

January 1 - December 31, 2025

EVIDENCE OF COVERAGE

Your Medicare Health Benefits and Services and Prescription Drug Coverage as a Member of Cigna Preferred Full Savings Medicare (HMO)

This document gives you the details about your Medicare health care and prescription drug coverage from January 1 – December 31, 2025. **This is an important legal document. Please keep it in a safe place.**

For questions about this document, please contact Customer Service number at 1-800-627-7534 for additional information. (TTY users should call 711.) Hours are October 1 – March 31, seven days a week, 8 a.m. – 8 p.m. local time. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time (a voicemail system is available on weekends and holidays).

This plan, Cigna Preferred Full Savings Medicare (HMO), is offered by Cigna HealthcareSM. (When this *Evidence of Coverage* says "we," "us," or "our," it means Cigna Healthcare. When it says "plan" or "our plan," it means Cigna Preferred Full Savings Medicare (HMO).)

This document is available for free in Spanish.

To get information from us in a way that works for you, please call Customer Service. We can give you information in braille, in large print, or other alternate formats if you need it.

Benefits, and/or copayments/coinsurance may change on January 1, 2026.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. We will notify affected enrollees about changes at least 30 days in advance.

This document explains your benefits and rights. Use this document to understand about:

□Your plan premium and cost sharing ;
□Your medical and prescription drug benefits;
☐ How to file a complaint if you are not satisfied with a service or treatment
☐ How to contact us if you need further assistance; and,
☐Other protections required by Medicare law.

CHAPTER 12:	Definitions of Important words	123

CHAPTER 1:

Getting started as a member

SECTION 1 Introduction

Section 1.1 You are enrolled in Cigna Preferred Full Savings Medicare (HMO), which is a Medicare HMO

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, Cigna Preferred Full Savings Medicare (HMO). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

Cigna Preferred Full Savings Medicare (HMO) is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) approved by Medicare and run by a private company.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/Individuals-and-Families for more information.

Section 1.2 What is the *Evidence of Coverage* document about?

This *Evidence of Coverage* document tells you how to get your medical care and prescription drugs. It explains your rights and responsibilities, what is covered, what you pay as a member of the plan, and how to file a complaint if you are not satisfied with a decision or treatment.

The words *coverage* and *covered services* refer to the medical care and services and the prescription drugs available to you as a member of Cigna Preferred Full Savings Medicare (HMO).

It's important for you to learn what the plan's rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* document.

If you are confused, concerned or just have a question, please contact Customer Service.

Section 1.3 Legal information about the Evidence of Coverage

This Evidence of Coverage is part of our contract with you about how Cigna Preferred Full Savings Medicare (HMO) covers your care. Other parts of this contract include your enrollment form, the List of Covered Drugs (Formulary), and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or amendments.

The contract is in effect for the months in which you are enrolled in Cigna Preferred Full Savings Medicare (HMO) between January 1, 2025 and December 31, 2025.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of Cigna Preferred Full Savings Medicare (HMO) after December 31, 2025. We can also choose to stop offering the plan in your service area, after December 31, 2025.

Medicare (the Centers for Medicare & Medicaid Services) must approve Cigna Preferred Full Savings Medicare (HMO) each year. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- ☐ You have both Medicare Part A and Medicare Part B
- ☐— and you live in our geographic service area (Section 2.2 below describes our service area)
- ☐— and you are a United States citizen or are lawfully present in the United States

Section 2.2 Here is the plan service area for Cigna Preferred Full Savings Medicare (HMO)

Cigna Preferred Full Savings Medicare (HMO) is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Chapter 1. Getting started as a member

Our service area includes these counties in Arizona: Maricopa, Pima, Pinal

If you plan to move out of the service area, you cannot remain a member of this plan. Please contact Customer Service to see if we have a plan in your new area. When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

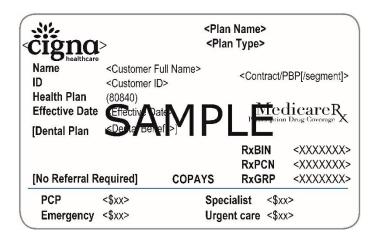

Section 2.3 U.S. Citizen or Lawful Presence

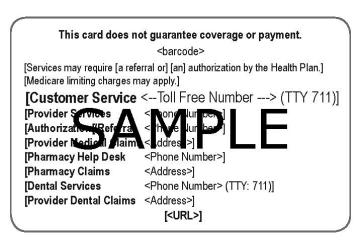

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify our plan if you are not eligible to remain a member on this basis. Cigna Healthcare must disenroll you if you do not meet this requirement.

SECTION 3 Important membership materials you will receive

Section 3.1 Your plan membership card

While you are a member of our plan, you must use your membership card whenever you get services covered by this plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card, if applicable. Here's a sample membership card to show you what yours will look like:

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your Cigna Preferred Full Savings Medicare (HMO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies, also called clinical trials.

If your plan membership card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card. Phone numbers for Customer Service are printed on the back cover of this document.

Section 3.2 Provider and Pharmacy Directory: Your guide to all providers in the plan's network

The *Provider and Pharmacy Directory* lists our current network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full. You must use network providers to get your medical care and services. If you go elsewhere without proper authorization, you will have to pay in full. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers.

The most recent list of providers and suppliers is available on our website at www.cignamedicare.com. If you don't have your copy of the *Provider and Pharmacy Directory*, you can request a copy (electronically or in hardcopy form) from Customer Service. Requests for a hard copy *Provider and Pharmacy Directory* will be mailed to you within three business days.

Section 3.3 Provider and Pharmacy Directory: Your guide to pharmacies in our network

The *Provider and Pharmacy Directory* (www.CignaMedicare.com/resources) lists our network pharmacies. **Network pharmacies** are all of the pharmacies that have agreed to fill covered prescriptions for our plan members. You can use the *Provider and Pharmacy Directory to* find the network pharmacy you want to use. See Chapter 5, Section 2.5 for information on when you can use pharmacies that are not in the plan's network.

The *Provider and Pharmacy Directory* will also tell you which of the pharmacies in our network have preferred cost sharing, which may be lower than the standard cost sharing offered by other network pharmacies for some drugs.

If you don't have the *Provider and Pharmacy Directory*, you can get a copy from Customer Service. You can also find this information on our website at www.cignamedicare.com.

Section 3.4 The plan's List of Covered Drugs (Formulary)

The plan has a *List of Covered Drugs (Formulary)*. We call it the Drug List for short. It tells which Part D prescription drugs are covered under the Part D benefit included in our plan. The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the plan Drug List.

The Drug List also tells you if there are any rules that restrict coverage for your drugs.

We will provide you a copy of the Drug List. The Drug List we provide you includes information for the covered drugs that are most commonly used by our members. However, we cover additional drugs that are not included in the provided Drug List. If one of your drugs is not listed in the Drug List, you should visit our website or contact Customer Service to find out if we cover it. To get the most complete and current information about which drugs are covered, you can visit the plan's website (www.cignamedicare.com) or call Customer Service.

SECTION 4 Your monthly costs for your plan

Your costs may include the following:

□Plan Premium	(Section 4	.1))
---------------	------------	-----	---

☐ Monthly Medicare Part B Premium (Section 4.2)

∟Part D	Late Enro	oliment i	enaity	(Section 4.	.෮)
---------	-----------	-----------	--------	-------------	-----

□ Income Related Monthly Adjusted Amount (Section 4.4)

☐ Medicare Prescription Payment Plan Amount (Section 4.5)

Section 4.1 Plan premium

You do not pay a separate monthly plan premium for your plan.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

You must continue paying your Medicare premiums **to remain a member of the plan**. This includes your premium for Part B. It may also include a premium for Part A, which affects members who aren't eligible for premium-free Part A.

The plan will reduce your monthly Medicare Part B premium by up to \$174.70. This is administered by the Social Security Administration (SSA) automatically. You will see the savings in your Social Security check or Part B statement. Initially, it may take several months before you see this reduction, but you will be reimbursed for all months.

Section 4.3 Part D Late Enrollment Penalty

Some members are required to pay a Part D late enrollment penalty. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there is a period of 63 days or more

Chapter 1. Getting started as a member

in a row when you did not have Part D or other creditable prescription drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage. When you first enroll in our plan, we let you know the amount of the penalty.

You will not have to pay it i	You	will	not	have	to	pav	it	if
-------------------------------	-----	------	-----	------	----	-----	----	----

- ☐ You receive "Extra Help" from Medicare to pay for your prescription drugs.
- ☐ You have gone less than 63 days in a row without creditable coverage.
- □You have had creditable drug coverage through another source such as a former employer, union, TRICARE, or Veterans Health Administration (VA). Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information because you may need it if you join a Medicare drug plan later.
 - Note: Any notice must state that you had creditable prescription drug coverage that is expected to pay as much as Medicare's standard prescription drug plan pays.
 - Note: The following are not creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.

Medicare determines the amount of the penalty. Here is how it works:

- □ If you went 63 days or more without Part D or other creditable prescription drug coverage after you were first eligible to enroll in Part D, the plan will count the number of full months that you did not have coverage. The penalty is 1% for every month that you did not have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- □ Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2025, this average premium amount is \$36.78.
- □To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium and then round it to the nearest 10 cents. In the example here it would be 14% times \$36.78, which equals \$5.14. This rounds to \$5.10. This amount would be added to the monthly premium for someone with a Part D late enrollment penalty.

There are three important things to note about this monthly Part D late enrollment penalty:

- □ First, **the penalty may change each year**, because the average monthly premium can change each year.
- □ Second, **you will continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- □Third, if you are <u>under</u> 65 and currently receiving Medicare benefits, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review. Generally, you must request this review within 60 days from the date on the first letter you receive stating you have to pay a late enrollment penalty. However, if you were paying a penalty before joining our plan, you may not have another chance to request a review of that late enrollment penalty.

Section 4.4 Income Related Monthly Adjustment Amount

Some members may be required to pay an extra charge, known as the Part D Income Related Monthly Adjustment Amount, also known as IRMAA. The extra charge is figured out using your modified adjusted gross income as reported on your IRS tax return from two years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit https://www.medicare.gov/drug-coverage/monthly-premium-for-drug-plans.

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn't enough to cover

the extra amount owed. If your benefit check isn't enough to cover the extra amount, you will get a bill from Medicare. You must pay the extra amount to the government. It cannot be paid with your monthly plan premium. If you do not pay the extra amount you will be disenrolled from the plan and lose prescription drug coverage.

If you disagree about paying an extra amount, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at 1-800-772-1213 (TTY 1-800-325-0778).

Section 4.5 Medicare Prescription Payment Plan Amount

If you're participating in in the Medicare Prescription Payment Plan, each month you'll pay your plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2, Section 7 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

SECTION 5 More information about your monthly premium

Section 5.1 If you pay a Part D late enrollment penalty, there are several ways you can pay your penalty

There are three ways you can pay the penalty. At the time of enrollment you can choose your payment option on your enrollment form. If you later change your mind about how you want to pay, you can call Cigna Healthcare at 1-800-627-7534 (TTY:711), 8 a.m. – 8 p.m. local time, 7 days a week October 1 to March 31, Monday to Friday April 1 to September 30 for further instructions on how to change your payment option.

Option 1: Paying by check

Under this option, you will receive a monthly statement for your Part D late enrollment penalty no later than the end of the month after your effective date. Please include your statement along with your check for the appropriate amount. Payments are due the first of every month. Please make all checks payable to Cigna Healthcare, not Medicare or the Department of Health & Human Services.

Option 2: You can make payments online

You can pay your Part D late enrollment penalty by using Cigna Healthcare's secure online payment system, which allows you to set up automatic payments or make a one-time payment at your convenience. Our secure online payment system is available 24 hours a day, 7 days a week, and can be found online at www.cignamedicare.com/paymybill. If you have questions about this payment option, please contact Customer Service at the phone number listed on the back of this document.

Option 3: Having your Part D late enrollment penalty taken out of your monthly Social Security check

You can have the plan premium taken out of your monthly Social Security check. Contact Customer Service for more information on how to pay your plan premium this way. We will be happy to help you set this up.

Changing the way you pay your Part D late enrollment penalty. If you decide to change the option by which you pay your Part D late enrollment penalty, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your Part D late enrollment penalty is paid on time. To change your payment method, contact Customer Service.

What to do if you are having trouble paying your late enrollment penalty

Your Part D late enrollment penalty is due in our office by the first day of the month. If you are required to pay a Part D late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you are having trouble paying your Part D late enrollment penalty, if owed, on time, please contact Customer Service to see if we can direct you to programs that will help with your costs.

Section 5.2 Can we change your monthly plan premium during the year?

No. We are not allowed to change the amount we charge for the plan's monthly plan premium during the year. If the monthly plan premium changes for next year we will tell you in September and the change will take effect on January 1.

Chapter 1. Getting started as a member

However, in some cases, you may need to start paying or may be able to stop paying a late enrollment penalty, if owed, or need to start paying a late enrollment penalty. This could happen if you become eligible for the "Extra Help" program or if you lose your eligibility for the "Extra Help" program during the year:

- □ If you currently pay the Part D late enrollment penalty and become eligible for "Extra Help" during the year, you would be able to stop paying your penalty.
- □ If you lose "Extra Help," you may be subject to the late enrollment penalty if you go 63 days or more in a row without Part D or other creditable prescription drug coverage.

You can find out more about the "Extra Help" program in Chapter 2, Section 7.

SECTION 6 Keeping your plan membership record up to date

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage, including your Primary Care Provider/Medical Group/IPA. A Medical Group is an association of primary care providers (PCPs), specialists and/or ancillary providers, such as therapists and radiologists. An Independent Physician Association, or IPA, is a group of primary care and specialty care physicians who work together in coordinating your medical needs.

The doctors, hospitals, pharmacists, and other providers in the plan's network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost sharing amounts for you**. Because of this, it is very important that you help us keep your information up to date.

Let us know about these changes:

□ Changes to your name, your address, or your phone number
□ Changes in any other health insurance coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
☐ If you have any liability claims, such as claims from an automobile accident
☐ If you have been admitted to a nursing home
□ If you receive care in an out-of-area or out-of-network hospital or emergency room
□ If your designated responsible party (such as a caregiver) changes
□ If you are participating in a clinical research study (Note: You are not required to tell your plan about the clinical research studies you intend to participate in, but we encourage you to do so)

If any of this information changes, please let us know by calling Customer Service.

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

SECTION 7 How other insurance works with our plan

Other insurance

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, and also when Medicare informs us of changes in your other insurance coverage, we will send you a letter along with a questionnaire to confirm the other insurance coverage. Please complete the questionnaire and return it to us or call Customer Service to let us know if you still have the other insurance coverage or it has ended. If you have other medical insurance coverage or drug insurance coverage that is not listed on the letter, please call Customer Service to let us know about this other coverage. You may need to give our plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the primary payer and pays up to the limits of its coverage. The one that pays second, called the secondary payer, only pays if there are costs left uncovered by the primary

coverage. The secondary payer may not pay all of the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.
These rules apply for employer or union group health plan coverage:
□If you have retiree coverage, Medicare pays first.
□ If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 If you're under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
 If you're over 65 and you or your spouse or domestic partner is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
☐ If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.
These types of coverage usually pay first for services related to each type:
□No-fault insurance (including automobile insurance)
□Liability (including automobile insurance)
□Black lung benefits
□Workers' compensation
Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

CHAPTER 2:

Important phone numbers and resources

SECTION 1 Cigna Preferred Full Savings Medicare (HMO) contacts (how to contact us, including how to reach Customer Service)

How to contact our plan's Customer Service

For assistance with claims, billing, or member card questions, please call or write to our plan's Customer Service. We will be happy to help you.

Method	Customer Service – Contact Information
CALL	1-800-627-7534 Calls to this number are free. Customer Service is available October 1 – March 31, seven days a week, 8 a.m. – 8 p.m. local time. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time (a voicemail system is available on weekends and holidays). Customer Service also has free language interpreter services available for non-English speakers.
TTY	711 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Customer Service is available October 1 – March 31, seven days a week, 8 a.m. – 8 p.m. local time. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time (a voicemail system is available on weekends and holidays).

How to contact us when you are asking for a coverage decision or appeal about your medical care or Part D prescription drugs

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services or Part D prescription drugs. An appeal is a formal way of asking us to review and change a coverage decision we have made. For more information on asking for coverage decisions or appeals about your medical care or Part D prescription drugs, see Chapter 9 (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)).

How to contact us when you are making a complaint about your medical care or Part D prescription drugs

You can make a complaint about us or one of our network providers, including a complaint about the quality of your care. This type of complaint does not involve coverage or payment disputes. (If your problem is about the plan's coverage or payment, you should look at the section above about making an appeal.) For more information on making a complaint about your medical care or Part D prescription drugs, see Chapter 9 (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)).

SECTION 2 Medicare

(how to get help and information directly from the Federal Medicare program)

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called CMS). This agency contracts with Medicare Advantage organizations including us.

Method	Medicare – Contact Information
CALL	1-800-MEDICARE or 1-800-633-4227
	Calls to this number are free.
	24 hours a day, 7 days a week.
TTY	1-877-486-2048
	This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
	Calls to this number are free.
WEBSITE	www.medicare.gov
	This is the official government website for Medicare. It gives you up-to-date information about Medicare and current Medicare issues. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes booklets you can print directly from your computer.

Chapter 2. Important phone numbers and resources

Method	Medicare – Contact Information
	You can also find Medicare contacts in your state.
	The Medicare website also has detailed information about your Medicare eligibility and enrollment options with the following tools:
	☐ Medicare Eligibility Tool: Provides Medicare eligibility status information.
	☐ Medicare Plan Finder: Provides personalized information about available Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. These tools provide an estimate of what your out-of-pocket costs might be in different Medicare plans.
	You can also use the website to tell Medicare about any complaints you have about our plan:
	□ Tell Medicare about your complaint: You can submit a complaint about our plan directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx . Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.
	If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare and tell them what information you are looking for. They will find the information on the website and review information with you. (You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)

SECTION 3 State Health Insurance Assistance Program

(free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Arizona, the SHIP is called State Health Insurance Assistance Program (SHIP).

The State Health Insurance Assistance Program (SHIP) is an independent (not connected with any insurance company or health plan) state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

State Health Insurance Assistance Program (SHIP) counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. State Health Insurance Assistance Program (SHIP) counselors can also help you with your Medicare questions or problems and help you understand your Medicare plan choices and answer questions about switching plans.

METHOD TO ACCESS SHIP and OTHER RESOURCES:

- Visit https://www.shiphelp.org (Click on SHIP LOCATOR in middle of page)
- Select your STATE from the list. This will take you to a page with phone numbers and resources specific to your state.

