What you should know

- **Plan type:** Aetna Medicare Dual Complete (PPO D-SNP) is a D-SNP plan. This is a Medicare Advantage plan that covers prescription drugs. You can use in-network and out-of-network providers. You will typically pay more for out-of-network care.
- **D-SNP information:** Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us, instead of the federal government. We cover everything that Original Medicare covers and we provide additional benefits and services too.
- **Primary Care Provider (PCP):** A PCP is important to help coordinate your care. We require you to select a PCP. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal.
- **Referrals:** Aetna Medicare Dual Complete (PPO D-SNP) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your provider in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit [AetnaMedicare.com/H3288-053](https://www.aetna.com/medicare/H3288-053). The Contact Quick Reference chart at the end of this document contains important phone numbers and websites. For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE (1-800-633-4227) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

Summary of Medicaid Benefits

Here's a quick look at what's covered by Aetna Medicare Dual Complete (PPO D-SNP) and your state Medicaid program.

Below is a summary of your Medicaid and Aetna Medicare Dual Complete (PPO D-SNP) benefits. If you qualify for Medicare and Medicaid (or "Medical Assistance"), you're "dual eligible." This means you're eligible for benefits under both the federal Medicare program **and** the Oklahoma Medicaid program.

What you pay for covered services may depend on your level of Medicaid eligibility. If you meet the state's requirements for **full** Medicaid coverage, you may also receive Medicaid services not covered by Medicare. If you have questions about your Medicaid eligibility and what benefits you're entitled to, or for a full list of your covered Medicaid benefits, just call your SoonerCare Medicaid program.

The table below gives you a summary of the benefits Medicaid covers. Aetna Medicare Dual Complete (PPO D-SNP) covers the benefits we described earlier in the Medical and hospital benefits section. For each benefit listed below, you can see what Medicaid covers and what our plan covers. **Keep in mind:** Medicaid may cover additional benefits that are not listed below. There may be limits for some services. If you need a service that is only covered by Medicaid, the provider you pick needs to be enrolled with Medicaid.

See *Evidence of Coverage* for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our member services number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

For mail order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 10 days. You can call 1-866-409-1221 (TTY: [711](tel:711)) 8 AM to 8 PM, 7 days a week if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign up for automated mail-order delivery.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
