Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-706-0872 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Prescription Drug plan, your current Medicare Prescription Drug healthcare coverage will end once your new Medicare Prescription Drug coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Prescription Drug coverage starts. Please contact Tricare for more information.
