Summary of Benefits

Nevada

Wellcare Dual Access (HMO D-SNP)

H6446 | 016

We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare Dual Access (HMO D-SNP) from January 1, 2024 to December 31, 2024.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare.com/allwellNV. To request a copy, please call 1-844-917-0175 (TTY 711): Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party. To be eligible, the beneficiary must also be a United States citizen or lawfully present in the United States.

Our service area includes these counties in Nevada: Carson City, Churchill, Douglas, Lyon, Storey, and Washoe.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Our plans give you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.wellcare.com/allwellNV (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor our plan will be responsible for the costs.)

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Dual Access (HMO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. With some plans, if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory, and for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/allwellNV.

For more information, please call us at 1-844-917-0175 (TTY users should call 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones). Visit us at www.wellcare.com/allwellNV.

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). Please call Member Services if you need plan information in another format.

To be eligible

This plan is available to anyone who has both Medical Assistance from the State and Medicare.

To be eligible for this plan you must meet the following special needs criteria:

H6446016000 Wellcare Dual Access (HMO D-SNP) - FBDE, QMB, QMB+

Refer to "Medicare Savings Program (MSP) Levels" section below for a description of all MSP levels. Premiums, copayments, coinsurance, and deductibles may vary based on your Medicaid eligibility category and/or the level of Extra Help you receive.

Dual Eligible Special Needs Plan (DSNPs) are specialized Medicare Advantage plans that provide healthcare benefits for beneficiaries that have both Medicare and Medicaid coverage. Beneficiaries must meet certain income and resource requirements with eligibility and scope of benefits offered determined by the state where the plan is offered.

You must also be enrolled in the Nevada Medicaid plan. Premiums, copayments, coinsurance, and deductibles may vary based on your Medicaid eligibility category and/or the level of Extra Help you receive. Your Part B premium is paid by the State of Nevada for full-dual enrollees. Please contact the plan for further details.

Understanding Dual Eligibility

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid benefits are valuable because the state provides additional healthcare coverage and financial support based on your Medicare Savings Program (MSP) aid level. Medicaid coverage varies depending on the state and the type of Medicaid you have. What you pay for covered services may depend on your level of Medicaid eligibility. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people may also get coverage for additional services and drugs that are covered under Medicaid but not by Medicare.

Medicare Savings Program (MSP) Levels

- **Full-Benefit Dual Eligible (FBDE):** Medicaid may pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. Eligible beneficiaries also receive full Medicaid benefits.
- **Qualified Medicare Beneficiary (QMB):** Medicaid will pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. Some people with QMB are also eligible for full Medicaid benefits (QMB+)

- ***Specified Low-Income Medicare Beneficiary (SLMB)***: Medicaid will absorb the cost of your Medicare Part B Premiums. Some people with SLMB are also eligible for full Medicaid benefits (SLMB+)
- ***Qualified Individual (QI)***: Medicaid will pay costs associated with Medicare Part B
- ***Qualified Disabled Working Individual (QDWI)***: Medicaid will pay costs associated with Medicare Part A

Note: Some MSP levels automatically qualify for “Extra Help” for Medicare prescription drug coverage assistance. Some states do not cover Parts A & B cost sharing.

What is “Extra Help?”

A Low Income Subsidy (LIS), also referred to as “Extra Help,” may be available to help you with Part D out-of-pocket expenses such as premiums, deductibles, coinsurance, or copayments. Many people qualify for the “Extra Help” Program and don’t even know it. Keep in mind that assistance may also depend on your Medicare Savings Program (MSP) level and your dual eligible status.

If you have questions about your Medicaid eligibility and what benefits you are entitled to, call the number listed on the back cover of this document.

Comprehensive Written Statement for Prospective Enrollees

The benefits described in the Premium and Benefit section of the Summary of Benefits are covered by our Wellcare Dual Access (HMO D-SNP). For each benefit listed, you can see what our plan covers. What you pay for covered services may depend on your level of Medicaid eligibility. Coverage of the benefits described in this Summary of Benefits depends upon your level of Medicaid eligibility. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call Nevada Medicaid toll-free at 1-877-638-3472 (TTY: 711).