Method	State Health Insurance Assistance Program (Arizona's SHIP)
CALL	1-800-432-4040
TTY	711 This number requires special telephone equipment and is only for people who have difficulties with hearing or
	speaking.
WRITE	State Health Insurance Assistance Program, Department of Economic Security, Division of Aging and Adult Services (DAAS), 1789 W. Jefferson Street, #6272, Phoenix, AZ 85007
WEBSITE	https://des.az.gov/medicare-assistance

SECTION 4 Quality Improvement Organization

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Arizona, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It is not connected with our plan.

You should contact Livanta in any of these situations:

∃You have a complaint about the quality of care you have received.
∃You think coverage for your hospital stay is ending too soon.
□You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation
Facility (CORF) services are ending too soon.

Method	Livanta (Arizona's Quality Improvement Organization)
CALL	1-877-588-1123
	Hours are Mon. – Fri., 9:00 a.m. – 5:00 p.m., 24 hour voicemail service is available.
TTY	1-855-887-6668
	This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	Livanta, BFCC-QIO Program, 10820 Guilford Rd., Suite 202, Annapolis Junction, MD 20701
WEBSITE	www.livantaqio.com

SECTION 5 Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – Contact Information
CALL	1-800-772-1213
	Calls to this number are free.
	Available 8:00 a.m. to 7:00 p.m., Monday through Friday.
	You can use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.
TTY	1-800-325-0778
	This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
	Calls to this number are free.
	Available 8:00 a.m. to 7:00 p.m., Monday through Friday.
WEBSITE	www.ssa.gov

Chapter 2. Important phone numbers and resources

SECTION 6 Medicaid

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

The programs offered through Medicaid help people with Medicare pay their Medicare costs, such as their Medicare premiums. These **Medicare Savings Programs** include:

- □ Qualified Medicare Beneficiary (QMB): Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- □ Specified Low-Income Medicare Beneficiary (SLMB): Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- □ Qualifying Individual (QI): Helps pay Part B premiums.
- □ Qualified Disabled & Working Individuals (QDWI): Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact the Arizona Health Care Cost Containment System (AHCCCS).

Method	Arizona Health Care Cost Containment System (AHCCCS) (Medicaid) – Contact Information			
CALL	1-602-417-4000 or 1-800-654-8713			
	Hours are Monday – Friday, 8 a.m. – 5 p.m.			
WRITE	AHCCCS, 801 E. Jefferson Street, Phoenix, AZ 85034			
WEBSITE	www.azahcccs.gov			

SECTION 7 Information about programs to help people pay for their prescription drugs

The Medicare.gov website (help/drug-costs) provides information on how to lower your prescription drug costs. For people with limited incomes, there are also other programs to assist, described below.

Medicare's "Extra Help" Program

Medicare provides "Extra Help" to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan's monthly premium, yearly deductible, and prescription copayments. This "Extra Help" also counts toward your out-of-pocket costs.

If you automatically qualify for "Extra Help" Medicare will mail you a letter. You will not have to apply. If you do not automatically qualify you may be able to get "Extra Help" to pay for your prescription drug premiums and costs. To see if you qualify for getting "Extra Help," call:

${ o}$ 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a d	ay/7 (days a week	ς;
--	--------	-------------	----

- □ The Social Security Office at 1-800-772-1213, between 8 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778; or
- ☐ Your State Medicaid Office (See Section 6 of this Chapter for contact information).

If you believe you have qualified for "Extra Help" and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has a process for you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

□ Please send proof of your Medicaid status to:

Cigna Healthcare

Attn: Medicare Customer Service

P.O. Box 29030

Phoenix, AZ 85038

- □ Please contact Customer Service to request assistance or to provide one of the documents listed below to establish your correct copay level. Please note that any document listed below must show that you were eligible for Medicaid during a month after June of the previous year:
 - 1. A copy of your Medicaid card which includes your name, eligibility date and status level;

- 2. A report of contact including the date a verification call was made to the State Medicaid Agency and the name, title and telephone number of the state staff person who verified the Medicaid status;
- 3. A copy of a state document that confirms active Medicaid status;
- 4. A printout from the State electronic enrollment file showing Medicaid status;
- 5. A screen print from the State's Medicaid systems showing Medicaid status;
- 6. Other documentation provided by the State showing Medicaid status;
- 7. A Supplemental Security Income (SSI) Notice of Award with an effective date; or
- 8. An Important Information letter from the Social Security Administration (SSA) confirming that you are "...automatically eligible for Extra Help..."
- ☐ If you are a member that is institutionalized, please provide one or more of the following:
 - 1. A remittance from a long-term care facility showing Medicaid payment for a full calendar month;
 - 2. A copy of a state document that confirms Medicaid payment to a long-term care facility for a full calendar month on your behalf;
 - 3. A screen print from the State's Medicaid systems showing your institutional status based on at least a full calendar month's stay for Medicaid payment purposes.
 - 4. For Individuals receiving home and community based services (HCBS), you may submit a copy of:
 - a) A State-issued Notice of Action, Notice of Determination, or Notice of Enrollment that includes the beneficiary's name and HCBS eligibility date during a month after June of the previous calendar year;
 - b) A State-approved HCBS Service Plan that includes the beneficiary's name and effective date beginning during a month after June of the previous calendar year;
 - c) A State-issued prior authorization approval letter for HCBS that includes the beneficiary's name and effective date beginning during a month after June of the previous calendar year;
 - d) Other documentation provided by the State showing HCBS eligibility status during a month after June of the previous calendar year; or,
 - e) A state-issued document, such as a remittance advice, confirming payment for HCBS, including the beneficiary's name and the dates of HCBS.
- □When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Service if you have questions.

What if you have "Extra Help "and coverage from an AIDS Drug Assistance Program (ADAP)? What is the AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also on the ADAP formulary qualify for prescription cost-sharing assistance through Arizona AIDS Drug Assistance Program. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you change plans please notify your local ADAP enrollment worker so you can continue to receive assistance. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call your state's AIDS Drug Assistance Program (ADAP) at the phone number listed below.

The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a new payment options that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January – December). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. "Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer this payment option. Contact us or visit Medicare.gov to find out if this payment option is right for you.

Method	The Medicare Prescription Payment Plan – Contact Information
CALL	1-800-627-7534 Calls to this number are free. Customer Service is available October 1 – March 31, seven days a week, 8 a.m. – 8 p.m. local time. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time (a voicemail system is available on weekends and holidays).
	Customer Service also has free language interpreter services available for non-English speakers.

SECTION 8 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

Method	Railroad Retirement Board – Contact Information
CALL	1-877-772-5772
	Calls to this number are free.
	If you press "0," you may speak with an RRB representative from 9:00 a.m. to 3:30 p.m., Monday, Tuesday, Thursday, and Friday, and from 9:00 a.m. to 12:00 p.m. on Wednesday.
	If you press "1", you may access the automated RRB HelpLine and recorded information 24 hours a day,
	including weekends and holidays.

Method	Railroad Retirement Board – Contact Information
TTY	1-312-751-4701
	This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
	Calls to this number are <i>not</i> free.
WEBSITE	<u>rrb.gov/</u>

SECTION 9 Do you have group insurance or other health insurance from an employer?

If you (or your spouse or domestic partner) get benefits from your (or your spouse or domestic partner's) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Service if you have any questions. You can ask about your (or your spouse or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Service are printed on the back cover of this document.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse or domestic partner's) employer or retiree group, please contact **that group's benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

CHAPTER 3:

Using the plan for your medical services

SECTION 1 Things to know about getting your medical care as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, equipment, prescription drugs and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in t

in the next chapte	r, Chapter 4 (Medical Benefits Chart, what is covered and what you pay).
Section 1.1	What are network providers and covered services?
	are doctors and other health care professionals licensed by the state to provide medical services and care. The ers also includes hospitals and other health care facilities.
facilities tha arranged for	oviders are the doctors and other health care professionals, medical groups, hospitals, and other health care thave an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have these providers to deliver covered services to members in our plan. The providers in our network bill us directly give you. When you see a network provider, you pay only your share of the cost for their services.
covered by	ervices include all the medical care, health care services, supplies, equipment and Prescription Drugs that are our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4. Your covered prescription drugs are discussed in Chapter 5.
Section 1.2	Basic rules for getting your medical care covered by the plan
As a Medicare he coverage rules.	alth plan, our plan must cover all services covered by Original Medicare and must follow Original Medicare's
Our plan will gene	rally cover your medical care as long as:

- □ The care you receive is included in the plan's Medical Benefits Chart (this chart is in Chapter 4 of this document). The care you receive is considered medically necessary. Medically necessary means that the services, supplies, equipment or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- □You have a network primary care provider (a PCP) who is providing and overseeing your care. As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).
- ☐ You must receive your care from a network provider (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. This means that you will have to pay the provider in full for the services furnished. Here are three exceptions:
 - o The plan covers emergency care or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.
 - olf you need medical care that Medicare requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. Authorization must be obtained from the plan prior to seeking care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.4 in this chapter.
 - The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay the plan for dialysis can never exceed the cost sharing in Original Medicare. If you are outside the plan's service area and obtain the dialysis from a provider that is outside the plan's network, your cost sharing cannot exceed the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from a provider outside the plan's network the cost sharing for the dialysis may be higher.

Chapter 3. Using the plan for your medical services

SECTION 2 Use providers in the plan's network to get your medical care

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your medical care

What is a PCP and what does the PCP do for you?

When you become a member of our plan, you must choose a plan provider to be your Primary Care Physician (PCP). Your PCP is a Physician whose specialty is Family Medicine, Internal Medicine, General Practice, Geriatrics, or Pediatrics who meets state requirements and is trained to give you basic medical care. As we explain below, you will get your routine or basic care from your PCP. Your PCP will also "coordinate" the rest of the covered services you get as a member of our plan. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes your X-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. "Coordinating" your services includes checking or consulting with other plan providers about your care and how it is going.

In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office. Chapter 8 tells you how we will protect the privacy of your medical records and personal health information.

How do you choose your PCP?

You select a Primary Care Physician from your *Provider and Pharmacy Directory* (www.CignaMedicare.com/resources) and call Customer Service with your selection. The directory is continually being updated; therefore, please contact Customer Service to be sure the provider is accepting new patients. Customer Service is available to assist with your selection and to help find a physician to meet your needs. Customer Service can also help you check to see if a provider is in our network of physicians. The name and office telephone number of your PCP is printed on your membership card.

Changing your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. Please see Section 2.3 in this chapter for additional details.

Your change will take place the first of the following month. To change your PCP, please call Customer Service. Customer Service will confirm that the PCP you want to switch to is accepting new patients. We will change your membership record to the new PCP and confirm when the change to your new PCP will take effect. You will receive a new membership card that shows the name and phone number of your new PCP.

Section 2.2 What kinds of medical care can you get without a referral from your PCP?

You can get the services listed below without getting approval in advance from your PCP.

□Routine women's health care, which includes breast exams, screening mammograms (X-rays of the breasts), Pap te pelvic exams as long as you get them from a network provider.	sts, and
□ Flu shots (or vaccines), COVID-19 vaccinations, Hepatitis B vaccinations, and pneumonia vaccinations as long as you them from a network provider.	ou get
□Emergency services from network providers or from out-of-network providers.	
Urgently needed plan-covered services, which are services requiring immediate medical attention that are not emerge provided you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needs services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. However, medinecessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outs service area of the plan or the plan network is temporarily unavailable.	ded ically

What if a specialist or another network provider leaves our plan?	
any additional specialists or services you may need. You may generally change your PCP at any time if you want to see a plan specialist to whom your current PCP does not refer Chapter 4, Section 2.1 contains more information about which services require prior authorization.	
You must choose a Primary Care Provider (PCP) from the designated Cigna Healthcare network. Your PCP will help direct yo	u to
□Orthopedists care for patients with certain bone, joint, or muscle conditions.	
□ Cardiologists care for patients with heart conditions.	
specialists. Here are a few examples: □ Oncologists care for patients with cancer.	

A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe

Chapter 3. Using the plan for your medical services

appropriate state license even if they are not part of our network.

that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

□ **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP. You do not need to use a network doctor. You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an

□ As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call us at the Customer Service number on the back of your membership card.

What is covered if you have a medical emergency?

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors who are giving you emergency care will decide when your condition is stable, and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care — thinking that your health is in serious danger — and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, we will cover additional care *only* if you get the additional care in one of these two ways:

☐ You go to a network provider to get the additional care.

— or — The additional care you get is considered urgently needed services and you follow the rules for getting this urgent care (for more information about this, see Section 3.2 below).

Section 3.2 Getting care when you have an urgent need for services

What are urgently needed services?

A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

For a list of urgent care centers in our network, please refer to our *Provider and Pharmacy Directory*. The most recent list is available on our website at www.cignamedicare.com. You can call Customer Service at 1-800-627-7534 for information on how to access urgent care centers.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances described in the Emergency Care and Urgently Needed Services benefits listed in the Medical Benefits Chart in Chapter 4 of this document.

Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a

state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: www.cigna.com/medicare/disaster-policy for information on how to obtain needed care during a disaster.

If you cannot use a network provider during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5 for more information.

SECTION 4 What if you are billed directly for the full cost of your services?

Section 4.1 You can ask us to pay our share of the cost of covered services

If you have paid more than your plan cost-sharing for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7 (Asking us to pay our share of a bill you have received for covered medical services or drugs) for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

Our plan covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4 of this document. If you receive services not covered by our plan or services obtained out-of-network and were not authorized, you are responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. For example, you may have to pay the full cost of any skilled nursing facility care you get after our plan's payment reaches the full benefit limit. Once you have used up your benefit limit, additional payments you make for the service do not count toward your annual out-of-pocket maximum.

SECTION 5 How are your medical services covered when you are in a clinical research study?

Section 5.1 What is a clinical research study?

A clinical research study (also called a clinical trial) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically request volunteers to participate in the study.

Once Medicare approves the study, and you express interest, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. If you tell us that you are in a qualified clinical trial, then you are only responsible for the in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we will reimburse the difference between what you paid and the in-network cost sharing. However, you will need to provide documentation to show us how much you paid. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in any Medicare-approved clinical research study, you do *not* need to tell us or to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies and may be subject to prior authorization and other plan rules.

Although you do not need to get our plan's permission to be in a clinical research study, covered for Medicare Advantage enrollees by Original Medicare, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials. If you participate in a study that Medicare has *not* approved, *you will be responsible for paying all costs for your participation in the study*.

Using the plan for your medical services Chapter 3.

Section 5.2	When you participate in a clinical research study, who pays for what?
Once you join a Med	dicare-approved clinical research study, Original Medicare covers the routine items and services you receive as

part of the study, including: □ Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.

☐ An operation or other medical procedure if it is part of the research study.

☐ Treatment of side effects and complications of the new care.

After Medicare has paid its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan. However, you are required to submit documentation showing how much cost sharing you paid. Please see Chapter 7 for more information for submitting requests for payments.

Here's an example of how the cost sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and you would pay the \$20 copay required under Original Medicare. You would then notify your plan that you received a qualified clinical trial service and submit documentation such as a provider bill to the plan. The plan would then directly pay you \$10. Therefore, your net payment is \$10, the same amount you would pay under our plan's benefits.

Please note that in order to receive payment from your plan, you must submit documentation to your plan such as a provider bill.

When you are part of a clinical research study, neither Medicare nor our plan will pay for any of the following:

□Generally	, Medicare	will not pay	for the new	item or	service that	it the study	is testing	unless	Medicare	would	cover	the iter	n or
service ev	ven if you w	ere <i>not</i> in a	a study.										

- □ Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.
- □ Items and services customarily provided by the research sponsors free-of-charge for any enrollee in the trial.

Do you want to know more?

You can get more information about joining a clinical research study by visiting the Medicare website to read or download the publication Medicare and Clinical Research Studies. (The publication is available at: www.medicaregov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf) You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 Receiving care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is **non-excepted**.

- □ **Non-excepted** medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- Excepted medical treatment is medical care or treatment that you get that is *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

	Chapter 3. Using the plan for your medical services i			
☐The facility	providing the care must be certified by Medicare.			
□Our plan's	coverage of services you receive is limited to non-religious aspects of care.			
□If you get s	ervices from this institution that are provided to you in a facility, the following conditions apply:			
	 You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care. 			
o— and ∈ covered	— you must get approval in advance from our plan before you are admitted to the facility, or your stay will not be d.			
Medicare Inpatie	nt Hospital coverage limits apply (please refer to the Medical Benefits Chart in Chapter 4).			
SECTION 7	Rules for ownership of durable medical equipment			
Section 7.1	Will you own the durable medical equipment after making a certain number of payments under our plan?			

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under certain limited circumstances we will transfer ownership of the DME item to you. Call Customer Service for more information.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. The payments you made while enrolled in your plan do not count.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then you joined our plan. The payments you made in Original Medicare do not count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined the plan. You were in our plan but did not obtain ownership while in our plan. You then go back to Original Medicare. You will have to make 13 consecutive new payments to own the item once you join Original Medicare again. All previous payments (whether to our plan or to Original Medicare) do not count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance What oxygen benefits are you entitled to? If you qualify for Medicare oxygen equipment coverage our plan will cover: Rental of oxygen equipment Delivery of oxygen and oxygen contents Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents Maintenance and repairs of oxygen equipment

If you leave our plan or no longer medically require oxygen equipment, then the oxygen equipment must be returned to the owner.

What happens if you leave your plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. The remaining 24 months the supplier provides the equipment and maintenance (you are still responsible for the copayment for oxygen). After five years you may choose to stay with the same company or go to another company. At this point, the five-year cycle begins again, even if you remain with the same company, requiring you to pay copayments for the first 36 months. If you join or leave our plan, the five-year cycle starts over.

CHAPTER 4:

Medical Benefits Chart (what is covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter provides a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of our plan. Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- □ **Copayment** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- □ **Coinsurance** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)
- □ Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable.

Section 1.2 What is the most you will pay for Medicare Part A and Part B covered medical services?

Because you are enrolled in a Medicare Advantage Plan, there is a limit on the total amount you have to pay out-of-pocket each year for in-network medical services that are covered under Medicare Part A and Part B. This limit is called the maximum out of pocket (MOOP) amount for medical services. For calendar year 2025 this amount is \$6,800.

The amounts you pay for copayments and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. The amounts you pay for your Part D prescription drugs do not count toward your maximum out of pocket amount. In addition, amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are italicized in the Medical Benefits Chart. If you reach the maximum out-of-pocket amount of \$6,800 you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Our plan does not allow providers to balance bill you

As a member of our plan, an important protection for you is that you only have to pay your cost sharing amount when you get services covered by our plan. Providers may not add additional separate charges, called **balance billing**. This protection applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.

Here is how this protection works.

- □ If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider.
- □ If your cost sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - o If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - olf you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get a referral or for emergencies or urgently needed services.)
 - o If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get a referral or for emergencies or outside the service area for urgently needed services.)

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

--	-------	---------------	--------------	------------------	-----------	----------	----------

SECTION 2 Use the Medical Benefits Chart to find out what is covered and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services our plan covers and what you pay out-of-pocket for each service, Part D prescription drug coverage is in Chapter 5. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- □Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- □Your services (including medical care, services, supplies, equipment, and Part B prescription drugs) must be medically necessary.

 Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- □You receive your care from a network provider. In most cases, care you receive from an out-of-network provider will not be covered, unless it is emergent or urgent care or unless your plan or a network provider has given you a referral. This means that you will have to pay the provider in full for the services furnished.
- ☐ You have a primary care provider (a PCP) who is providing and overseeing your care.
- □Some of the services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval in advance (sometimes called prior authorization) from us. Covered services that need approval in advance are marked in the Medical Benefits Chart in bold print.
- If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider's recommendation.

Other important things to know about our coverage:

- □Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay more in our plan than you would in Original Medicare. For others, you pay less. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare* & *You* 2025 handbook. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.
- □If Medicare adds coverage for any new services during 2025, either Medicare or our plan will cover those services.

You will see this apple next to the preventive services in the benefits chart.

What you must pay Services that are covered for you when you get these services Note: Additional cost share may apply when other services are performed at the same time. A facility fee may apply when services are performed in an outpatient facility. Abdominal aortic aneurysm screening There is no coinsurance, copayment, A one-time screening ultrasound for people at risk. The plan only covers this screening if or deductible for members eligible for you have certain risk factors and if you get a referral for it from your physician, physician this preventive screening. assistant, nurse practitioner, or clinical nurse specialist. Acupuncture for chronic low back pain Prior authorization may be required. \$20 copayment for each Medicare-Covered services include: covered acupuncture visit Up to 12 visits in 90 days are covered for Medicare beneficiaries under the following circumstances: For the purpose of this benefit, chronic low back pain is defined as: □ Lasting 12 weeks or longer □ Nonspecific, in that it has no identifiable systemic cause (i.e., not associated with metastatic, inflammatory, infectious, disease etc.) □Not associated with surgery; and □ Not associated with pregnancy An additional eight sessions will be covered for those patients demonstrating an improvement. No more than 20 acupuncture treatments may be administered annually. Treatment must be discontinued if the patient is not improving or is regressing. Provider Requirements: Physicians (as defined in 1861(r)(1) of the Social Security Act (the Act) may furnish acupuncture in accordance with applicable state requirements. Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs) (as identified in 1861(aa)(5) of the Act), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have: □a masters or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, □ a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia. Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations at 42 CFR §§ 410.26 and 410.27. Additional telehealth services \$0 copayment for Medicare-covered virtual Physical Therapy Covered telehealth services include the following virtual services: \$0 copayment for Medicare-covered Physical Therapy virtual Speech and Language Speech and Language Pathology Pathology Primary Care Physician

Physician Specialist

Services that are covered for you	What you must pay when you get these services		
	\$0 copayment for Medicare-covered virtual Primary care physician visits \$45 copayment for Medicare-covered virtual physician specialist visits		
Ambulance services	Prior authorization may be required		
□ Covered ambulance services, whether for an emergency or non-emergency situation, include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by the plan.	for non-emergency ambulance services. \$260 copayment for each one-way Medicare-covered ground ambulance trip		
If the covered ambulance services are not for an emergency situation, it should be documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required.	20% coinsurance for each one-way Medicare-covered air ambulance trip.		
Non-emergency ambulance transportation:			
☐ Medically-necessary, non-emergency transportation by ambulance is only covered to the closest facility that can provide care.			
□ Prior authorization is required for non-emergency, Medicare-covered ambulance services (such as transport from home to your doctor's office for routine visits, transport from home to a Medicare-certified dialysis facility for prescribed hemodialysis, or transport beyond the closest facility capable of providing care when transferring between facilities or levels of care).			
☐ Out-of-network, non-emergency ambulance services will be reviewed after the service is rendered to ensure service was medically and reasonably necessary.			
☐ See Transportation benefit in this chart for additional information about non- emergency transportation services.			
Worldwide ambulance services:			
☐ Ambulance transportation outside the United States or its territories is only covered to the closest, most appropriate facility that can provide care.			
□Return to the United States by ambulance is not a covered service unless that is where the closest, most appropriate, facility is located.			
☐ See Emergency care or Urgently needed services in this chart for additional information about Worldwide transportation services.			
Annual physical exam The annual physical is an extensive physical exam including a medical history collection	\$0 copayment for annual physical exam		

The annual physical is an extensive physical exam including a medical history collection and it may also include any of the following: vital signs, observation of general appearance, a head and neck exam, a heart and lung exam, an abdominal exam, a neurological exam, a dermatological exam, and an extremities exam. Coverage for this benefit is in addition to the Medicare-covered annual wellness visit and the Welcome to Medicare Preventive Visit. Limited to one physical exam per year. Separate cost-sharing amounts may apply to any additional lab or diagnostic procedures that are ordered during the annual physical exam.

What you must pay

when you get these services

Note: You will be responsible for cost sharing amounts for any additional services during this exam.

Annual wellness visit

If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. The annual wellness visit is covered once each calendar year.

Note: Your first annual wellness visit can't take place within 12 months of your Welcome to Medicare preventive visit. However, you don't need to have had a Welcome to Medicare visit to be covered for annual wellness visits after you've had Part B for 12 months

Note: You will be responsible for cost sharing amounts for any additional services during this exam.

There is no coinsurance, copayment, or deductible for the annual wellness visit.

A separate copay may apply if a nonpreventive screening lab test or other non-preventive services are provided at the time of an annual wellness visit.

ď

Bone mass measurement

For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results.

There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement.

Breast cancer screening (mammograms)

Covered services include:

- □ One baseline mammogram between the ages of 35 and 39
- □ One screening mammogram every 12 months for women aged 40 and older
- ☐ Clinical breast exams once every 24 months

There is no coinsurance, copayment, or deductible for covered screening mammograms.

Cardiac rehabilitation services

Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. The plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs.

Prior authorization may be required.

\$30 copayment for each
Medicare-covered cardiac
rehabilitative therapy visit.
\$30 copayment for each
Medicare-covered intensive cardiac
rehabilitative therapy visit.
One copayment will apply when
multiple therapies are provided by the
same provider on the same date and
at the same place of service.

Cardiovascular disease risk reduction visit (therapy for cardiovascular disease)

We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating healthy.

There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit.

Chapter 4.	Medical Benefits Chart	(what is covered and what yo	u pay)
------------	-------------------------------	------------------------------	--------

Services that are covered for you	What you must pay when you get these services
Cardiovascular disease testing Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).	There is no coinsurance, copayment, or deductible for cardiovascular disease testing that is covered once every 5 years.
Caregiver Support Services include one-on-one coaching and personalized resources for customers and caregivers. Caregivers can receive coaching by telephone or virtually through the program's digital application. Recommended caregiver services or programs may have additional costs. For questions and more details, call the Cigna Healthcare caregiver support vendor at 1-888-651-0856 (TTY 711).	\$0 copayment for caregiver support benefit. No limit or maximum.
Covered services include: □For all women: Pap tests and pelvic exams are covered once every 24 months □If you are at high risk of cervical or vaginal cancer or you are of childbearing age and have had an abnormal Pap test within the past 3 years: one Pap test every 12 months	There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams.
Chiropractic services (Medicare-covered) Covered services include: We cover only manual manipulation of the spine to correct subluxation (when one or more of the bones of your spine move out of position) if you get it from a licensed chiropractor.	Prior authorization may be required. \$15 copayment for each Medicare- covered chiropractic visit.
Colorectal cancer screening The following screening tests are covered: Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who are not at high risk for colorectal cancer, and once every 24 months for high risk patients after a previous screening colonoscopy or barium enema. Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient received a screening colonoscopy. Once every 48 months for high risk patients from the last flexible sigmoidoscopy or barium enema. Screening fecal-occult blood tests for patients 45 years and older. Once every 12 months. Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high	There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam, excluding barium enemas, for which coinsurance applies. If your doctor finds and removes a polyp or other tissue during the colonoscopy or flexible sigmoidoscopy, the screening exam becomes a diagnostic exam. \$0 copayment for Medicare-covered diagnostic exams and any surgical procedures (i.e., polyp removal) during a colorectal screening.
risk criteria. Once every 3 years. □Barium Enema as an alternative to colonoscopy for patients at high risk and 24 months since the last screening barium enema or the last screening colonoscopy.	

What you must pay when you get these services

□Barium Enema as an alternative to flexible sigmoidoscopy for patient not at high risk and 45 years or older. Once at least 48 months following the last screening barium enema or screening flexible sigmoidoscopy.

Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare covered non-invasive stool-based colorectal cancer screening test returns a positive result.

Note: If you receive a colonoscopy without previous symptoms, this is considered preventive or screening, and there will be no copayment or coinsurance. If your doctor is performing the colonoscopy because you have shown symptoms of a medical condition, this is considered outpatient surgery and cost share may apply (see **Outpatient Surgery** benefit in this chart for more information).

Companionship+ Program

This program includes phone calls with virtual companions for social engagement and for help coordinating non-medical services, such as transportation, meal delivery, home safety options and more. Interactive events are also available by telephone, smart phone, or computer.

This program is available 7 days a week except for Federal holidays. For more information, contact Customer Service or the Cigna Healthcare Companionship+ Program vendor at 1-844-343-8714 (TTY 711).

\$0 copayment for each visit 30 hours per year towards the use of

Companionship+ Program services. Unused balance does not carry over year to year.

Dental services (Medicare-covered)

In general, preventive dental services (such as cleaning, routine dental exams, and dental X-rays) are not covered by Original Medicare. However, Medicare currently pays for dental services in a limited number of circumstances, specifically when that service is \$45 copayment for Medicare-covered an integral part of specific treatment of a beneficiary's primary medical condition. Some examples include reconstruction of the jaw following fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams preceding kidney transplantation.

See Physician/Practitioner services, including doctor's office visits benefit in this chart for more information on Medicare-covered non-routine dental services.

Prior authorization may be required for Medicare-covered dental services.

dental benefits

Dental services (Routine)

This plan provides additional dental coverage not covered by Original Medicare. The plan provides a Dental Allowance to reimburse routine preventive and comprehensive dental services.

You can choose a Cigna Dental Allowance (DPPO) network provider or any licensed dental provider who is not on the Medicare preclusion or exclusion list. To review the exclusion list, go to: https://exclusions.oig.hhs.gov or call Dental Customer Service. DPPO network providers will bill Cigna Healthcare directly. Providers outside the DPPO network may require payment at time of service, and you will need to submit a Dental Reimbursement Claim Form filled-out and signed by your provider with a receipt for services rendered. For a copy of this form, go to CignaMedicare.com/forms, or call Dental Customer Service.

Allowance of \$500 every year (combined preventive and comprehensive) for routine dental services. Customer is responsible for any amount over and above the allowance amount.

What you must pay Services that are covered for you when you get these services Unused balance of the allowance amount does not carry over to the following year. Cosmetic procedures are not covered. Limitations, exclusions, and restrictions may apply. For a list of excluded services, go to cignamedicare.com/resources to review the Cigna Dental Allowance Guide. For more information, call Dental Customer Service at 1-866-213-7295 (TTY 711). **Depression screening** There is no coinsurance, copayment, We cover one screening for depression per year. The screening must be done in a or deductible for an annual depression primary care setting that can provide follow-up treatment and/or referrals. screening visit. **Diabetes screening** There is no coinsurance, copayment, We cover this screening (includes fasting glucose tests) if you have any of the following or deductible for the Medicare-covered risk factors: high blood pressure (hypertension), history of abnormal cholesterol and diabetes screening tests. triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes. Based on the results of these tests, you may be eligible for up to two diabetes screenings every 12 months. Prior authorization may be required. Diabetes self-management training, diabetic services and supplies \$0 copayment for preferred brand For all people who have diabetes (insulin and non-insulin users). Covered services Medicare-covered diabetic monitoring include: supplies. Non-preferred brands are not □ Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test covered unless medically necessary. You are eligible for one preferred □ Lancet devices and lancets, and glucose-control solutions for checking the brand glucose monitor and one accuracy of test strips and monitors. preferred brand continuous glucose ☐ For people with diabetes who have severe diabetic foot disease: One pair per monitoring device every two years. calendar year of therapeutic custom-molded shoes (including inserts provided with You are also eligible for 200 preferred such shoes) and two additional pairs of inserts, or one pair of depth shoes and brand glucose test strips or three three pairs of inserts (not including the non-customized removable inserts preferred brand sensors per 30-day provided with such shoes). Coverage includes fitting. period depending on your monitor. □ Diabetes self-management training is covered under certain conditions. 20% coinsurance for Medicare-Preferred brands of blood glucose monitors include: covered therapeutic shoes and inserts □ Abbott Diabetes Care: Freestyle Lite, FreeStyle Freedom Lite, FreeStyle Precision \$0 copayment for Medicare-covered Neo, FreeStyle Libre 2 (CGM), FreeStyle Libre 3 (CGM) and FreeStyle Libre 14diabetes self-management training Day (CGM) □ LifeScan Diabetes Care: OneTouch Ultra 2 and OneTouch Verio Flex □ Dexcom: Dexcom G6 (CGM) and Dexcom G7 (CGM) **Note:** Syringes and needles are covered under our Part D benefit. Please refer to Chapter 6 of this *Evidence of Coverage* for cost sharing information.

Durable medical equipment (DME) and related supplies

(For a definition of durable medical equipment, see Chapter 12 as well as Chapter 3 Section 7 of this document.)

Covered items include, but are not limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers.

We cover all medically necessary DME covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they can special order it for you. Prior authorization may be required for special orders. The most recent list of suppliers is available on our website at www.cignamedicare.com.

What you must pay

when you get these services

Prior authorization is required for all Medicare-covered rental items, including oxygen equipment.

There are a limited number of DME items where the total rental price

items where the total rental price cannot exceed the purchase price and once that amount has been paid you will no longer pay for that item.

20% coinsurance for Medicare-covered items

Your cost sharing for Medicare oxygen equipment coverage is 20% coinsurance every month.

After 36 months, you should no longer have a coinsurance for the oxygen equipment. The equipment is eligible for replacement after the maximum expected useful life of 5 years, unless it is not functioning and cannot be repaired before 5 years. If you join or leave our plan the 5-year cycle starts over.

Emergency care

Emergency care refers to services that are:

☐ Furnished by a provider qualified to furnish emergency services, and ☐ Needed to evaluate or stabilize an emergency medical condition.

A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Cost sharing for necessary emergency services furnished out-of-network is the same as for such services furnished in-network.

Observation services are hospital outpatient services given to help the doctor decide if the patient needs to be admitted as an inpatient or discharged. Observation services may be given in the emergency department or another area of the hospital. For information about the observation services cost sharing, please see the **Outpatient hospital observation** section of this *Evidence of Coverage*.

Emergency care is covered worldwide.

See **Ambulance services** benefit in this chart for additional information about Worldwide ambulance services.

\$110 copayment for Medicare-covered emergency room visits

\$110 copayment for worldwide emergency room visits and worldwide emergency transportation

\$50,000 (USD) combined limit per year for emergency and urgent care services provided outside the U.S. and its territories.

Emergency transportation must be medically necessary.

If you are admitted to the hospital within 24 hours for the same condition, you pay \$0 for the emergency room visit.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the

Services that are covered for you	What you must pay when you get these services
	plan and your cost is the highest cost sharing you would pay at a network hospital.
Fitness The fitness benefit provides several options. You are eligible for a fitness membership at participating fitness locations in the standard fitness network. At these locations you can take advantage of exercise equipment, amenities and, where available, group exercise classes tailored to meet the needs of older adults. You can also select one Home Fitness Kit per benefit year from a variety of kit options, including a wearable fitness tracker.	\$0 copayment for Membership in Health Club/Fitness Classes
You can also take advantage of personalized Workout Plans; access thousands of on- demand workout videos available on the program's website; get one-on-one Healthy Aging Coaching by phone, video or chat; track your fitness activity; and enjoy many other digital resources through the Well-Being Club.	
Non-standard services that call for an added fee are not part of the fitness program and will not be reimbursed.	
For questions and more details, contact the Cigna Healthcare fitness vendor at 1-888-886-1992 (TTY 711).	
Health and wellness education programs	\$0 copayment for online health
Health Education	education
You have access to video and written content on a variety of health and wellness topics online at myCigna.com.	
Hearing services (Medicare-covered)	\$45 copayment for Medicare-covered
Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.	diagnostic hearing exams A separate PCP/Specialist cost share may apply if additional services requiring cost sharing are rendered.
Hearing services (Routine)	\$0 copayment for one routine hearing
This plan covers the following routine hearing services:	exam every year
□up to one routine hearing exam every year	\$0 copayment for one fitting evaluation
☐ fitting evaluation for a hearing aid(s)	for hearing aid every year
□hearing aid(s)	\$399 - \$1,800 copayment per device for Hearing Aids.
Hearing aid evaluations are part of the routine hearing exam. Multiple fittings are allowed with the original provider if necessary to ensure hearing aids are accurately fitted. A routine hearing exam needs to be performed prior to hearing aids being dispensed. Hearing aid devices are limited to those worn externally and do not include assisted listening devices, amplifiers or disposable devices.	Limited to two (2) devices every year. Actual cost-share will depend on hearing aid selected.
Customers are required to contact Cigna Healthcare's hearing vendor to access the routine hearing exam and hearing aid benefits. A 60-day evaluation period is granted to determine the effectiveness of a hearing aid. A 4-year supply of batteries (up to 256 cells per hearing aid) is included with a hearing aid that is acquired through Cigna Healthcare's hearing vendor. Hearing aids purchased from anyone outside Cigna	

What you must pay Services that are covered for you when you get these services Healthcare's hearing vendor will not be covered. Over-the-counter hearing aid devices are not covered. For more information on your routine hearing benefits, contact Cigna Healthcare's hearing vendor at 1-866-872-1001 (TTY 711). **HIV** screening There is no coinsurance, copayment, For people who ask for an HIV screening test or who are at increased risk for HIV or deductible for members eligible for infection, we cover: Medicare-covered preventive HIV □ One screening exam every 12 months screening. For women who are pregnant, we cover: □ Up to three screening exams during a pregnancy \$0 copayment for the home delivered **Home-Delivered Meals** meals benefit When released from an approved inpatient hospital stay or skilled nursing facility, customers can get 14 healthy, medical diet appropriate, frozen meals delivered to their \$0 copayment for 56 meals over 28 home. This benefit is available up to three (3) times each year. Releases from an days, once each year for ESRD emergency department, observation stay or outpatient visit are not eligible. Customers customers meeting this requirement will receive a call from Cigna Healthcare's meal provider to schedule delivery. For more information, call Customer Service. Meals for ESRD customers Customers diagnosed with End-Stage Renal Disease (ESRD) and enrolled in an ESRD care management program can get up to 56 healthy frozen meals delivered to their home. Customers are eligible for this benefit once per year. Customers meeting this requirement will receive a call from Cigna Healthcare's meal provider to schedule delivery. Home health agency care Prior authorization may be required. Prior to receiving home health services, a doctor must certify that you need home health \$0 copayment for Medicare-covered services and will order home health services to be provided by a home health agency. home health visits You must be homebound, which means leaving home is a major effort. Covered services include, but are not limited to: □ Part-time or intermittent skilled nursing and home health aide services (to be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week) □ Physical therapy, occupational therapy, and speech therapy ☐ Medical and social services ☐ Medical equipment and supplies You pay the applicable cost sharing for Home infusion therapy each service obtained. Please refer to Home infusion therapy involves the intravenous or subcutaneous administration of drugs the Durable medical equipment and or biologicals to an individual at home. The components needed to perform home related supplies and Medicare Part B infusion include the drug (for example, antivirals, immune globulin), equipment (for Prescription Drugs benefit listings for example, a pump), and supplies (for example, tubing and catheters). related cost share amounts.

 Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier 			
Hospice care	When you enroll in a Medicare-		
You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You may receive care from any Medicare-certified hospice program. Your plan is obligated to help you find Medicare-certified hospice programs in the plan's service area, including those the MA organization owns, controls, or has a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider.	certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not our plan. You must get care from a Medicare-certified hospice. You must		
Covered services include:	consult with your plan before you		
□ Drugs for symptom control and pain relief	select hospice.		
□ Short-term respite care	Hospice Consultation		
☐ Home care	You pay the applicable cost sharing for		
When you are admitted to a hospice you have the right to remain in your plan; if you chose to remain in your plan you must continue to pay plan premiums.	the provider of the service (for example, physician services). Please refer to the applicable benefit in this		
For hospice services and for services that are covered by Medicare Part A or B	section of this <i>Evidence of Coverage</i> .		
and are related to your terminal prognosis: Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for. You will be billed Original Medicare cost sharing.	Section of this Evidence of Coverage.		
For services that are covered by Medicare Part A or B and are not related to your			
terminal prognosis: If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (such as if there is a requirement to obtain prior authorization).			
□ If you obtain the covered services from a network provider and follow plan rules for obtaining service, you only pay the plan cost sharing amount for in-network services			
☐ If you obtain the covered services from an out-of-network provider, you pay the cost sharing under Fee-for-Service Medicare (Original Medicare)			
For services that are covered by our plan but are not covered by Medicare Part A			
or B: Our plan will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost sharing amount for these services			

What you must pay when you get these services

For drugs that may be covered by the plan's Part D benefit: If these drugs are unrelated to your terminal hospice condition you pay cost sharing. If they are related to your terminal hospice condition then you pay Original Medicare cost sharing. Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.4 (What if you're in Medicare-certified hospice).

Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.

Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit.

There is no coinsurance, copayment, or deductible for the pneumonia, influenza, Hepatitis B and COVID-19 vaccines.

ď

Immunizations

Covered Medicare Part B services include:

- □ Pneumonia vaccines
- □ Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu shots if medically necessary
- □ Hepatitis B vaccines if you are at high or intermediate risk of getting Hepatitis B
- □COVID-19 vaccines
- ☐ Other vaccines if you are at risk and they meet Medicare Part B coverage rules We also cover some vaccines under our Part D prescription drug benefit. Refer to

Chapter 6, Section 8 for additional information.

Inpatient hospital care

Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor's order. The day before you are discharged is your last inpatient day.

Our plan covers days 1 through 90 of inpatient hospital care for each benefit period. Covered services include but are not limited to:

□ Semi-private room (or a private room if medically necessary)

- ☐ Meals including special diets
- □ Regular nursing services
- □ Costs of special care units (such as intensive care or coronary care units)
- □ Drugs and medications
- □ Lab tests
- □X-rays and other radiology services
- □ Necessary surgical and medical supplies
- ☐ Use of appliances, such as wheelchairs
- □ Operating and recovery room costs
- □ Physical, occupational, and speech language therapy
- □ Inpatient substance use disorder services
- □ Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell,

Prior authorization may be required.

Except in an emergency, your doctor must tell the plan that you are going to be admitted to the hospital.

For each Medicare-covered hospital stay, your copayment is:

\$450 per day for days 1-4; \$0 per day for days 5-90

For each Medicare-covered hospital stay, you are required to pay the applicable cost sharing.

In some instances, a readmission policy may apply in which the benefit will continue from original admission.

Our plan also covers 60 "lifetime reserve days." These are "extra" days that we cover. If you use more than 90 days within a benefit period, you can use these extra days. But once you have used up these extra 60 days, your inpatient hospital coverage will be limited to 90 days. There is a \$0 copayment per lifetime reserve day.

and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in network transplant services are outside the community cost is the highest cost sharing you pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If our plan provides transplant services at a location outside the pattern of care for transplants in your community and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion.

This travel benefit is not applicable for corneal transplants. Reimbursement is provided for up to \$10,000 of eligible transportation and lodging expenses for an approved transplant at least 100 miles away from your legal home address to the transplant center. This benefit only covers transportation and lodging expenses for you and one companion for the initial and annual evaluation, stem cell injection and cell collection, and the actual transplant. The lodging and transportation benefit is not applicable for follow-up or post-operative visits or transplant related inpatient admissions after you receive your transplant, except for readmissions occurring during sequestering (time required to be near a facility and away from your home) immediately after a covered transplant.

☐ Blood – including storage and administration. Coverage of whole blood and packed red cells begins only with the first pint of blood that you need. All other components of blood are covered beginning with the first pint used.

□ Physician services

Note: To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an inpatient or an outpatient, you should ask the hospital staff.

You can also find more information in a Medicare fact sheet called Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask! This fact sheet is available on the website at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

Inpatient services in a psychiatric hospital

Covered services include mental health care services that require a hospital stay. Our plan covers up to 190 days in a lifetime for inpatient mental health care in a psychiatric hospital. The inpatient mental health care limit does not apply to inpatient mental health services provided in a general hospital.

What you must pay

when you get these services

If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your would pay at a network hospital.

Prior authorization may be required.

Except in an emergency, your doctor must tell the plan that you are going to be admitted to the hospital.

For each Medicare-covered psychiatric hospital stay, your copayment is: \$450 per day for days 1-4; \$0 per day for days 5-90 For each Medicare-covered hospital stay, you are required to pay the

Services that are covered for you	What you must pay when you get these services
	applicable cost sharing, starting with Day 1 each time you are admitted.
	In some instances, a readmission policy may apply in which the benefit will continue from the original admission.
	Our plan also covers 60 "lifetime reserve days." These are "extra" days that we cover. If you use more than 90 days within a benefit period, you can use these extra days. But once you have used up these extra 60 days, your inpatient hospital coverage will be limited to 90 days. There is a \$0 copayment per lifetime reserve day.
Inpatient stay: Covered services received in a hospital or SNF during a non-covered inpatient stay	You pay the applicable cost sharing for other services as though they were
If you have exhausted your inpatient benefits or if the inpatient stay is not reasonable and necessary, we will not cover your inpatient stay. However, in some cases, we will cover certain services you receive while you are in the hospital or the skilled nursing facility (SNF). Covered services include, but are not limited to:	provided on an outpatient basis. Please refer to the applicable benefit in this section of this <i>Evidence of Coverage</i> .
 □ Physician services □ Diagnostic tests (like lab tests) □ X-ray, radium, and isotope therapy including technician materials and services □ Surgical dressings 	
□ Splints, casts, and other devices used to reduce fractures and dislocations □ Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices	
□ Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition	
□ Physical therapy, speech therapy, and occupational therapy	
Medical nutrition therapy	There is no coinsurance, copayment,

This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor.

We cover 3 hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to receive more hours of treatment with a physician's order. A physician must prescribe these services and renew their order yearly if your treatment is needed into the next calendar year.

There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered medical nutrition therapy services.

an intravenous anti-nausea drug

What you must pay Services that are covered for you when you get these services **Medicare Diabetes Prevention Program (MDPP)** There is no coinsurance, copayment, MDPP services will be covered for eligible Medicare beneficiaries under all Medicare or deductible for the MDPP benefit. health plans. MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle. **Medicare Part B prescription drugs** Prior authorization may be required. These drugs are covered under Part B of Original Medicare. Members of our plan Medicare Part B drugs may be subject receive coverage for these drugs through our plan. Covered drugs include: to step therapy requirements. 0 - 20% coinsurance; up to \$35 for □ Drugs that usually aren't self-administered by the patient and are injected or Medicare-covered Part B insulin drugs. infused while you are getting physician, hospital outpatient, or ambulatory surgical You will pay no more than \$35 for onecenter services month's supply of covered insulin. Any ☐ Insulin furnished through an item of durable medical equipment (such as a plan deductible does not apply. medically necessary insulin pump) 0 - 20% coinsurance for Medicare-□ Other drugs you take using durable medical equipment (such as nebulizers) that covered Part B Chemotherapy/ were authorized by the plan Radiation drugs ☐ The Alzheimer's drug, Legembi®, (generic name lecanemab), which is 0 - 20% coinsurance for other administered intravenously. In addition to medication costs, you may need Medicare-covered Part B drugs additional scans and tests before and/or during treatment that could add to your overall costs. Talk to your doctor about what scans and tests you may need as part of your treatment □ Clotting factors you give yourself by injection if you have hemophilia ☐ Transplant/Immunosuppressive Drugs: Medicare covers transplant drug therapy if Medicare paid for your organ transplant. You must have Part A at the time of the covered transplant, and you must have Part B at the time you get immunosuppressive drugs. Keep in mind, Medicare drug coverage (Part D) covers immunosuppressive drugs if Part B doesn't cover them □ Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot selfadminister the drug □Some Antigens: Medicare covers antigens if a doctor prepares them and a properly instructed person (who could be you, the patient) gives them under appropriate supervision ☐ Certain oral anti-cancer drugs: Medicare covers some oral cancer drugs you take by mouth if the same drug is available in injectable form or the drug is a prodrug (an oral form of a drug that, when ingested, breaks down into the same active ingredient found in the injectable drug) of the injectable drug. As new oral cancer drugs become available, Part B may cover them. If Part B doesn't cover them, Part D does □ Oral anti-nausea drugs: Medicare covers oral anti-nausea drugs you use as part of an anti-cancer chemotherapeutic regimen if they're administered before, at, or within 48 hours of chemotherapy or are used as a full therapeutic replacement for

Services that are covered for you	What you must pay when you get these services
□ Certain oral End-Stage Renal Disease (ESRD) drugs if the same drug is available in injectable form and the Part B ESRD benefit covers it □ Calcimimetic medications under the ESRD payment system, including the intravenous medication Parsabiv®, and the oral medication Sensipar® □ Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessaryand topical anesthetics □ Erythropoiesis-stimulating agents: Medicare covers erythropoietin by injection if you have End-Stage Renal Disease (ESRD) or you need this drug to treat anemia related to certain other conditions (such as Epoetin Alfa) □ Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases □ Parenteral and enteral nutrition (intravenous and tube feeding) The following link will take you to a list of Part B Drugs that may be subject to Step Therapy: https://www.cigna.com/medicare/member-resources/drug-list-formulary. We also cover some vaccines under our Part B and Part D prescription drug benefit. Chapter 5 explains the Part D prescription drug benefit, including rules you must follow to have prescriptions covered. What you pay for your Part D prescription drugs through our plan is explained in Chapter 6.	
Obesity screening and therapy to promote sustained weight loss If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.	There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy.
	Dries cuthorization may be required
Opioid treatment program services Members of our plan with opioid use disorder (OUD) can receive coverage of services to treat OUD through an Opioid Treatment Program (OTP) which includes the following services:	Prior authorization may be required. \$45 copayment for Medicare-covered opioid treatment services
 □U.S. Food and Drug Administration (FDA)-approved opioid agonist and antagonist medication-assisted treatment (MAT) medications. □Dispensing and administration of MAT medications (if applicable) □Substance use disorder counseling □Individual and group therapy □Toxicology testing □Intake activities □Periodic assessments 	
Outpatient diagnostic tests and therapeutic services and supplies	Prior authorization may be required.
Covered services include, but are not limited to: X-rays Radiation (radium and isotope) therapy including technician materials and supplies Surgical supplies, such as dressings Splints, casts and other devices used to reduce fractures and dislocations Laboratory tests	A separate PCP/Specialist cost share will apply if additional services requiring cost sharing are rendered. A facility fee may also apply. \$0 or \$75 copayment for Medicare-covered diagnostic procedures and

- ☐ Medicare-covered genetic tests will only be covered once per the member's lifetime unless the test is specifically approved by the U.S. Food and Drug Administration (FDA) to be performed more than once.
- □ Blood including storage and administration. Coverage of whole blood and packed red cells begins only with the first pint of blood that you need. All other components of blood are covered beginning with the first pint used.
- ☐ Other outpatient diagnostic tests

What you must pay

when you get these services

tests. \$0 copayment for EKG and diagnostic colorectal screenings. \$75 copayment for all other diagnostic procedures and tests.

\$0 copayment for Medicare-covered lab services.

\$50 copayment for Medicare-covered genetic tests.

\$0 copayment for Medicare-covered blood services.

\$0 or \$325 copayment for Medicarecovered diagnostic radiology services (not including X-rays). \$0 copayment for mammography and ultrasounds. \$325 copayment for all other diagnostic and nuclear medicine radiological services

If multiple test types (such as CT and PET) are performed in the same day, multiple copayments will apply. If multiple tests of the same type (for example, CT scan of the head and CT scan of the chest) are performed in the same day one copayment will apply. 20% coinsurance for Medicare-covered therapeutic radiology services \$50 copayment for Medicare-covered X-rays.

Outpatient hospital observation

Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged.

For outpatient hospital observation services to be covered, they must meet the Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another individual authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests.

Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called *Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!* This fact sheet is available on the Web at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by

Prior authorization may be required.

\$375 per stay copayment for Medicare-covered outpatient hospital observation

calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

Outpatient hospital services

We cover medically-necessary services you get in the outpatient department of a hospital for diagnosis or treatment of an illness or injury.

Covered services include, but are not limited to:

- Services in an emergency department or outpatient clinic, such as observation services or outpatient surgery
- □ Laboratory and diagnostic tests billed by the hospital
- ☐ Mental health care, including care in a partial-hospitalization program, if a doctor certifies that inpatient treatment would be required without it
- □X-rays and other radiology services billed by the hospital
- ☐ Medical supplies such as splints and casts
- □ Certain drugs and biologicals that you can't give yourself

Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called *Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!* This fact sheet is available on the Web at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

Prior authorization may be required.

You pay the applicable cost sharing for these services. Please refer to the applicable benefit in this section of this *Evidence of Coverage*.

Self-administered drugs (medication you would normally take on your own) are not covered in an outpatient hospital setting. These drugs may be covered under your Part D benefit. Please contact Customer Service for more information.

Outpatient mental health care

Covered services include:

Mental health services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, licensed professional counselor (LPC), licensed marriage and family therapist (LMFT), nurse practitioner, (NP), physician assistant, (PA), or other Medicare-qualified mental health care professional as allowed under applicable state laws. For more information, call Customer Service.

Mental health telehealth services are also available through the Cigna Healthcare telehealth vendor. Not all provider types are available through the telehealth vendor. For more information contact the Cigna Healthcare telehealth vendor at 1-866-301-8658 (TTY 1-800-770-5531).

Prior authorization may be required.

\$0 copayment for each Medicarecovered individual or group therapy inperson or telehealth visit \$0 copayment for each Medicarecovered individual or group therapy inperson or telehealth visit with a psychiatrist

Outpatient rehabilitation services

Covered services include physical therapy, occupational therapy, and speech language therapy in-person visits.

Outpatient rehabilitation services are provided in various outpatient settings, such as hospital outpatient departments, independent therapist offices, and Comprehensive Outpatient Rehabilitation Facilities (CORFs).

\$35 copayment for Medicare-covered Occupational Therapy visits \$35 copayment for Medicare-covered Physical Therapy in-person visits \$35 copayment for Medicare-covered Speech and Language Pathology inperson visits

Services that are covered for you	What you must pay
The state and devices a second	when you get these services
	One copayment will apply when multiple therapies (such as PT, OT, ST) are provided by the same provider on same date and at the same place of service.
Outpatient substance use disorder services Covered services include: Substance use disorder outpatient services including Partial Hospitalization Program, outpatient evaluation, outpatient therapy and medication management provided by a doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner, physician assistant, or other Medicare-qualified behavioral health care professional as allowed under applicable state laws.	Prior authorization may be required. \$45 copayment for Medicare-covered individual or group substance use disorder outpatient treatment visits.
Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers Note: If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an outpatient.	Prior authorization may be required. \$0 or \$375 copayment for each Medicare-covered outpatient hospital facility visit. \$0 copayment for any surgical procedures (i.e., polyp removal) during a colorectal screening. \$375 copayment for all other Outpatient Services not provided in an Ambulatory Surgical Center. \$0 or \$300 copayment for each Medicare-covered ambulatory surgical center visit. \$0 copayment for any surgical procedures (i.e., polyp removal) during a colorectal screening. \$300 copayment for all other Ambulatory Surgical Center (ASC) services.
Over-the-Counter Items and Services The Over-the-Counter (OTC) allowance will be applied to your Cigna Heathy Today card each quarter. You can spend this allowance any time during the quarter it is received. You can purchase approved items online or by phone or mail through the Cigna Healthy Today website, Service Center or catalog. You can also purchase approved OTC items through our online retailer or in store, at participating retail locations. The OTC allowance applies to a specified quarterly amount and does not carry over to the next quarter or the following year. Exceptions may apply. Some OTC items require a doctor's recommendation for a specific diagnosable condition. Catalog orders limited to one per customer per month. Visit CignaHealthyToday.com to check your card balance or to see our list of covered OTC items and participating retail locations. For more information contact the Cigna Healthy Today Service Center at 1-866-851-1579 (TTY 711).	\$25 every 3 months for approved over-the-counter drugs and other health-related pharmacy products. Customer is responsible for all costs over and above the allowance amount.

Partial hospitalization services and Intensive outpatient services

Prior authorization may be required.

Partial hospitalization is a structured program of active psychiatric treatment provided a hospital outpatient service or by a community mental health center, that is more intense than the care received in your doctor's, therapist's, licensed marriage and family therapist's (LMFT), or licensed professional counselor's office and is an alternative to inpatient hospitalization.

Intensive outpatient service is a structured program of active behavioral (mental) health therapy treatment provided in a hospital outpatient department, a community mental health center, a Federally qualified health center, or a rural health clinic that is more intense than the care received in your doctor's, therapist's, licensed marriage and family therapist's (LMFT), or licensed professional counselor's office, but less intense than partial hospitalization.

