Unde	rstanding the Benefits
	The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit <b>Humana.com/medicare</b> or call <b>1-800-833-2364 (TTY: 711)</b> to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the formulary to make sure your drugs are covered.
Unde	rstanding Important Rules
	You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
	<b>Effect on Current Coverage.</b> If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
	Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

## More about Humana Gold Plus H0292-003 (HMO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

### **MyOption (DEN478)**

This dental plan covers certain preventive, basic and major dental services. It is an extra benefit you may choose to add to your Medicare Advantage plan. However, you will have to pay an extra monthly premium for it.

In this plan, you may receive your care from either an in-network or out-of-network dentist. If you use an out-of-network dentist, your share of the cost may be higher.

Monthly Cost	
Monthly Premium	\$44.40
Coverage Information	
Maximum plan benefit (combined in and out-of-network)	<b>\$2,000</b> per calendar year
Deductible	<b>\$0</b> per calendar year

You may receive the following dental services:

Plan covers up to **\$2,000** allowance every year for non-Medicare covered preventive and comprehensive dental services. You are responsible for any amount above the dental coverage limit. Any amount unused at the end of the year will expire.

Your benefit can be used for most dental treatments such as:

- Preventive dental services, such as exams, routine cleanings, etc.
- Basic dental services, such as fillings, extractions, etc.
- Major dental services, such as periodontal scaling, crowns, dentures, root canals, bridges, etc.

Note: The allowance cannot be used on cosmetic services and implants.

Limitations and exclusions may apply. Submitted claims are subject to a review process which may include a clinical review and dental history to approve coverage. Dental benefits under this plan may not cover all ADA procedure codes. Any services received that are not listed will not be covered by the plan and will be the member's responsibility. The member is responsible for any amount above the dental coverage limit. Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire. Information regarding each plan is available at **Humana.com/sb**.

#### **OPTIONAL SUPPLEMENTAL BENEFITS** (continued)

In-network dentists have agreed to provide covered services at contracted rates (per the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member cannot be billed for charges that exceed the negotiated fee schedule (but coinsurance payment still applies).

Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions. Members may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. The coinsurance level will apply to the average negotiated in-network fee schedule INFS or usual and customary fees in your area. See Chapter 2 Payment Requests Contact Information in your Evidence of Coverage or visit **Humana.com** for information on requesting reimbursement.

When visiting an out-of-network provider there could be a difference between Humana's reimbursement and the dentist's charges. Members are responsible for this difference when visiting an out-of-network provider; this is known as balanced billing.

The Mandatory Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at Humana.com > Find a doctor > Select the Dentist icon from the menu > From the Distance drop down select the preferred distance > Enter Zip code > From the look up method select All Dental Networks > Then select HumanaDental Medicare.

Humana is a Medicare Advantage HMO plan with a Medicare contract. Enrollment in this Humana plan depends on contract renewal. Humana MyOption Optional Supplemental Benefits (OSB) are only available to members of certain Humana Medicare Advantage (MA) plans. Members of Humana plans that offer OSBs may enroll in OSBs throughout the year. Benefits may change on January 1st each year. Enrollees must use network providers for specific OSBs when stated in the Évidence of Coverage (EOC); otherwise, covered services may be received from non-network providers at a higher cost. Enrollees must continue to pay the Medicare Part B premium, their Humana premium, and the OSB premium. Humana.
