This booklet gives you a summary of what our plans cover and what you pay. It doesn't list every service we cover or every limitation or exclusion. For a complete list of covered services, call us and ask for the Evidence of Coverage.

Options for Getting Medicare Benefits

- Original Medicare (fee-for-service), which is run by the federal government
- Medicare Advantage through a private company, like Health Alliance Medicare

Tips for Comparing Medicare Options

Doctors, Hospitals and Pharmacies
Our plans have a large network of doctors, hospitals, pharmacies, and other providers to choose from.

With our POS plans, you must have a primary care provider (PCP) to oversee your care and refer you to the specialists, but you also have the flexibility to see out-of-network providers.

You must use network pharmacies to fill your prescriptions in most cases.

You can see our provider directory and pharmacy directory at our website (healthalliancemedicare.org). You can call us, and we will send you a copy.

What We Cover
Like all Medicare Advantage plans, we cover everything Original Medicare covers, but we also cover more.

For some benefits, you may pay less in our plan than you would in Original Medicare, and for some, you may pay more. This booklet outlines many of our extra benefits and perks that Original Medicare doesn't cover.

We cover the prescriptions drugs listed in our formulary at healthalliancemedicare.org. You can read it online or call us for a copy.

Determining Drug Costs
Each of the drugs we cover is grouped into one of five tiers. The amount you pay depends on the drug's tier and what stage of the benefit you've reached (Initial Coverage, Coverage Gap or Catastrophic Coverage). You can find out what tier your drug is on

in our formulary at healthalliancemedicare.org, and we discuss the benefit stages later in this booklet.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Medicare Sales Associate at 1-888-382-9771 (TTY 711).

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit HealthAllianceMedicare.org or call 1-888-382-9771 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ For HMO-POS plans only: Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.
- ☐ Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.

PART D PRESCRIPTION DRUGS		
You pay the following until your total yearly drug costs reach $5,030. Total yearly drug costs are the total drug costs paid by both you and our Part D plan. Once you have reached this amount, you will move to the next stage (the Coverage Gap Stage).		
Costs may differ based on pharmacy type or status (e.g., mail order, long-term care (LTC) or home infusion, and 30 or 90 day supply. You may get your drugs at network retail pharmacies and mail-order pharmacies. If you reside in a long-term care facility, you pay the same as at a retail pharmacy.		
Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Member Services for more information.		
You won't pay more than $35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible.

Coverage Gap		
Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $5,030. After you enter the coverage gap, for Tier 1, you continue to pay your copay; for Tiers 2-5 you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total $8,000, which is the end of the coverage gap. Our plan offers additional coverage through the gap for select insulins. During the Coverage Gap stage, your out-of-pocket costs for select insulins will be $15 - $35 per month. Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Member Services for more information. You won't pay more than $35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible. Not everyone will enter the coverage gap.		
Catastrophic Coverage		
After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $8,000, you enter a catastrophic coverage stage. During this stage, the plan pays full cost of covered Part D drugs. You pay nothing and will remain in this phase until the end of the plan year.