What you must pay

when you get these services

\$80 copayment for Medicare-covered partial hospitalization program services and intensive outpatient services

Physician/Practitioner services, including doctor's office visits

Covered services include:

- ☐ Medically necessary medical care or surgery services furnished in a physician's office, certified ambulatory surgical center, hospital outpatient department, or any other location
- □ Consultation, diagnosis, and treatment by a specialist
- ☐ Basic hearing and balance exams performed by your specialist, if your doctor orders it to see if you need medical treatment
- □ Certain telehealth services, including urgent care (treating symptoms like allergies, cough, headache, nausea, and other low-risk illnesses), mental health therapy, and dermatology.
 - OYou have the option of receiving these services through an in-person visit or by telehealth. If you choose to receive one of these services by telehealth, you must use a network provider who offers the service by telehealth.
 - o If your network provider does not offer telehealth services and/or you need to access telehealth care quickly, you also have the option of getting these services through the Cigna Healthcare telehealth vendor. Electronic exchange can be by smartphone, regular telephone, computer or tablet and can include video. You must complete a brief medical history and symptom assessment before receiving services. A cost-share may apply and is due at the time of your telehealth visit. Go to myCigna.com to register for the telehealth vendor's services. For questions and more details, call the Cigna Healthcare telehealth vendor at 1-866-301-8658 (TTY 1-800-770-5531) or call Customer Service.
- □Some telehealth services including consultation, diagnosis, and treatment by a physician or practitioner, for patients in certain rural areas or other places approved by Medicare
- ☐ Telehealth services for monthly end-stage renal disease-related visits for home dialysis members in a hospital-based or critical access hospital-based renal dialysis center, renal dialysis facility, or the member's home
- ☐ Telehealth services to diagnose, evaluate, or treat symptoms of a stroke, regardless of your location
- □ Telehealth services for members with a substance use disorder or co-occurring mental health disorder, regardless of their location

Prior authorization may be required.

\$0 copayment for each Medicarecovered primary care physician visit \$45 copayment for each Medicarecovered specialist visit. \$0 copayment in a Primary Care Physician office or \$45 copayment in a Specialist office for each Medicarecovered Other Health Care Professional Service

What you must pay Services that are covered for you when you get these services ☐ Telehealth services for diagnosis, evaluation, and treatment of mental health disorders if: O You have an in-person visit within 6 months prior to your first telehealth visit O You have an in-person visit every 12 months while receiving these telehealth Exceptions can be made to the above for certain circumstances ☐ Telehealth services for mental health visits provided by Rural Health Clinics and Federally Qualified Health Centers □Virtual check-ins (for example, by phone or video chat) with your doctor for 5-10 minutes if: You're not a new patient and ○ The check-in isn't related to an office visit in the past 7 days and The check-in doesn't lead to an office visit within 24 hours or the soonest available appointment □ Evaluation of video and/or images you send to your doctor, and interpretation and follow-up by your doctor within 24 hours if: You're not a new patient and ○ The evaluation isn't related to an office visit in the past 7 days and The evaluation doesn't lead to an office visit within 24 hours or the soonest available appointment □ Consultation your doctor has with other doctors by phone, internet, or electronic health record ☐ Second opinion by another network provider prior to surgery □Non-routine dental care (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician) □Wound care services (including clinic) are provided to manage acute and chronic wounds through debridement, local wound care and specialized dressings. Medicare covers services provided by other health providers, such as physician assistants, nurse practitioners, social workers, physical therapists, and psychologists. Health professional means— □ a physician who is a doctor of medicine or osteopathy; or □ a physician assistant, nurse practitioner, or clinical nurse specialist; or □ a medical professional (including a health educator, a registered dietitian, or nutrition professional, or other licensed practitioner) or a team of such medical professionals, working under the direct supervision of a physician **Note:** Costs for services provided by other health providers (such as a nurse practitioner or physician assistant) will be based on the supervising physician's specialty. For example, if you are seeing a nurse practitioner and the supervising physician is a PCP, you will pay the PCP cost. If you are seeing a nurse practitioner and supervising physician is a Specialist, you will pay the Specialist cost. If your provider bills us as part of a hospital system, you may also be responsible for the outpatient hospital setting cost-share for the services. Cost-share for other services

Services that are covered for you	What you must pay when you get these services
performed in an outpatient setting are outlined in this chapter. Please check with your provider prior to scheduling services to see if the site is identified as part of a hospital.	
Podiatry services (Medicare-covered) Covered services include: Diagnosis and the medically necessary treatment of injuries and diseases of the feet (such as hammer toe, bunion deformities or heel spurs)	\$45 copayment for each Medicare- covered podiatry visit
□ Routine foot care for members with certain medical conditions affecting the lower limbs Prostate cancer screening exams For men aged 50 and older, covered services include the following – once every 12 months: □ Digital rectal exam □ Prostate Specific Antigen (PSA) test	There is no coinsurance, copayment, or deductible for an annual PSA test.
Prosthetic and orthotic devices and related supplies Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to testing, fitting, or training in the use of prosthetic and orthotic devices; as well as: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic and orthotic devices, and repair and/or replacement of prosthetic and orthotic devices. Also includes some coverage following cataract removal or cataract surgery – see <i>Vision Care</i> later in this section for more detail. Note: Medical supply quantities will be reviewed to ensure they are medically necessary	Prior authorization may be required. 20% coinsurance for Medicare-covered prosthetic and orthotic devices and medical supplies related to prosthetics, splints, and other devices
And reasonable. Total monthly quantity limits may apply for medical supplies. Pulmonary rehabilitation services Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.	\$20 copayment for each Medicare-covered pulmonary rehabilitative therapy visit One copayment will apply when multiple therapies are provided by the same provider on the same date and at the same place of service.
Screening and counseling to reduce alcohol misuse We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren't alcohol dependent. If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.
Screening for lung cancer with low dose computed tomography (LDCT) For qualified individuals, a LDCT is covered every 12 months.	There is no coinsurance, copayment, or deductible for the Medicare-covered

Eligible members are: people aged 50 – 77 years who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who receive an order for LDCT during a lung cancer screening counseling and shared decision making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner.

For LDCT lung cancer screenings after the initial LDCT screening: the members must receive an order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision making visit for subsequent lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.

What you must pay

when you get these services counseling and shared decision making visit or for the LDCT.

Screening for sexually transmitted infections (STIs) and counseling to prevent STIs

We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy.

We also cover up to two individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.

There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit.

Services to treat kidney disease

dialysis equipment and water supply)

Covered services include:

Triandy diodace daddation between to todain mandy date and help members make
informed decisions about their care. For members with stage IV chronic kidney
disease when referred by their doctor, we cover up to six sessions of kidney
disease education services per lifetime.
☐ Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3, or when your provider for this service is temporarily unavailable or inaccessible)
□ Inpatient dialysis treatments (if you are admitted as an inpatient to a hospital for special care)
☐ Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments)
☐ Home dialysis equipment and supplies
□Certain home support services (such as, when necessary, visits by trained dialysi

workers to check on your home dialysis, to help in emergencies, and check your

□Kidney disease education services to teach kidney care and help members make

Prior authorization may be required for Medicare-covered renal dialysis.

\$0 copayment for Medicare-covered kidney disease education services 20% coinsurance for Medicarecovered renal dialysis

What you must pay Services that are covered for you when you get these services Certain drugs for dialysis are covered under your Medicare Part B drug benefit. For information about coverage for Part B drugs, please go to the section, Medicare Part B prescription drugs. Skilled nursing facility (SNF) care Prior authorization may be required. (For a definition of skilled nursing facility care, see Chapter 12 of this document. Skilled For Medicare-covered SNF stays, the nursing facilities are sometimes called SNFs.) copayment is: Plan covers up to 100 days each benefit period. An inpatient hospital stay is **not** \$0 per day for days 1-20: required prior to SNF admission. \$214 per day for days 21-100 Covered services include but are not limited to: In some instances, a readmission policy may apply in which the benefit ☐ Semiprivate room (or a private room if medically necessary) will continue from original admission. ☐ Meals, including special diets For each Medicare-covered SNF stay. ☐ Skilled nursing services you are required to pay the applicable □ Physical therapy, occupational therapy, and speech therapy cost sharing, starting with Day 1 each □ Drugs administered to you as part of your plan of care (this includes substances time you are admitted. that are naturally present in the body, such as blood clotting factors.) ☐ Blood – including storage and administration. Coverage of whole blood and packed red cells begins only with the first pint of blood that you need. All other components of blood are covered beginning with the first pint used. ☐ Medical and surgical supplies ordinarily provided by SNFs □ Laboratory tests ordinarily provided by SNFs □ X-rays and other radiology services ordinarily provided by SNFs \square Use of appliances such as wheelchairs ordinarily provided by SNFs □ Physician/Practitioner services Generally, you will get your SNF care from network facilities. However, under certain conditions listed below, you may be able to pay in-network cost sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment. □A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care) □ An SNF where your spouse or domestic partner is living at the time you leave the hospital Smoking and tobacco use cessation (counseling to stop smoking or There is no coinsurance, copayment,

tobacco use)

If you use tobacco, but do not have signs or symptoms of tobacco-related disease: We cover two counseling guit attempts within a 12-month period as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits. If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco: We cover cessation counseling

services. We cover two counseling guit attempts within a 12-month period, however, you will pay the applicable cost sharing. Each counseling attempt includes up to four face-toface visits.

Supervised Exercise Therapy (SET)

or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits.

Prior authorization may be required.

SET is covered for members who have symptomatic peripheral artery disease (PAD) and are recommended for treatment by the responsible physician.

Up to 36 sessions over a 12-week period are covered if the SET program requirements are met.

The SET program must:

- □ Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication
 □ Be conducted in a hospital outpatient setting or a physician's office
 □ Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms, and who are trained in exercise therapy for PAD
 □ Be under the direct supervision of a physician, physician assistant, or nurse
- practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques

 SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions

SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider.

What you must pay

when you get these services

\$20 copayment for each Medicarecovered Supervised Exercise Therapy visit

One copayment will apply when multiple therapies are provided by the same provider on the same date and at the same place of service.

Transportation

Routine, non-emergency health-related transportation benefit includes specified quantity of one-way trips by taxi, rideshare services, van or medical transport. Customers are required to contact Cigna Healthcare's transportation vendor at least 48 hours in advance of their appointment to schedule non-emergent transportation services to plan-approved locations, such as doctor's appointments. Transportation arranged outside of the transportation vendor will not be covered and will be the responsibility of the member. There are cancellation requirements and restrictions. A cancellation must be made up to two hours prior to the scheduled trip, or it will be deducted from the number of trips remaining.

A maximum trip distance of 70 miles per one-way trip applies. Prior Authorization is required where the travel distance to a provider exceeds the mileage limit of 70 miles. Trip distances exceeding 70 miles per one-way trip are not covered except when transportation is needed to obtain specific medically necessary Medicare or Plan covered services.

The transportation vendor is in partnership with rideshare services to provide transport for ambulatory customers. Customers with special needs will be transported by traditional non-emergent medical transportation (NEMT) drivers who have vehicles that accommodate wheelchairs, walkers, etc. To be transported by a rideshare driver, customers must be able to receive text messages on their phones. Rideshare transport may not be available for certain types of transports and within certain service areas. Requests for transportation received with less than a 48-hour notice will be reviewed on a case-by-case basis to determine the urgency of the trip and the availability of an NEMT driver to transport the member. A traditional NEMT driver may accommodate multiple occupants in one vehicle. Rideshare transports apply to a single occupant; however, a family member or escort may be allowed.

See **Ambulance services** benefit in this chart for additional information about nonemergency Medicare-covered Ambulance services.

Prior authorization may be required.

\$0 copayment for up to 10 one-way trips to plan-approved locations every year

What you must pay Services that are covered for you when you get these services For more information call the Cigna Healthcare transportation vendor at 1-866-214-5126 (TTY 711). **Urgently needed services** \$45 copayment for Medicare-covered urgently needed service visit A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the \$110 copayment for worldwide plan, or even if you are inside the service area of the plan, it is unreasonable given your emergency/urgent coverage and time, place, and circumstances to obtain this service from network providers with whom worldwide emergency transportation the plan contracts. Your plan must cover urgently needed services and only charge you \$50,000 (USD) combined limit per year in-network cost sharing. Examples of urgently needed services are unforeseen medical for emergency and urgent care illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically services provided outside the U.S. and necessary routine provider visits, such as annual checkups, are not considered urgently its territories. needed even if you are outside the service area of the plan or the plan network is Emergency transportation must be temporarily unavailable. medically necessary. Urgently needed services are covered worldwide. If you are admitted to the hospital See Ambulance services benefit in this chart for additional information about within 24 hours for the same condition, Worldwide ambulance services. you pay \$0 for the urgently needed services visit. - exam every year (routine eye exam does not include a contact lens fitting) \$0 copayment up to the eyewear allowance for:
- -up to one pair of eyeglasses (lenses and frames) every year
- -unlimited contact lenses up to plan coverage limit
- -up to one pair of eyeglass lenses every year
- -up to one eyeglass frame every year-upgrades
- \$100 allowance for routine eyewear every year.

The plan will not cover both eyeglass lenses/frames and contacts in the same plan year. Customer is responsible for all costs over and above the allowance amount.

Welcome to Medicare Preventive Visit

The plan covers the one-time Welcome to Medicare preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots), and referrals for other care if needed. **Important:** We cover the Welcome to Medicare preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you would like to schedule your Welcome to Medicare preventive visit

There is no coinsurance, copayment, or deductible for the Welcome to Medicare preventive visit.

SECTION 3 What services are not covered by the plan?

Section 3.1 Services we do *not* cover (exclusions)

This section tells you what services are *excluded* from Medicare coverage and, therefore, are not covered by this plan. The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions listed below. Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

The only exception is if the service is appeals and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3 in this document.)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Acupuncture.		□Available for people with chronic low back pain under certain circumstances.
Air ambulance for transportation to return to the United States.		□Return or repatriation to the United States during a medical injury or illness is not covered unless the closest appropriate facility to stabilize and treat the injury or illness is in the United States. Once stabilized, return air ambulance transportation to the United States is not covered.
Cosmetic surgery or procedures.		□Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member.
		□Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Custodial care. Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	Not covered under any condition.	
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined Original Medicare to not be generally accepted by the medical community.		 □May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (See Chapter 3, Section 5 for more information on clinical research studies.)
Fees charged for care by your immediate relatives or members of your household.	Not covered under any condition.	
Full-time nursing care in your home.	Not covered under any condition.	
General health panel including, but not limited to, a comprehensive metabolic panel, blood count complete and thyroid stimulating hormone.	Not covered under any condition.	
Home-delivered meals.		□Please refer to Home-delivered meals in the Medical Benefits Chart for more information.

Services not covered by Medicare	Not covered under any condition	Covered only under specific
,	•	conditions
Homemaker services include basic household assistance, including light housekeeping or light meal preparation.	Not covered under any condition.	
Incontinence supplies including pads, pull-ups and gloves	Not covered under any condition.	
Naturopath services (uses natural or alternative treatments).	Not covered under any condition.	
Obstetrical services.	Not covered under any condition.	
Orthopedic shoes or supportive devices for the feet.		□Shoes that are part of a leg brace and are included in the cost of the brace.□Orthopedic or therapeutic shoes for people with diabetic foot disease.
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television.	Not covered under any condition.	
Private room in a hospital.		□Covered only when medically necessary.
Reversal of sterilization procedures and/ or non-prescription contraceptive supplies.	Not covered under any condition.	
Routine chiropractic care.		□Manual manipulation of the spine to correct a subluxation is covered. Plus 12 routine visits. Please refer to Chiropractic Services in the Medical Benefits Chart for more information.
Radial keratotomy, LASIK surgery and other low vision aids. (Please refer to the Medical Benefits Chart for vision services covered by our plan.)		□Eye exam and one pair of eyeglasses (or contact lenses) are covered for people after cataract surgery.
Services considered not reasonable and necessary, according to Original Medicare standards.	Not covered under any condition.	

CHAPTER 5:

Using the plan's coverage for Part D prescription drugs

Chapter 5. Using the plan's coverage for Part D prescription drugs

SECTION 1 Introduction

This chapter **explains rules for using your coverage for Part D drugs**. Please see Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

Section 1.1 Basic rules for the plan's Part D drug coverage

The plan will generally cover your drugs as long as you follow these basic rules:

- □You must have a provider (a doctor, dentist or other prescriber) write your prescription which must be valid under applicable state law.
- ☐ Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- □You generally must use a network pharmacy to fill your prescription. (See Section 2 in this chapter.) Or you can fill your prescription through the plan's mail-order service.
- ☐ Your drug must be on the plan's *List of Covered Drugs (Formulary)* (we call it the Drug List for short). (See Section 3 in this chapter.)
- □Your drug must be used for a medically accepted indication. A medically accepted indication is a use of the drug that is either approved by the Food and Drug Administration or supported by certain references. (See Section 3 in this chapter for more information about a medically accepted indication.)
- ☐ Your drug may require approval before we will cover it. (See Section 4 in this chapter for more information about restrictions on your coverage.)

SECTION 2 Fill your prescription at a network pharmacy or through the plan's mail-order service

Section 2.1 Use a network pharmacy

In most cases, your prescriptions are covered *only* if they are filled at the plan's network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with the plan to provide your covered prescription drugs. The term covered drugs means all of the Part D prescription drugs that are on the plan's Drug List.

Section 2.2 Network pharmacies

How do you find a network pharmacy in your area?

To find a network pharmacy, you can look in your *Provider and Pharmacy Directory*, visit our website (<u>www.cignamedicare.com</u>), and/or call Customer Service.

You may go to any of our network pharmacies. Some of our network pharmacies provide preferred cost sharing, which may be lower than the cost sharing at a pharmacy that offers standard cost sharing. *The Provider and Pharmacy Directory* will tell you which of the network pharmacies offer preferred cost sharing. Contact us to find out more about how your out-of-pocket costs could vary for different drugs.

What if the pharmacy you have been using leaves the network?

If the pharmacy you have been using leaves the plan's network, you will have to find a new pharmacy that is in the network. Or if the pharmacy you have been using stays within the network but is no longer offering preferred cost sharing, you may want to switch to a different network or preferred pharmacy, if available. To find another pharmacy in your area, you can get help from Customer Service or use the *Provider and Pharmacy Directory*. You can also find information on our website at www.cignamedicare.com.

What if you need a specialized pharmacy?

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

□ Pharmacies that supply drugs for home infusion therapy.

11,7	a long-term care (LTC) facility. Usually, an LTC facility (such as a nursing difficulty accessing your Part D benefits in an LTC facility, please contact
	ce/Tribal/Urban Indian Health Program (not available in Puerto Rico). Except in Natives have access to these pharmacies in our network.
, ,	cted by the FDA to certain locations or that require special handling, provider ate a specialized pharmacy, look in your <i>Provider and Pharmacy Directory</i> stomer Service.

Section 2.3 Using the plan's mail-order service

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order a 30-day, 60-day or 100-day supply for Tier 1 and Tier 2 drugs or a 90 day supply for Tier 3, and Tier 4 drugs.