For the most current Nevada Medicaid coverage information, please visit <https://www.medicaid.nv.gov/> or call Member Services for assistance.

What Benefits Are Covered?

- Waiver Programs - help people with special needs (elderly/people with physical and intellectual disabilities, for example) stay in their communities. Eligibility requirements must be met and services are not an entitlement (not a regular benefit).

This Section gives you more information about benefits.

Ambulance/Emergency Transportation

If you have a medical emergency, call 911 for an ambulance. Medicaid and NCU (Nevada Check Up) will cover air and ground ambulance services in an emergency.

Birth Control & Family Planning

Talk to your doctor or clinic about family planning. You can get family planning services from any provider who accepts Medicaid and NCU. You do not need a referral. You may get some types of birth control in your doctor's office. For others, your doctor will write a prescription. These forms of birth control are covered by Medicaid and NCU:

- Birth control pills
- Condoms
- Creams
- Diaphragms
- Foams
- IUDs
- Shots (ex. Depo-Provera)
- Sponges

Dental Benefits

Adults (Medicaid only): Emergency, palliative, some prosthetic care; qualified pregnant women— adult benefits and some expanded benefits. Children (under 21) get full coverage, with some (limited) orthodontia. Dentists need prior approval from Medicaid or NCU for some of the benefits.

Disposable Medical Supplies, Durable Medical Equipment, Orthotics & Prosthetics

Medicaid and NCU cover many medical supplies that are ordered by your doctor for a medical reason. For example, some supplies which may be covered are:

- Incontinent supplies (adult diapers)
- Wheelchair, canes, crutches and walkers
- Prosthetic orthotic devices

- Wound care supplies
- Insulin pump
- Oxygen

Talk to your doctor if you need medical supplies. Your doctor may write a prescription for you to take to a medical supply company. The medical supplier must get prior approval from Medicaid and NCU for some items.

Doctor Visits

Medicaid and NCU pay for you to see a doctor or visit an Urgent Care Clinic when you are having health problems. It is important for you to see your primary care physician whenever possible for regular treatment so he/she has an updated medical history. If needed, your doctor may refer you to a specialist.

Emergency Room

Call 911 in an emergency, or go to the emergency room right away. You will need to call your doctor when the emergency is over. Your doctor must provide any follow up care you need after the emergency. If it is not an emergency and your primary care provider is not available, go to an urgent care clinic.

Eye Exams and Eyeglasses

Medicaid/NCU covers care for eye diseases, eye surgery that is medically necessary, eye exams and prescription eyeglasses. Medicaid pays for eye exams and eyeglasses only once every 12 months. Your provider will show you frames you may choose from that are covered in full. If you choose more expensive frames, you must pay the difference between what Medicaid and NCU pay and the cost of the frames you've chosen. Make sure you sign an agreement in advance if you are going to pay for more expensive frames. Medicaid/NCU does not cover contact lenses, except under certain cases when they are medically necessary.

Healthy Kids or Early Periodic Screening Diagnosis and Treatment (EPSDT)

Healthy Kids, also known as EPSDT, is a special benefit for children on Medicaid/NCU. Some problems start before your child looks or feels sick. Your doctor can find and treat these problems early, before they become serious, with regular "well-child" exams. Healthy Kids also covers dental check-ups. Almost everyone from birth through age 20 who gets Medicaid/NCU can get Healthy Kids-covered services. These services include:

- Well-child exams by your child's doctor. This is a head-to-toe exam including health history, eating habits, vision and hearing exams, mental health evaluation and a growth and development check;
- Shots (vaccines) to keep your child healthy;
- Dental checkups. A complete exam and cleaning (covered through age 20) twice a year, or more often if your child's dentist recommends it;
- Fluoride treatment and sealants;
- Follow-up treatment and care if a health problem is found during an exam;
- Lead testing and other laboratory tests; and

- If needed, free transportation to any Medicaid-approved medical appointments. (Does not apply to NCU recipients.)

When should your child have a well-child exam?

