## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-794-4105 (TTY: 711)**.

### Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **CarePlusHealthPlans.com/Plans** or call **1-800-794-4105 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.

## More about CareComplete Platinum (HMO C-SNP)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your CarePlus membership card to make your provider aware that you may have additional coverage. Your services are paid first by CarePlus and then by Medicaid.

As a member you must select an in-network doctor in your service area listed in this document to act as your Primary Care Provider (PCP). CareComplete Platinum (HMO C-SNP) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services. You also have access to Care Managers. Care Managers are nurses or care coordinators who are skilled at helping to improve your quality of life by providing proactive support and coordinating key services to help you better manage your health. If you're managing a serious illness or chronic condition, we'll be there to support you and your doctor's plan for care.