You may go to any of our network mail-order pharmacies. However, your costs may be even less for your covered drugs if you use a network mail-order pharmacy that offers preferred cost sharing rather than a network mail-order pharmacy that offers standard cost sharing. The *Provider and Pharmacy Directory* will tell you which of the network pharmacies offer preferred cost sharing. You can find out more about how your out-of-pocket costs could be different for different drugs by contacting us.

To get information about filling your prescriptions by mail, please visit our website (<u>www.cignamedicare.com</u>) or contact Customer Service (phone numbers are on the back cover of this document).

Usually a mail-order pharmacy order will get to you in no more than 14 days. In the event a mail order package is delayed, the mail-order pharmacy will assist you to coordinate a short-term fill with a retail pharmacy that is near you. You can also contact Customer Service for assistance.

New prescriptions the pharmacy receives directly from your doctor's office.

The pharmacy will automatically fill and deliver new prescriptions it receives from health care providers, without checking with you first, if either:

□You used mail order services with this plan in the past, or
□You sign up for automatic delivery of all new prescriptions received directly from health care providers. You may request
automatic delivery of all new prescriptions at any time by calling 1-877-860-0982 (TTY 711) or logging in to
www.myCigna.com.

If you receive a prescription automatically by mail that you do not want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact us by calling 1-877-860-0982 (TTY 711) or logging in to www.myCigna.com.

If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It is important that you respond each time you are contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

To opt out of automatic deliveries of new prescriptions received directly from your health care provider's office, please contact us by calling 1-877-860-0982 (TTY 711) or logging in to www.myCigna.com.

Refills on mail order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you prior to shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, please contact your pharmacy 15 days before your current prescription will run out. This will ensure your order is shipped to you in time.

Chapter 5. Using the plan's coverage for Part D prescription drugs

To opt out of our program that automatically prepares mail-order refills, please contact us by calling 1-877-860-0982 (TTY 711) or logging in to www.myCigna.com.

If you receive a refill automatically by mail that you do not want, you may be eligible for a refund.

Section 2.4 How can you get a long-term supply of drugs?

The plan offers two ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

- 1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs (which offer preferred cost sharing) at a lower cost sharing amount. Other retail pharmacies may not agree to the lower cost sharing amount. In this case you will be responsible for the difference in price. Your *Provider and Pharmacy Directory* (www.CignaMedicare.com/resources) tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Service for more information.
- 2. You may also receive maintenance drugs through our mail-order program. Please see Section 2.3 for more information.

Section 2.5 When can you use a pharmacy that is not in the plan's network?

Your prescription may be covered in certain situations

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. **Please check first with Customer Service** to see if there is a network pharmacy nearby. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy. Here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

\Box You travel outside the plan's service area and run out of or lose covered Part D drugs, or become ill and need a	covered
Part D drug and cannot access a network pharmacy.	
□You are unable to obtain a covered Part D drug in a timely manner within the service area because, for example network pharmacy within a reasonable driving distance that provides 24/7 service.	, there is no
□You are filling a prescription for a covered Part D drug and that particular drug is not regularly stocked at an acc network retail or mail order pharmacy.	essible
□The Part D drugs are dispensed by an out-of-network institution-based pharmacy while in an emergency facility,	

How do you ask for reimbursement from the plan?

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2 explains how to ask the plan to pay you back.)

SECTION 3 Your drugs need to be on the plan's Drug List

Section 3.1 The Drug List tells which Part D drugs are covered

provider-based clinic, outpatient surgery, or other outpatient setting.

The plan has a List of Covered Drugs (Formulary). In this Evidence of Coverage, we call it the Drug List for short.

The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The drugs on the Drug List are only those covered under Medicare Part D.

We will generally cover a drug on the plan's Drug List as long as you follow the other coverage rules explained in this chapter and the drug is used for a medically accepted indication. A medically accepted indication is a use of the drug that is *either*:

□ Approved by the Food and Drug Administration for the diagnosis or condition for which it is being prescribed, or
□ Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex
DRUGDEX Information System.

The Drug List includes both brand name and generic drugs and biological products (which may include biosimilars).

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On the "Drug List," when we refer to drugs, this could mean a drug or a biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives that are called biosimilars. Generally, generics and biosimilars work just as well as the brand name drug or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

See Chapter 12 for definitions of the types of drugs that may be on the Drug List.

What is not on the "Drug List?"

The plan does not cover all prescription drugs.

- □ In some cases, the law does not allow any Medicare plan to cover certain types of drugs. (For more information about this, see Section 7.1 in this chapter.)
- □ In other cases, we have decided not to include a particular drug on the Drug List. In some cases, you may be able to obtain a drug that is not on the Drug List. (For more information, please see Chapter 9.)

Section 3.2 There are 5 "cost sharing tiers" for drugs on the Drug List

Every drug on the plan's Drug List is in one of 5 cost sharing tiers. In general, the higher the cost sharing tier, the higher your cost for the drug:

	Cost-Sharing Tier	Drugs Included in Cost-Sharing Tier	
Lowest Cost-Sharing Tier	1	Preferred Generic Drugs	
	2	Generic Drugs	
	3	Preferred Brand Drugs	
	4	Non-Preferred Drugs	
Highest Cost-Sharing Tier	5	Specialty Drugs	

To find out which cost sharing tier your drug is in, look it up in the plan's Drug List.

The amount you pay for drugs in each cost sharing tier is shown in Chapter 6 (What you pay for your Part D prescription drugs).

Section 3.3 How can you find out if a specific drug is on the "Drug List?"

You have four ways to find out:

- Check the most recent Drug List we provided electronically. (Please note: The Drug List we provide includes information for the covered drugs that are most commonly used by our members. However, we cover additional drugs that are not included in the provided Drug List. If one of your drugs is not listed in the Drug List, you should visit our website or contact Customer Service to find out if we cover it.)
- 2. Visit the plan's website (www.cignamedicare.com). The Drug List on the website is always the most current.
- 3. Call Customer Service to find out if a particular drug is on the plan's Drug List or to ask for a copy of the list.
- 4. Use the plan's "Real-Time Benefit Tool" (cigna.com/member-resources, then select "Find a Drug or Pharmacy" or by calling Customer Service). With this tool you can search for drugs on the Drug List to see an estimate of what you will pay and if there are alternative drugs on the Drug List that could treat the same condition.

Using the plan's coverage for Part D prescription drugs Chapter 5.

SECTION 4 There are restrictions on coverage for some drugs

Section 4.1 Why do some drugs have restrictions?

For certain prescription drugs, special rules restrict how and when the plan covers them. A team of doctors and pharmacists developed these rules to help our members use drugs in the most effective ways. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List. If a safe, lower-cost drug will work just as well medically as a higher-cost drug, the plan's rules are designed to encourage you and your provider to use that lower-cost option.

Please note that sometimes a drug may appear more than once on our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

Section 4.2 What kinds of restrictions?

The sections below tell you more about the types of restrictions we use for certain drugs.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. Contact Customer Service to learn what you or your provider would need to do to get coverage for the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9.)

Getting plan approval in advance

5.3 to learn what you can do.

For certain drugs, you or your provider need to get approval from the plan before we will agree to cover the drug for you. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**.

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What if one of your drugs is not covered in the way you'd like it to be covered?

Section 5.1 There are things you can do if your drug is not covered in the way you'd like it to be covered

There are situations where there is a prescription drug you are taking, or one that you and your provider think you should be taki

ing, that is not on our formulary or is on our formulary with restrictions. For example:
☐ The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand name version you want to take is not covered.
☐ The drug is covered, but there are extra rules or restrictions on coverage for that drug, as explained in Section 4, the drug is covered, but it is in a cost sharing tier that makes your cost sharing more expensive than you think it should be.
□ There are things you can do if your drug is not covered in the way that you'd like it to be covered. If your drug is not on the Drug List or if your drug is restricted, go to Section 5.2 to learn what you can do.
□ If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section

Section 5.2 What can you do if your drug is not on the Drug List or if the drug is restricted in some way? If your drug is not on the Drug List or is restricted, here are options: ☐ You may be able to get a temporary supply of the drug. ☐ You can change to another drug. ☐ You can request an **exception** and ask the plan to cover the drug or remove restrictions from the drug. You may be able to get a temporary supply Under certain circumstances, the plan must provide a temporary supply of a drug that you are already taking. This temporary supply gives you time to talk with your provider about the change. To be eligible for a temporary supply, the drug you have been taking must no longer be on the plan's Drug List OR is now restricted in some way. □ If you are a new member we will cover a temporary supply of your drug during the first 90 days of your membership in the If you were in the plan last year, we will cover a temporary supply of your drug during the first 90 days of the calendar year. ☐ This temporary supply will be for a maximum of a 30-day supply. If you prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of a 30-day supply of medication. The prescription must be filled at a network pharmacy. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.) ☐ For those members who have been in the plan for more than 90 days and reside in a long-term care facility and

For questions about a temporary supply, call Customer Service.

in addition to the above temporary supply.

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have two options:

We will cover one 31-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is

□ In order to accommodate unexpected transitions of members without time for advanced planning, such as level-of-care changes due to discharge from a hospital to a nursing facility or to a home, we will cover a temporary 30-day

1) You can change to another drug

supply.

need a supply right away:

Talk with your provider about whether there is a different drug covered by the plan that may work just as well for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

2) You can ask for an exception

You and your provider can ask the plan to make an exception and cover the drug in the way you would like it covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception. For example, you can ask the plan to cover a drug even though it is not on the plan's Drug List. Or you can ask the plan to make an exception and cover the drug without restrictions.

If you are a current member and a drug you are taking will be removed from the formulary or restricted in some way for next year, we will tell you about any change prior to the new year. You can ask for an exception before next year and we will give you an answer within 72 hours after we receive your request (or your prescriber's supporting statement). If we approve your request, we will authorize the coverage before the change takes effect.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Chapter 5. Using the plan's coverage for Part D prescription drugs

Section 5.3 What can you do if your drug is in a cost sharing tier you think is too high?

If you drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower costsharing tier that might work just as well for you. Call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

You can ask for an exception

You and your provider can ask the plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our Tier 5 (Specialty Tier) are not eligible for this type of exception. We do not lower the cost-sharing amount for drugs in this tier.

SECTION 6 What if your coverage changes for one of your drugs?

Section 6.1 The Drug List can change during the year

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, the plan might make changes to the Drug List. For example, the plan might:

□Add or remove drugs from the Drug List.

☐ Move a drug to a higher or lower cost-sharing tier.

□ Add or remove a restriction on coverage for a drug.

□ Replace a brand name drug with a generic version of the drug.

□ Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change the plan's Drug List.

See Chapter 12 for definitions of the drug types discussed in this chapter.

Section 6.2 What happens if coverage changes for a drug you are taking?

Information on changes to drug coverage

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. This section describes the types of changes we may make to the Drug List and when you will get direct notice if changes are made for a drug that you are then taking:

Changes we may make to the Drug List that affect you during the current plan year

Adding new drug	gs to the Drug	List and imi	mediately rem	noving or m	aking changes	s to a like drug	on the Drug	List.

- When adding a new version of a drug to the Drug List, we may immediately remove a like drug from the Drug List, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
- We will make these immediate changes only if we are adding a new generic version of a brand name or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
- We may make these changes immediately and tell you later, even if you are taking the drug that we are removing
 or making changes to. If you are taking the like drug at the time we make the change, we will tell you about any
 specific change we made.

□ Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List with advance notice.

- When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new restrictions, or both. The version of the drug that we add will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
- We will make these changes only if we are adding a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
- We will tell you at least 30 days before we make the change, or tell you about the change and cover a 30-day fill
 of the version of the drug you are taking.

Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.

 Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you are taking that drug, we will tell you after we make the change.

Making other changes to drugs on the Drug List.

- We may make other changes once the year has started that affect drugs you are taking. For example, we may
 make changes based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
- We will tell you at least 30 days before we make these changes, or tell you about the change and cover an additional 30-day fill of the drug you are taking.

If we make any of these changes to any of the drugs you are taking, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or requesting a coverage decision to satisfy any new restrictions on the drug you are taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, see Chapter 9.

Changes to drugs on the Drug List that that do not affect you during the current plan year:

We may make certain changes to the Drug List that are not described above. In these cases, the change will not apply to you if you are taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that will not affect you during the current plan year are:

\square We move your drug into a higher cost-sharing tier.
\square We put a new restriction on your use of the drug.
☐ We remove your drug from the Drug List.

If any of these changes happen for a drug you are taking (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We will not tell you about these types of changes directly during the current plan year. You will need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to the drugs you are taking that will impact you during the next plan year.

SECTION 7 What types of drugs are *not* covered by the plan?

Section 7.1 Types of drugs we do not cover

This section tells you what kinds of prescription drugs are excluded. This means Medicare does not pay for these drugs. If you get drugs that are excluded, you must pay for them yourself (except for certain excluded drugs covered under our enhanced drug coverage). If you appeal and the requested drug is found not to be excluded under Part D, we will pay or cover it. (For information about appealing a decision, go to Chapter 9.)

Chapter 5. Using the plan's coverage for Part D prescription drugs

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:
□Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
□Our plan cannot cover a drug purchased outside the United States and its territories.
□ Our plan cannot cover <i>off-label</i> use of a drug when the use is not supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. <i>Off-label</i> use is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.
In addition, by law, these categories of drugs are not covered by Medicare drug plans: (Our plan covers certain drugs listed below through our enhanced drug coverage, for which you may be charged an additional premium. More information is provided below
□Non-prescription drugs (also called over-the-counter drugs)
□ Drugs used to promote fertility
□ Drugs used for the relief of cough or cold symptoms
□Drugs used for cosmetic purposes or to promote hair growth
□Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
□ Drugs used for the treatment of sexual or erectile dysfunction
□Drugs used for treatment of anorexia, weight loss, or weight gain
☐ Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
We offer additional coverage of some prescription drugs (enhanced drug coverage) not normally covered in a Medicare

We offer additional coverage of some prescription drugs (enhanced drug coverage) not normally covered in a Medicare prescription drug plan. We offer coverage for select erectile dysfunction drugs with quantity limitations. Additional details are available in the plan's comprehensive Drug List. The amount you pay for these drugs does not count towards qualifying you for the Catastrophic Coverage Stage. (The Catastrophic Coverage Stage is described in Chapter 6, Section 6 of this document.) In addition, if you are **receiving "Extra Help" from Medicare** to pay for your prescriptions, the "Extra Help" program will not pay for the drugs not normally covered. (Please refer to the plan's Drug List or call Customer Service for more information. Phone numbers for Customer Service are printed on the back cover of this document.) However, if you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 Filling a prescription

Section 8.1 Provide your membership information

To fill your prescription, provide your plan membership information, which can be found on your membership card, at the network pharmacy you choose. The network pharmacy will automatically bill the plan for *our* share of your drug cost. You will need to pay the pharmacy *your* share of the cost when you pick up your prescription.

Section 8.2 What if you don't have your membership information with you?

If you don't have your plan membership information with you when you fill your prescription, you or the pharmacy can call the plan to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. (You can then ask us to reimburse you for our share. See Chapter 7, Section 2 for information about how to ask the plan for reimbursement.)

SECTION 9 Part D drug coverage in special situations

Section 9.1 What if you're in a hospital or a skilled nursing facility for a stay that is covered by the plan?

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, the plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this chapter.

Section 9.2 What if you're a resident in a long-term care (LTC) facility?

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy, or a pharmacy that supplies drugs for all of its residents. If you are a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your *Provider and Pharmacy Directory* (www.CignaMedicare.com/resources) to find out if your LTC facility's pharmacy or the one that it uses is part of our network. If it isn't, or if you need more information, or assistance, please contact Customer Service. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies.

What if you're a resident in a long-term care (LTC) facility and need a drug that is not on our Drug List or is restricted in some way?

Please refer to Section 5.2 about a temporary or emergency supply.

Section 9.3 What if you're also getting drug coverage from an employer or retiree group plan?

If you currently have other prescription drug coverage through your (or your spouse or domestic partner's) employer or retiree group please contact **that group's benefits administrator**. They can help you determine how your current prescription drug coverage will work with our plan.

In general, if you have employee or retiree group coverage, the drug coverage you get from us will be *secondary* to your employer or retiree group coverage. That means your group coverage would pay first.

Special note about creditable coverage:

Each year your employer or retiree group should send you a notice that tells if your prescription drug coverage for the next calendar year is creditable.

If the coverage from the group plan is creditable, it means that the plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.

Keep this notice about creditable coverage because you may need it later. If you enroll in a Medicare plan that includes Part D drug coverage, you may need this notice to show that you have maintained creditable coverage. If you didn't get the creditable coverage notice, request a copy from the employer or retiree group's benefits administrator or the employer or union.

Section 9.4 What if you're in Medicare-certified hospice?

Hospice and our plan do not cover the same drug at the same time. If you are enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that are not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled. In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

Section 10.1 Programs to help members use drugs safely

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

□Possible medication errors
□ Drugs that may not be necessary because you are taking another similar drug to treat the same condition
□Drugs that may not be safe or appropriate because of your age or gender
□ Certain combinations of drugs that could harm you if taken at the same time
□Prescriptions for drugs that have ingredients you are allergic to
□Possible errors in the amount (dosage) of a drug you are taking
☐Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

Section 10.2 Drug Management Program (DMP) to help members safely use their opioid medications

We have a program that can help make sure members safely use their prescription opioid medications and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

□Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
□Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
□ Limiting the amount of opioid or benzodiazepine medications we will cover for you

If we plan on limiting how you may get these medications or how much you can get, we will send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You will have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we will send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we will review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we will automatically send your case to an independent reviewer outside of our plan. See Chapter 9 for information about how to ask for an appeal.

You will not be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you are receiving hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.3 Medication Therapy Management (MTM) program to help members manage their medications

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program is voluntary and free. A team of pharmacists and doctors developed the program for us to help make sure that our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs, or are in a DMP to help members use their opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will receive information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you from the program. If you have any questions about this program, please contact Customer Service.

CHAPTER 6:

What you pay for your Part D prescription drugs

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this** *Evidence of Coverage* **about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get "Extra Help" Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, please call Customer Service and ask for the *LIS Rider*.

SECTION 1 Introduction

Section 1.1 Use this chapter together with other materials that explain your drug coverage

This chapter focuses on what you pay for your Part D prescription drugs. To keep things simple, we use "drug" in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs — some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5, Sections 1 through 4 explain these rules. When you use the plan's "Real-Time Benefit Tool" to look up drug coverage (see Chapter 5, Section 3.3), the cost shown is provided in "real time," meaning the cost you see in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can also obtain information provided by the "Real-Time Benefit Tool" by calling Customer Service.

Section 1.2 Types of out-of-pocket costs you may pay for covered drugs

There are different types of out-of-pocket costs for Part D drugs. The amount that you pay for a drug is called **cost-sharing** and there are three ways you may be asked to pay.

