Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

OPTIONAL SUPPLEMENTAL BENEFITS (continued)

Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire. Information regarding each plan is available at **Humana.com/sb**.

In-network dentists have agreed to provide covered services at contracted rates (per the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member cannot be billed for charges that exceed the negotiated fee schedule (but coinsurance payment still applies).

Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions. Members may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. The coinsurance level will apply to the average negotiated in-network fee schedule INFS or usual and customary fees in your area. See Chapter 2 Payment Requests Contact Information in your Evidence of Coverage or visit **Humana.com** for information on requesting reimbursement.

When visiting an out-of-network provider there could be a difference between Humana's reimbursement and the dentist's charges. Members are responsible for this difference when visiting an out-of-network provider; this is known as balanced billing.

The provider locator can be found at **Humana.com > Find a doctor > Select the Dentist icon from the menu > From the Distance drop down select the preferred distance > Enter Zip code > From the look up method select All Dental Networks > Then select HumanaDental Medicare.**
