### Which doctors, hospitals, and pharmacies can I use?

**Saint Alphonse Health Plan Cash Back No Premium 1 (HMO)**, **Saint Alphonse Health Plan No Premium (HMO)** and **Saint Alphonse Health Plan Cash Back No Premium 2 (HMO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website ([www.saintalphonsus.org/medicare/find-a-provider](http://www.saintalphonsus.org/medicare/find-a-provider)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

### What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.saintalphonsus.org/medicare/pharmacy-and-drug-benefits/formulary](http://www.saintalphonsus.org/medicare/pharmacy-and-drug-benefits/formulary).
- Or, call us and we will send you a copy of the formulary.

### How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, Coverage Gap and Catastrophic Coverage.

Enrollment in **Saint Alphonsus Health Plan Cash Back No Premium 1 (HMO), Saint Alphonsus Health Plan No Premium (HMO) and Saint Alphonsus Health Plan Cash Back No Premium 2 (HMO)** depends on contract renewal.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premiums and/or copayments/coinsurance may change on January 1 of each year.

You must continue to pay your Medicare Part B premium.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Out-of-network/non-contracted providers are under no obligation to treat Saint Alphonsus Health Plan members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. ## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-800-964-4525 (TTY 711).

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.saintalphonsus.org/medicare/for-members/view-coverage-benefits](http://www.saintalphonsus.org/medicare/for-members/view-coverage-benefits) or call 1-800-964-4525 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Effect on Current Coverage.** Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