- □ **Deductible** is the amount you must pay for drugs before our plan begins to pay its share.
- □ **Copayment** is a fixed amount you pay each time you fill a prescription.
- □ **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

Section 1.3 How Medicare calculates your out-of-pocket costs

Medicare has rules about what counts and what does *not* count toward your out-of-pocket costs. Here are the rules that we must follow when we keep track of your out-of-pocket costs.

These payments are included in your out-of-pocket costs

<u>Your out-of-pocket-costs include</u> the payments listed below (as long as they are for Part D covered drugs and you followed the rules for drug coverage that are explained in Chapter 5:

- □ The amount you pay for drugs when you are in the following drug payment stages:
 - The Initial Coverage Stage
- □ Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

It matters who pays:

- □ If you make these payments **yourself**, they are included in your out-of-pocket costs.
- □ These payments are also included in your out-of-pocket costs if they are made on your behalf by **certain other individuals or organizations**. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, employer or union health plans, TRICARE, or by the Indian Health Service. Payments made by Medicare's "Extra Help" Program are also included.

Moving on to the Catastrophic Coverage Stage

When you (or those paying on your behalf) have spent a total of \$2,000 in out-of-pocket costs within the calendar year, you will move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

Chapter 6. What you pay for your Part D prescription drugs

These payments <u>are not included</u> in your out-of-pocket cos	ts
our out-of-pocket costs do not include any of these types of payments:	

□ Drugs you buy outside the United States and its territories.
□ Drugs that are not covered by our plan.
□ Drugs you get an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage.
□ Prescription drugs covered by Part A or Part B.
□ Payments you make toward drugs covered under our additional coverage but not normally covered in a Medicare Prescription Drug Plan.
□ Payments you make toward prescription drugs not normally covered in a Medicare Prescription Drug plan.
□ Payments for your drugs that are made by the Veterans Health Administration (VA).
□ Payments for your drugs that are made by a third party with a legal obligation to pay for prescription costs (for example, Workers' Compensation.)

□ Payments made by drug manufacturers under the Manufacturer Discount Program

Reminder: If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are

required to tell our plan by calling Customer Service.

How can you keep track of your out-of-pocket total?

□ We will help you The Part D Explanation of Benefits (EOB) report you receive includes the current amount of your out-of-pocket costs. When this amount reaches \$2,000, this report will tell you that you have left the Initial Coverage Stage and have moved on to the Catastrophic Coverage Stage.

□ Make sure we have the information we need Section 3.2 tells what you can do to help make sure that our records of what you have spent are complete and up to date.

SECTION 2 What you pay for a drug depends on which drug payment stage you are in when you get the drug

Section 2.1 What are the drug payment stages for our plan members?

There are three **drug payment stages** for your prescription drug coverage under our plan. How much you pay depends on what stage you are in when you get a prescription filled or refilled. Details of each stage are in Sections 4 through 6 of this chapter. The stages are.

Stage 1: Yearly Deductible Stage Stage 2: Initial Coverage Stage

Stage 3: Catastrophic Coverage Stage

SECTION 3 We send you reports that explain payments for your drugs and which payment stage you are in

Section 3.1 We send you a monthly summary called the *Part D Explanation of Benefits* (the *Part D EOB*)

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

□We keep track of how much you have paid. This is called your **Out-of-Pocket Costs**. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by "Extra Help" from Medicare, employer or union health plans, TRICARE, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).

□ We keep track of your **Total Drug Costs**. This is the total of all payments made for your covered Part D drugs. It includes what the plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you have had one or more prescriptions filled through the plan during the previous month we will send you a *Part D EOB*. The

Part D EOB includes:

□ Information for that month. This report gives the payment details about the prescriptions you have filled duri month. It shows the total drug costs, what the plan paid, and what you and others on your behalf paid.	ng the previous
□ Totals for the year since January 1. This is called year-to-date information. It shows you the total drug costs payments for your drugs since the year began.	and total
□ Drug price information. This information will display the total drug price, and information about increases in price for each prescription claim of the same quantity.	orice from first fill
□ Available lower cost alternative prescriptions. This will include information about other available drugs with sharing for each prescription claim, if applicable.	h lower cost

Section 3.2 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- Show your membership card when you get a prescription filled. This helps us make sure we know about the prescriptions you are filling and what you are paying, show your plan membership card every time you get a prescription filled.
- □ Make sure we have the information we need. There are times you may pay for the entire cost of a prescription drug. In these cases, we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of these receipts. Here are examples of when you should give us copies of your drug receipts:
 - When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit.
 - When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.
 - Any time you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.
 - olf you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- □Send us information about the payments others have made for you. Payments made by certain other individuals and organizations also count toward your out-of-pocket costs and help qualify you for catastrophic coverage. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- □ Check the written report we send you. When you receive the *Part D EOB*, look it over to be sure the information is complete and correct. If you think something is missing or you have any questions, please call us at Customer Service. Be sure to keep these reports.

SECTION 4 There is no deductible for our plan

There is no deductible for our plan. You begin in the Initial Coverage Stage when you fill your first prescription of the year. See Section 5 for information about your coverage in the Initial Coverage Stage.

SECTION 5 During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share

Section 5.1 What you pay for a drug depends on the drug and where you fill your prescription

During the Initial Coverage Stage, the plan pays its share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

The plan has 5 cost-sharing tiers

Every drug on the plan's Drug List is in one of 5 cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher

Chapter 6. What you pay for your Part D prescription drugs

your cost for the drug:

	Cost-Sharing Tier	Drugs Included in Cost-Sharing Tier
Lowest Cost-Sharing Tier	1	Preferred Generic Drugs
	2	Generic Drugs
	3	Preferred Brand Drugs
	4	Non-Preferred Drugs
Highest Cost-Sharing Tier	5	Specialty Drugs

You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier. To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

Your pharmacy choices

now much you pay for a drug depends on whether you get the drug from:

	☐ A network retail pharmacy that offers standard cost sharing.
	A network retail pharmacy that offers preferred cost sharing. Costs may be less at pharmacies that offer preferred cost sharing.
	A pharmacy that is not in the plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5 to find out when we will cover a prescription filled at an out-of-network pharmacy.
	∃The plan's mail-order pharmacy
r m	gore information about these pharmacy choices and filling your prescriptions, see Chapter 5 and the plan's Provider and

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 and the plan's Provider and Pharmacy Directory (www.CignaMedicare.com/resources).

Section 5.2 A table that shows your costs for a one-month supply of a drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or a coinsurance. As shown in the table below, the amount of the copayment or coinsurance depends on which cost-sharing tier. Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price of the drug instead of the copayment.

Your share of the cost when you get a one-month supply of a covered Part D prescription drug:

Tour Share	Your snare of the cost when you get a <i>one-month</i> supply of a covered Part D prescription drug:							
Cost Sharing Tier 1 (Preferred	Standard retail cost sharing (innetwork) (up to a 30-day supply) \$5 copayment	Preferred retail cost sharing (innetwork) (up to a 30-day supply) \$0 copayment	Standard mail- order cost sharing (up to a 30-day supply) \$5 copayment	Preferred mail- order cost sharing (up to a 30-day supply) \$0 copayment	Long-term care (LTC) cost sharing (up to a 31-day supply) \$5 copayment	Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply) \$5 copayment		
Generic Drugs)								
Cost Sharing Tier 2 (Generic Drugs)	\$10 copayment	\$0 copayment	\$10 copayment	\$0 copayment	\$10 copayment	\$10 copayment		
Cost Sharing Tier 3 (Preferred Brand Drugs)	\$47 copayment	\$47 copayment	\$47 copayment	\$47 copayment	\$47 copayment	\$47 copayment		
Cost Sharing Tier 4 (Non- Preferred Drugs)	\$100 copayment	\$100 copayment	\$100 copayment	\$100 copayment	\$100 copayment	\$100 copayment		
Cost Sharing Tier 5 (Specialty Drugs)	33% coinsurance	33% coinsurance	33% coinsurance	33% coinsurance	33% coinsurance	33% coinsurance		

^{*}Plus the difference between the out-of-network pharmacy's billed charges and the Standard Retail Allowable.

You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier.

Please see Section 7 of this chapter for more information on cost sharing for Part D vaccines.

Section 5.3 If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply

Typically, the amount you pay for a prescription drug covers a full month's supply. There may be times when you or your doctor

Chapter 6. What you pay for your Part D prescription drugs

would like you to have less than a month's supply of a drug (for example, when you are trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply of your drugs, if this will help you better plan refill dates for different prescriptions.

If you receive less than a full month's supply of certain drugs, you will not have to pay for the full month's supply.

- □ If you are responsible for coinsurance, you pay a *percentage* of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- □ If you are responsible for a copayment for the drug, you will only pay for the number of days of the drug that you receive instead of a whole month. We will calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you receive.

Section 5.4 A table that shows your costs for a *long-term* supply of a drug (up to a 100-day supply for drugs on Tier 1 and Tier 2, or up to a 90-day supply for drugs on Tier 3 and Tier 4)

For some drugs, you can get a long-term supply (also called an extended supply). A long-term supply is up to a 100-day supply for drugs on Tier 1 and Tier 2 or up to a 90-day supply for drugs on Tier 3 and Tier 4.

The table below shows what you pay when you get a long-term supply of a drug.

□ Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your share of the cost when you get a *long-term* supply of a covered Part D prescription drug:

	Standard retail cost sharing Tier 1 and Tier 2 drugs (up to a 100-day supply) Tier 3 and Tier 4 drugs (up to a 90-day supply)	Preferred retail cost sharing Tier 1 and Tier 2 drugs (up to a 100-day supply) Tier 3 and Tier 4 drugs (up to a 90-day supply)	Standard mail-order cost sharing Tier 1 and Tier 2 drugs (up to a 100-day supply) Tier 3 and Tier 4 drugs (up to a 90-day supply)	Preferred mail-order cost sharing Tier 1 and Tier 2 drugs (up to a 100-day supply) Tier 3 and Tier 4 drugs (up to a 90-day supply)
Cost Sharing Tier 1 (Preferred Generic Drugs)	\$15 copayment	\$0 copayment	\$15 copayment	\$0 copayment
Cost Sharing Tier 2 (Generic Drugs)	\$30 copayment	\$0 copayment	\$30 copayment	\$0 copayment
Cost Sharing Tier 3 (Preferred Brand Drugs)	\$141 copayment	\$141 copayment	\$141 copayment	\$141 copayment
Cost Sharing Tier 4 (Non-Preferred Drugs)	\$300 copayment	\$300 copayment	\$300 copayment	\$300 copayment
Cost Sharing Tier 5 (Specialty Drugs)	A long-term supply is not available for drugs in Tier 5.	A long-term supply is not available for drugs in Tier 5.	A long-term supply is not available for drugs in Tier 5.	A long-term supply is not available for drugs in Tier 5.

You won't pay more than \$70 for up to a two-month supply or \$105 for up to a three-month supply of each covered insulin product regardless of the cost-sharing tier.

Section 5.5 You stay in the Initial Coverage Stage until your total out-of-pocket costs for the year reach \$2,000

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach \$2,000. You then move on to the Catastrophic Coverage Stage.

We offer additional coverage on some prescription drugs that are not normally covered in a Medicare Prescription Drug Plan. Payments made for these drugs will not count towards your total out-of-pocket costs.

The *Part D EOB* that you receive will help you keep track of how much you, the plan, and any third parties have spent on your behalf during the year. Not all members will reach the \$2,000 limit in a year.

We will let you know if you reach this amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage. See Section 1.3 on how Medicare calculates your out-of-pocket costs.

SECTION 6	During the Catastro	phic Coverage Stage.	you pay nothing for v	your covered Part D drugs
	During the Gatastro	princ ourcrage otage,	you pay nothing for	your covered rait b arags

You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the \$2,000 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

□ During this payment stage, you pay nothing for your covered Part D drugs.

□ For excluded drugs covered under our enhanced benefit, you pay your Tier 1 copayment.

SECTION 7 Part D Vaccines. What you pay for depends on how and where you get them

Important Message About What You Pay for Vaccines – Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs. You can find these vaccines listed in the plan's Drug List. Our plan covers most adult Part D vaccines at no cost to you. Refer to your plan's Drug List or contact Customer Service for coverage and cost-sharing details about specific vaccines. Our plan covers most Part D vaccines at no cost to you. Refer to your plan's Drug List or contact Customer Service for coverage and cost-sharing details about specific vaccines.

There are two parts to our coverage of Part D vaccinations:

- ☐ The first part of coverage is the cost of **the vaccine itself**.
- ☐ The second part of coverage is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccination depend on three things:

- 1. Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).
 - Most adult Part D vaccinations are recommended by ACIP and cost you nothing.
- 2. Where you get the vaccine.
 - The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.
- 3. Who gives you the vaccine.
 - A pharmacist or another provider may give the vaccine in the pharmacy. Alternatively, a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccination can vary depending on the circumstances and what **drug payment stage** you are in.

- □ Sometimes when you get a vaccination, you have to pay the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you will be reimbursed the entire cost you paid.
- □Other times, when you get a vaccination, you will pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you will pay nothing.

Below are three examples of ways you might get a Part D vaccine:

Situation 1: You get the Part D vaccination at the network pharmacy. (Whether you have this choice depends on where you live. Some states do not allow pharmacies to give certain vaccines.)

Chapter 6. What you pay for your Part D prescription drugs

- For most adult Part D vaccines, you will pay nothing.
- For other Part D vaccines, you will have to pay the pharmacy your coinsurance or copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.
- Situation 2: You get the Part D vaccination at your doctor's office.
 - When you get the vaccine, you may have to pay for the entire cost of the vaccine itself and the cost of provider to give it to you.
 - You can then ask our plan to pay our share of the cost by using the procedures that are described in Chapter 7.
 - For most adult Part D vaccines, you will be reimbursed the full amount you paid. For other Part D vaccines, you will be reimbursed the amount you paid less any coinsurance or copayment for the vaccine (including administration).
- Situation 3: You buy the Part D vaccine itself at the network pharmacy, and then take it to your doctor's office where they give you the vaccine.
 - For most adult Part D vaccines, you will pay nothing for the vaccine itself.
 - For other Part D vaccines, you will pay the pharmacy your coinsurance or copayment for the vaccine itself.
 - When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
 - You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
 - For most adult Part D vaccines, you will be reimbursed the full amount you paid. For other Part D vaccines, you will be reimbursed the amount you paid less any copayment or coinsurance for the vaccine administration.

CHAPTER 7:

Asking us to pay our share of a bill you have received for covered medical services or drugs

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services or drugs

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost. Other times, you may find that you have paid more than you expected under the coverage rules of the plan, or you may receive a bill from a provider. In these cases, you can ask our plan to pay you back (paying you back is often called reimbursing you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Please see Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you have received or possibly for more than your share of cost sharing as discussed in this document. First try to resolve the bill with the provider. If that does not work, send the bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. If we decide not to pay it, we will notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted, you still have the right to treatment.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you've received emergency or urgently needed medical care from a provider who is not in our plan's network

Outside the service area, you can receive emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases,

- □You are only responsible for paying your share of the cost for emergency or urgently needed services. Emergency providers are legally required to provide emergency care. If you pay the entire amount yourself at the time you receive the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- ☐ You may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - olf the provider is owed anything, we will pay the provider directly.
 - olf you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

- □You only have to pay your cost sharing amount when you get covered services. We do not allow providers to add additional separate charges, called balance billing. This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.
- □Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- □ If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan

Sometimes a person's enrollment in the plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription.

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out of network pharmacies in limited circumstances. See Chapter 5, Section 2.5 for a discussion of these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we would pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have your plan membership card with you lf you do not have your plan membership card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

- □ For example, the drug may not be on the plan's "Drug List" or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- □ Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this document has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or to pay a bill you have received

You may request us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 12 months for medical services or items or 3 years for prescription drugs** of the date you received the service, item, or drug.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- □ You don't have to use the form, but it will help us process the information faster. Please include details with your request such as your name, contact information, date and place of service, service received and Provider name.
- □ Either download a copy of the form from our website (<u>www.CignaMedicare.com/forms</u>) or call Customer Service and ask for the form.

Mail your request for payment together with any bills or paid receipts to us at this address:

For Part C (Medical Services) Claims

Cigna Healthcare

Attn: Direct Member Reimbursement, Medical Claims

P.O. Box 1004

Nashville, TN 37202

For Part D (Prescription Drugs) Claims

Cigna Healthcare Attn: Medicare Part D P.O. Box 14718

Lexington, KY 40512-4718

SECTION 3 We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service or drug and how much we owe

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

\Box If we decide that the medical care or drug is covered and you followed all the rules, we will pay	for our share of the cost. Our
share of the cost might not be the full amount you paid (for example, if you obtained a drug at a	an out-of-network pharmacy
or if the cash price you paid for a drug is higher than our negotiated price). If you have already	paid for the service or drug,

2025 Evidend	e of Coverage for	Cigna Preferred Full	Savings Medicare (HM	IO)	
Chapter 7.	Asking us to pay	our share of a bill y	you have received for	covered medical	services or drugs

86

we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider.

□ If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. We will send you a letter explaining the reasons why we are not sending the payment and your right to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal

If you think we have made a mistake in turning down your request for payment or you don't agree with the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment.

The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9 of this document.

CHAPTER 8:

Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities as a member of the plan

Section 1.1

We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, in braille, in large print, or other alternate formats, etc.) Debemos proporcionarle la información de manera que la entienda bien y que sea consistente con sus sensibilidades culturales (en idiomas que no sean inglés, en braille, en letra grande o en otros formatos alternativos, etc.)

Your plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how a plan may meet these accessibility requirements include, but are not limited to: provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We also have some written materials available in Spanish. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Service.

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in the plan's network for a specialty are not available, it is the plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you will only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in the plan's network that cover a service you need, call the plan for information on where to go to obtain this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, please call to file a grievance with our Member Grievances department (phone numbers are printed in the Complaints About Medical Care contact information in Chapter 2, Section 1 of this document). You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Su plan tiene la obligación de asegurarse de que todos los servicios, tanto clínicos como no clínicos, se proporcionen de manera culturalmente competente y sean accesibles a todos los afiliados, incluidos los que tienen dominio limitado del inglés, habilidades de lectura limitadas, discapacidad auditiva o personas con antecedentes culturales y étnicos diversos. Algunos ejemplos de cómo un plan puede cumplir con estos requisitos de accesibilidad incluyen, entre otros, la provisión de servicios de traducción, servicios de interpretación, teletipos o conexión TTY (teléfono de texto o teletipo).

Nuestro plan tiene servicios de interpretación gratuitos disponibles para responder preguntas de los miembros que no hablan inglés. También podemos darle de manera gratuita información en braille, en letra grande o en otros formatos alternativos si lo necesita. Tenemos la obligación de darle la información sobre los beneficios del plan en un formato que sea accesible y adecuado para usted. Para que le proporcionemos información de manera que la entienda bien, llame a Servicio al Cliente. Nuestro plan debe brindar a las mujeres inscritas la opción de acceder de forma directa a un especialista en salud femenina dentro de la red para los servicios de cuidado médico preventivo y de rutina.

