## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

## More about Humana Gold Choice H8145-122 (PFFS)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP). Humana Gold Choice H8145-122 (PFFS) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, you may be subject to higher copayments/coinsurance.

Limitations and exclusions may apply. Submitted claims are subject to a review process which may include a clinical review and dental history to approve coverage. Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions. Members may be billed by the out-of-network provider for any amount greater than the payment made by Humana to

the provider. Please see below for provider locator instructions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. The coinsurance level will apply to the usual and customary fees in your area. See Chapter 2 Payment Requests Contact Information in your Evidence of Coverage or visit **Humana.com** for information on requesting reimbursement.

When visiting an out-of-network provider there could be a difference between Humana's reimbursement and the dentist's charges. Members are responsible for this difference when visiting an out-of-network provider; this is known as balanced billing.

The Mandatory Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at **Humana.com** > Find a doctor > Select the Dentist icon from the menu > Enter Zip code > From the Distance drop down select the preferred distance > From the look up method select All Dental Networks > Then select HumanaDental Medicare.