- Newborns – as soon as possible after birth
- Infants – at one, two, four, six, nine and 12, 15, 18, 24, and 30 months
- Toddlers to young adults (3-20 years old) every year

Hearing Tests

Newborn hearing tests are included in the newborn hospital stay. Childhood hearing tests are part of a Healthy Kids/EPSTD exam. Other hearing tests are covered for both children and adults, if they are medically necessary.

Home- and Community-based Services

These services help you receive the medical care you need so you can stay in your home. They include adult day health care, personal care services, home health care, private-duty nursing and partial hospitalization. These services are for people who need assistance because they have ongoing mental health illnesses. If you need these services, you will need to have an evaluation to make sure you or your loved one meets the eligibility requirements and that they are medically necessary.

Home Health Care

Home health care is for people who need special, in-home services like skilled nursing, physical therapy, occupational therapy or speech therapy. If you think you need home health care, talk to your doctor. Your doctor will submit an order to a home health agency of your choice who is enrolled with Medicaid. The home health agency will contact Medicaid or NCU for prior approval.

Hospice Care

Hospice services can give you or a family member support and comfort when someone is at the end of their life. The hospice takes care of your physical, emotional and spiritual needs in a specialized hospice facility, a nursing facility, an Intermediate Care Facility (ICF) or in your home. Different kinds of specialists can help your family deal with the final stages of illness, dying and grieving.

Hospital Care

Both inpatient and outpatient hospital care are covered. Before you use hospital services, get a referral from your doctor.

Lab and Radiology Services

Lab and radiology (X-ray) services are covered; they may be done in your doctor's office, or your doctor may refer you to another clinic, lab or hospital.

Maternity Care

If you think you are pregnant, see a doctor as soon as possible. Early maternity care will help you give birth to a healthy baby. You may choose to see a specialist such as an Obstetrical/ Gynecological (OB/GYN) physician or a certified nurse midwife. Medicaid covers medically necessary Caesarian-sections but does not pay for C-sections done for the convenience of the mother or the physician. Covered services include:

- Prenatal visits, lab work and necessary tests (such as ultrasound)
- The hospital stay
- Labor and delivery
- The second- and/or sixth-week checkup after the birth
- Anesthesia (pain treatment)
- Birth control/family planning

You can stay in the hospital up to 72 hours after a normal birth and up to 96 hours after a C- section. You can choose a shorter stay if you and your doctor agree. Your baby may be covered by Medicaid for the first year of life if you are able to get Medicaid when your baby is born. Contact your DWSS caseworker as soon as possible to report the birth of your baby. For your baby to be covered for NCU services from their birth, you must notify DWSS within 14 days of the delivery. If you have temporary coverage for the newborn and they are qualified for NCU, coverage will begin the first day of the next administrative month. For example, if your baby is born on September 15, and the mother has other insurance coverage for 30 days (until October 15), the newborn would not be enrolled in NCU until November 1. Your newborn cannot receive coverage which predates another family member's earliest current enrollment. Your child can stay covered by NCU if the parent meets the income requirement yearly, keeps premium payments current and the child meets other eligibility requirements.

Midwife Services

You may choose to use a midwife during your pregnancy. You must choose a certified and licensed midwife who is a Medicaid or NCU provider. Some certified midwives can deliver babies in a birthing center or in the hospital, in case of an emergency during delivery.

Mental Health/Substance Abuse Services

These are benefits you may receive to treat an acute (short-term) or chronic (continuing for a long time) behavioral health disorder. Some of these services include:

- Inpatient/Outpatient services
- Psychiatric evaluations
- Medication management
- Psychological testing
- Inpatient alcohol/substance abuse detoxification services
- Individual and group therapy
- Emergency hospital care
- Crisis intervention
- Outpatient alcohol/substance abuse detoxification services

Nursing Home Services

Nursing facilities provide health care services on a 24-hour basis to people who have medical problems or injuries that cannot be managed at home. If you or a family member has cognitive impairments (problems with things like memory, perception, judgment and reasoning) or behavioral impairments, a nursing facility can provide help. This assistance can help you with medical care, nursing care, rehabilitative services and psychosocial management or a combination of those services.

