Anthem Blue Cross Partnership Plan - H4471

**For 2024, Anthem Blue Cross Partnership Plan - H4471 received the following Star Ratings from Medicare:**

**Overall Star Rating:** Plan too new to be measured

**Health Services Rating:** Plan too new to be measured

**Drug Services Rating:** Plan too new to be measured

*\*Some plans do not have enough data to rate performance.*

**Every year, Medicare evaluates plans based on a 5-star rating system.**

### Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- ☐ Feedback from members about the plan's service and care
- ☐ The number of members who left or stayed with the plan
- ☐ The number of complaints Medicare got about the plan
- ☐ Data from doctors and hospitals that work with the plan

**The number of stars show how well a plan performs.**

★★★★★ EXCELLENT

★★★★☆ ABOVE AVERAGE

★★★☆☆ AVERAGE

★★☆☆☆ BELOW AVERAGE

★☆☆☆☆ POOR

More stars mean a better plan – for example, members may get better care and better, faster customer service.

# Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-309-6996** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

## Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare/ca> or call **1-844-309-6996** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
