List*, which lists the Part D prescription drugs along with any restrictions on our website, **CignaMedicare.com**.
- › Or call us, and we will send you a copy of the plan's *Comprehensive Prescription Drug List*.

## Medicare Part D Drugs

### Pharmacy (Part D) Deductible

**\$0** deductible for those who qualify for *Extra Help*.

### Initial Coverage

Most of our customers qualify for and are already getting *Extra Help* from Medicare to pay for their Part D prescription drug costs.

Medicare provides *Extra Help* to pay Part D prescription drug costs for people who have limited income and resources. Resources include your savings and stocks but not your home or car. Those who qualify get help paying for any Medicare drug plan’s monthly premium, yearly deductible, and prescription copayments. This *Extra Help* also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for *Extra Help*. Some people automatically qualify for *Extra Help* and don’t need to apply. Medicare mails a letter to people who automatically qualify for *Extra Help*.

If you have questions about *Extra Help*, call:

- › Your local Social Security office, or
- › Social Security at 1-800-772-1213.  
TTY users should call 1-800-325-0778.

The following chart shows the cost-sharing amounts for Part D drugs covered under this plan for all Part D coverage stages if you get *Extra Help* from Medicare. You may get your drugs at preferred or standard network retail pharmacies and preferred mail order pharmacies:

		Mail Order Cost-Sharing		Retail Cost-Sharing