Out-of-state nursing facility services are offered to residents when:

- You cannot be placed in a Nevada nursing facility;
- You live on or near a Nevada border and it is more practical for you to receive medical service from an out-of-state provider.

Occupational Therapy

Occupational therapy helps improve your medical condition or helps you learn or relearn a task after serious illnesses, injuries or disabilities. Your doctor's order must be submitted to an occupational therapist who accepts Medicaid or NCU.

Over-the-counter Drugs

If your doctor prescribes them, you can get over-the-counter medicines, like antacids, aspirin, acetaminophen, and medicine for coughs, colds and allergies. Take the prescription to the pharmacy and Nevada Medicaid will pay for the medicine.

Personal Care Services

The Personal Care Services program helps people with disabilities or long-lasting illnesses live independently in their home. These services are for people who do not have someone legally responsible to help them. A Personal Care Attendant (PCA) helps people with tasks like bathing, dressing and toileting, and may also help with making meals,

shopping for essential things like food, laundry and light housekeeping. The type of service and number of hours allowed are based on medical need. A physical or occupational therapist will do an evaluation.

Physical Therapy

You can get physical therapy for some serious illnesses, injuries or disabilities if it will improve your medical condition. It must be ordered by your doctor, who will authorize a physical therapist who accepts Medicaid or NCU.

Prescription Drugs

Medicaid and NCU cover many prescription drugs. Some prescriptions require prior authorization. There is a list of preferred drugs for your physician to choose from. Prescriptions for weight loss and drugs you use for cosmetic and experimental reasons are not covered. If you are on Medicare and Medicaid, most of your prescriptions must be provided by Medicare. Medicaid will cover the items Medicare may not cover, including some over-the-counter medications.

Private Duty Nursing

Private duty nursing can help you get more individual and continuous care than you would from a visiting nurse. The program helps you stay safely at home rather than in a facility like a nursing home. You must have a doctor's order for private duty nursing.

Speech & Hearing Services

If you have serious speech or hearing problems, see your doctor. Your doctor may refer you to a speech therapist or an audiologist. Some services covered by Medicaid or NCU are:

- Hearing tests
- Hearing aids
- Hearing aid batteries
- Speech therapy

Tobacco Cessation

Products to help you stop using tobacco are covered. You must get a prescription from your doctor and take it to a pharmacy. Prescription and over-the-counter medication like patches and lozenges are covered. So is tobacco-cessation counseling, as part of an office visit to your doctor.

Transportation Services (non-emergency)

Medicaid provides rides to medical appointments, called Non-Emergency Transportation (NET). This service is provided through a transportation company that Medicaid contracts with.

Transportation is not covered for NCU recipients. You can get rides to be treated for a Medicaid- covered service. You should arrange for rides at least five days in advance. The company may help you get public transportation. For urgent care trips, the transportation company must provide you with a ride on the same day you call. If you have to cancel your doctor's appointment, please remember to cancel your transportation. The doctor's office will not cancel it for you.

Prior Authorization by the transportation company is required.

Vaccines

All medically recommended childhood and adult vaccines are covered.

Waiver Programs

If you have special needs, you may qualify for more benefits through waiver programs. Waivers allow Medicaid to pay for support and services to help you, and as a result may enable you to live safely in your own home or community rather than in a nursing facility or other institution. Waiver services include:

- Emergency response systems
- Homemaker services
- Group homes
- Day treatment centers
- Adult day care
- Family support
- Home-delivered meals
- Respite care for family members who need a break from caring for disabled or elderly family members

These programs are for people who meet the program requirements, like those who are aged or who have physical or intellectual disabilities. There is a set number of people who can be on these programs. For information about how to apply for one of the waiver programs, call the Medicaid District Office in your area.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-844-917-0175 (TTY: 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

Understanding the Benefits

- ❑ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.wellcare.com/allwellNV or call 1-844-917-0175 (TTY: 711) to view a copy of the EOC. Hours are Monday - Sunday, 8 am - 8 pm (all time zones).
- ❑ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ❑ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ❑ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ❑ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ❑ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- ❑ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ❑ **For HMO, CSNP and DSNP plans:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ❑ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