Si dentro de la red del plan no hay disponibilidad de un proveedor para una especialidad, es responsabilidad del plan buscar un proveedor de dicha especialidad fuera de la red que le brinde la atención médica que necesita. En este caso, usted solo pagará los costos compartidos dentro de la red. Si se encuentra en una situación en la que no hay un especialista dentro de la red del plan que cubra un servicio que necesita, llame al plan para pedir información sobre dónde debe ir para obtener dicho servicio dentro de la red, con costos compartidos.

Si tiene algún problema para recibir la información de nuestro plan en un formato que sea accesible y adecuado para usted, ver a un especialista en salud de la mujer o encontrar un especialista de la red, llame para presentar un reclamo a través de nuestro departamento de Reclamos de los Miembros (los números de teléfono están impresos en la información de contacto de Quejas respecto del cuidado médico en la Sección 1 del Capítulo 2 de este documento). También puede presentar una queja ante

Medicare llamando al 1 800 MEDICARE (1 800 633 4227) o directamente a la Oficina de Derechos Civiles al 1-800-368-1019 o TTY 1-800-537-7697.

Section 1.2 We must ensure that you get timely access to your covered services and drugs

You have the right to choose a primary care provider (PCP) in the plan's network to provide and arrange for your covered services. You also have the right to go to a women's health specialist (such as a gynecologist) and behavioral health providers without a referral.

You also have the right to get non-emergency care after your PCP's office is closed. If you need to talk with your PCP or get medical care when the PCP office is closed, and it is *not* a medical emergency, call the PCP at the phone number found on your membership card. There is always a doctor on call to help you. The Telecommunications Relay Service (TRS) provides a relay service for deaf, hard-of-hearing and/or persons with speech and language disorders by dialing 711. The TRS will assist you in contacting your PCP.

You have the right to get appointments and covered services from the plan's network of providers within a reasonable amount of time. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Cigna Healthcare's evaluation of new technologies

We take pride in giving our customers the best medical and pharmacy benefits available. Our Pharmacy & Therapeutics Committee and our Clinical Guidelines Committee carefully review new medications, medical and behavioral procedures, and devices as potential benefit additions for our customers. The Pharmacy & Therapeutics Committee is made up of practicing physicians, pharmacists and our Medical Directors. Together, these professionals review new medications while evaluating available clinical guidelines, evidence-based medicine and pharmacoeconomic studies. The clinical Guidelines Committee is made up of our Medical Directors, pharmacists and behavioral health specialists. This committee evaluates medical and behavioral technologies by reviewing pertinent data including evidence-based guidelines, safety data, appropriate CMS and other and regulatory information, and expert specialist input. Based on these reviews, the committees then vote on which medications, medical and behavioral procedures, and devices to offer that are deemed efficacious and efficient and will provide the greatest benefit for our customers.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

□ Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
 □ You have rights related to your information and controlling how your health information is used. We give you a written notice, called a **Notice of Privacy Practice**, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

□We make sure that unauthorized people don't see or change your records.
□ In most situations, if we give your health information to anyone who isn't providing your care or paying for your care, we are
required to get written permission from you or someone you have given legal power to make decisions for you first.

- ☐ There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information, including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

Chapter 8. Your rights and responsibilities

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held by the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine. If you have questions or concerns about the privacy of your personal health information, please call Customer Service.

Section 1.4 We must give you information about the plan, its network of providers, and your covered services

As a member of our plan, you have the right to get several kinds of information from us.

If you want any of the following kinds of information, please call Customer Service.

- □ **Information about our plan.** This includes, for example, information about the plan's financial condition.
- □ Information about our network providers and pharmacies. You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
 - To learn more about Cigna Healthcare's providers (name, address, professional qualifications, specialty, medical school attended, residency completion and board certification status) please see our *Provider and Pharmacy Directory*. The most up-to-date version of our *Provider and Pharmacy Directory* is available on our website at www.cignamedicare.com
- □ Information about your coverage and the rules you must follow when using your coverage. Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D prescription drug coverage.
- □ Information about why something is not covered and what you can do about it. Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug is not covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.
 - Staff are available to answer utilization management (UM) questions about services or medications that require prior approval or authorization. Staff will identify themselves by name, title and as a Cigna Healthcare employee when answering or returning calls regarding UM issues. You may leave a message after normal business hours and Cigna Healthcare will return your call. Call 1-800-558-4314 (TDD/TTY) 8 a.m. 5 p.m., Monday Friday or FAX 1-866-730-1896. Language assistance is available.

Section 1.5 We must support your right to make decisions about your care

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices in a way that you can understand.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- □**To know about all of your choices.** You have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- □**To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- □ The right to say "no." You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

	ome unable to make health care decisions for themselves due to accidents or serious illness. You have the ant to happen if you are in this situation. This means that, if you want to, you can:
	orm to give someone the legal authority to make medical decisions for you if you ever become unable
□ Give your docto make decisions for	rs written instructions about how you want them to handle your medical care if you become unable to pr yourself.
are different types of ad	at you can use to give your directions in advance in these situations are called advance directives . There lvance directives and different names for them. Documents called living will and power of attorney for les of advance directives.
If you want to use an	advance directive to give your instructions, here is what to do:
	u can get an advance directive form from your lawyer, from a social worker, or from some office supply ometimes get advance directive forms from organizations that give people information about Medicare.
•	In it. Regardless of where you get this form, keep in mind that it is a legal document. You should consider elp you prepare it.
-	ppropriate people. You should give a copy of the form to your doctor and to the person you name on the ke decisions for you if you can't. You may want to give copies to close friends or family members. Keep a
If you know ahead of tir to the hospital.	ne that you are going to be hospitalized, and you have signed an advance directive, take a copy with you
☐The hospital will a	ask you whether you have signed an advance directive form and whether you have it with you.

⊙Make su supplem	re your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and nents.
⊙ If you ha	ave any questions, be sure to ask and get an answer you can understand.
	erate. We expect all our members to respect the rights of other patients. We also expect you to act in a way that mooth running of your doctor's office, hospitals, and other offices.
□Pay what y	rou owe. As a plan member, you are responsible for these payments:
⊙You mu	st continue to pay your Medicare Part B premiums to remain a member of the plan.
For mos service	t of your medical services or drugs covered by the plan, you must pay your share of the cost when you get the or drug.
•	e required to pay the extra amount for Part D because of your yearly income, you must continue to pay the extra directly to the government to remain a member of the plan.
•	e within our plan service area, we need to know so we can keep your membership record up to date and o contact you.
□If you mov	e <i>outsid</i> e of our plan service area, you cannot remain a member of our plan.
☐ If you move	e, it is also important to tell Social Security (or the Railroad Retirement Board).

CHAPTER 9:

What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

You can also contact Medicare to get help. To contact Medicare:

☐You can call 1-800-MEDICARE	(1-800-633-4227), 24 hours	a day. 7 days a week.	TTY users should call	1-877-486-2048
= 100 0011 0011 1 000 111 = 2107 11 1=	(a aaj, . aajo aoo	acoro orrodia can	

☐ You can also visit the Medicare website (www.medicare.gov).

To deal with your problem, which process should you use? SECTION 3

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services and/or Part B prescription drugs) are covered or not, the way they are covered, and problems related to payment for medical care.

Yes.

Go on to the next section of this chapter, **Section 4**, **A guide to the basics of coverage decisions and appeals**.

No.

Skip ahead to Section 10 at the end of this chapter: How to make a complaint about quality of care, waiting times, customer service or other concerns.

COVERAGE DECISIONS AND APPEALS

SECTION 4 A guide to the basics of coverage decisions and appeals

Section 4.1 Asking for coverage decisions and making appeals: the big picture

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items and Part B prescription drugs, including payment). To keep things simple, we generally refer to medical items, services and Medicare Part B prescription drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions prior to receiving benefits

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical care. For example, if your plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either your network doctor can show that you received a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical care before you receive it, you can ask us to make a coverage decision for you. In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal. We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide medical care is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after a benefit is received, and you are not satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made. Under certain circumstances, which we discuss later, you can request an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we were properly following the rules. When we have completed the review, we give you our decision. In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization that is not connected to us.

□You do not need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for
medical care to Level 2 if we do not fully agree with your Level 1 appeal.
□ See Section 5.4 of this chapter for more information about Level 2 appeals for medical care.
□Part D appeals are discussed further in Section 6 of this chapter.

If you are not satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (Section 9 in this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.2	How to get help when you are asking for a coverage decision or making an appeal
Here are resource	es if you decide to ask for any kind of coverage decision or appeal a decision:
□You can ca	ıll us at Customer Service.
□You can ge	et free help from your State Health Insurance Assistance Program.
as your rep	or can make a request for you. If your doctor helps with an appeal past Level 2, they will need to be appointed resentative. Please call Customer Service and ask for the <i>Appointment of Representative</i> form. (The form is also medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf .)
	or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 appeal on your behalf. If nied at Level 1, it will be automatically forwarded to Level 2.
	D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 appeal on half. If your Level 1 appeal is denied your doctor or prescriber can request a Level 2 appeal.
	sk someone to act on your behalf. If you want to, you can name another person to act for you as your ive to ask for a coverage decision or make an appeal.
Appoints CMS-Fo be signed form.	ant a friend, relative, or other person to be your representative, call Customer Service and ask for the ment of Representative form. (The form is also available on Medicare's website at www.cms.gov/Medicare/brms/CMS-Forms/downloads/cms1696.pdf .) The form gives that person permission to act on your behalf. It must ed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed e can accept an appeal request without the form, we cannot complete our review until we receive it. If we do not
receive happens	the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this s, we will send you a written notice explaining your right to ask the independent review organization to review our to dismiss your appeal.
association	ave the right to hire a lawyer. You may contact your own lawyer or get the name of a lawyer from your local ba or other referral service. There are also groups that will give you free legal services if you qualify. However, you puired to hire a lawyer to ask for any kind of coverage decision or appeal a decision.
Section 4.3	Which section of this chapter gives the details for your situation?
	ferent situations that involve coverage decisions and appeals. Since each situation has different rules and e the details for each one in a separate section:
□Section 5 o	of this chapter: Your medical care: How to ask for a coverage decision or make an appeal
□Section 6 o	of this chapter: Your Part D prescription drugs: How to ask for a coverage decision or make an appeal
□Section 7 o	of this chapter: How to ask us to cover a longer inpatient hospital stay if you think you are being discharged too
soon (<i>Appli</i> Rehabilitati	of this chapter: How to ask us to keep covering certain medical services if you think your coverage is ending too less only to these services only: home health care, skilled nursing facility care, and Comprehensive Outpatient on Facility (CORF) services)
If you're not sure	which section you should be using, please call Customer Service. You can also get help or information from

If you're not sure which section you should be using, please call Customer Service. You can also get help or information from government organizations such as your SHIP.

SECTION 5 Your medical care: How to ask for a coverage decision or make an appeal of a coverage decision

Section 5.1 This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care

This section is about your benefits for medical care. These benefits are described in Chapter 4 of this document: *Medical Benefits Chart (what is covered and what you pay)*. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services. This section tells what you can do if you are in any of the five following situations:

- 1. You are not getting certain medical care you want, and you believe that this is covered by our plan. **Ask for a coverage decision. Section 5.2.**
- 2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan. **Ask for a coverage decision. Section 5.2.**
- 3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care. **Make an appeal. Section 5.3.**
- 4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
- 5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section** 5.3.

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read Section 7 and 8 of this Chapter. Special rules apply to these types of care.

Section 5.2 Step-by-step: How to ask for a coverage decision

Legal Terms

When a coverage decision involves your medical care, it is called an **organization determination**.

A fast coverage decision is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 14 calendar days or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. In order to get a fast coverage decision, you must meet two requirements:

- □You may *only ask* for coverage for medical items and/or services (not requests for payment for items and/or services already received).
 □You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- □If your doctor tells us that your health requires a fast coverage decision, we will automatically agree to give you a fast coverage decision.
- □ If you ask for a fast coverage decision on your own, without your doctor's support, we will decide whether your health requires that we give you a fast coverage decision. If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - o Explains if your doctor asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - o Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

98

This means we will give you an answer within 14 calendar days after we receive your request for a medical item or service. If your request is for a Medicare Part B prescription drug, we will give you an answer within 72 hours after we receive your request.

- O However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- o If you believe we should *not* take extra days, you can file a fast complaint. We will give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. See Section 10 of this chapter for information on complaints.)

For Fast Coverage decisions we use an expedited timeframe

A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.

- O However, if you ask for more time, or if we need more information that may benefit you we can take up to 14 more calendar days. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- olf you believe we should *not* take extra days, you can file a fast complaint. (See Section 10 of this chapter for information on complaints.) We will call you as soon as we make the decision.
- olf our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no. Step 4: If we say no to your request for coverage for medical care, you can appeal.
 - □ If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Section 5.3 Step-by-step: How to make a Level 1 appeal Legal Terms An appeal to the plan about a medical care coverage decision is called a plan reconsideration. A fast appeal is also called an expedited reconsideration.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

∃If you are appealing a decision we made about coverage for care that you have not yet received, you and/or your doctor will
need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we will give you a fast
appeal.

☐ The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 5.2 of this chapter.

Step 2: Ask our plan for an appeal or a fast appeal.

□If you are asking for a standard appeal, submit your standard appeal	l in writing.	Chapter 2 has	contact information.
---	---------------	---------------	----------------------

□ If you are asking for a fast appeal, make your appeal in writing. Chapter 2 has contact information.

□You must make your appeal request within 65 calendar days from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may

include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete informa about the deadline for requesting an appeal.	ıtion
☐ You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal. We are allowed to charge a fee for copying and sending this information to you.	
Step 3: We consider your appeal and we give you our answer.	
□When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we were followall the rules when we said no to your request.	wing

□We will gather more information if needed, possibly contacting you or your doctor.

Deadlines for a fast appeal

- □ For fast appeals, we must give you our answer within 72 hours after we receive your appeal. We will give you our answer sooner if your health requires us to.
 - O However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time if your request is for a Medicare Part B prescription drug.
 - olf we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.
- □**If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- If our answer is no to part or all of what you requested, we will send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it receives your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer within 30 calendar days after we receive your appeal. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer within 7 calendar days after we receive your appeal. We will give you our decision sooner if your health condition requires us to.
 - O However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - o If you believe we should *not* take extra days, you can file a fast complaint. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (See Section 10 of this chapter for information on complaints.)
 - olf we do not give you an answer by the deadline (or by the end of the extended time period), we will send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.
- If our answer is yes to part or all of what you requested, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or within 7 calendar days if your request is for a Medicare Part B prescription drug.
- If our answer is no to part or all of your appeal, we will automatically send your appeal to the independent review organization for a Level 2 Appeal.

Section 5.4 Step-by-step: How a Level 2 Appeal is done

Legal Term

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare.** It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

OVERSEES IIS WORK.
Step 1: The independent review organization reviews your appeal.
□We will send the information about your appeal to this organization. This information is called your case file . You have the right to ask us for a copy of your case file . We are allowed to charge you a fee for copying and sending this information t you.
☐You have a right to give the independent review organization additional information to support your appeal.
Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.
If you had a fast appeal at Level 1, you will also have a fast appeal at Level 2
☐ For the fast appeal, the review organization must give you an answer to your Level 2 appeal within 72 hours of when it receives your appeal.
□ However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, it can take up to 14 more calendar days. The independent review organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
If you had a standard appeal at Level 1, you will also have a standard appeal at Level 2
□ For the standard appeal if your request is for a medical item or service, the review organization must give you an answer to your Level 2 appeal within 30 calendar days of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 appeal within 7 calendar days of when it receives your appeal.
□ However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, it can take up to 14 more calendar days. The independent review organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
Step 2: The independent review organization gives you their answer.
The Independent Review Organization will tell you its decision in writing and explain the reasons for it.
□ If the review organization says yes to part or all of a request for a medical item or service, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests. For expedited requests, we have 72 hours from the date we receive the decision from the review organization.
□ If the review organization says yes to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Part B prescription drug within 72 hours after we receive the decision from the review organization for standard requests. For expedited requests we have 24 hours from the date we receive the decision from the review organization.
□ If this organization says no to part or all of your appeal, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called upholding the decision or turning down your appeal.) In this case, the independent review organization will send you a letter: ○ Explaining its decision.
 Notifying you of the right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process. Telling you how to file a Level 3 appeal.
Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.
☐ There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to
a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.
☐ The Level 3 Appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more

about Levels 3, 4, and 5 of the appeals process.

Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?

Chapter 7 describes when you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you are asking for a coverage decision. To make this decision, we will check to see if the medical care you paid for is covered. We will also check to see if you followed all the rules for using your coverage for medical care.

- □ If we say yes to your request: If the medical care is covered and you followed all the rules, we will send you the payment for our share of the cost typically within 30 calendar days, but no later than 60 calendar days after we receive your request. If you haven't paid for the medical care, we will send the payment directly to the provider.
- □**If we say no to your request:** If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the medical care and the reasons why.

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. For appeals concerning reimbursement, please note:

- □We must give you our answer within **60 calendar days** after we receive your appeal. If you are asking us to pay you back for medical care you have already received and paid for, you are not allowed to ask for a fast appeal.
- □ If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6 Your Part D prescription drugs: How to ask for a coverage decision or make an appeal

Section 6.1 This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (See Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs please see Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug List instead of *List of Covered Drugs* or *Formulary*.

- □ If you do not know if a drug is covered or if you meet the rules, you can ask us. Some drugs require that you get approval from us before we will cover it.
- □ If your pharmacy tells you that your prescription cannot be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Term	
An initial coverage decision about your Part D drugs is called a coverage determination.	

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs. This section tells what you can do if you are in any of the following situations:

- □ Asking to cover a Part D drug that is not on the plan's *List of Covered Drugs*. **Ask for an exception**. **Section 6.2**
- □ Asking to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization, or the requirement to try another drug first). **Ask for an exception. Section 6.2**
- □ Asking to pay lower cost-sharing amount for a covered drug on higher cost-sharing tier. **Ask for an exception. Section 6.2**

107	025 Eviden Chapter 9.	nce of Coverage for Cigna Preferred Full Savings Medicare (HMO) What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

□Pa	ay for a pres	scription drug you already bought. Ask us to pay you back. Section 6.4	
If you di	sagree with	n a coverage decision we have made, you can appeal our decision.	
This sec	tion tells yo	ou both how to ask for coverage decisions and how to request an appeal.	
Section	on 6.2	What is an exception?	
		Legal Terms	
	Asking for	coverage of a drug that is not on the Drug List is sometimes called asking for a formulary exception . removal of a restriction on coverage for a drug is sometimes called asking for a formulary exception . pay a lower price for a covered non-preferred drug is sometimes called asking for a tiering exception .	
_	is not cove e decision.	ered in the way you would like it to be covered, you can ask us to make an exception . An exception is a type	of
		your exception request, your doctor or other prescriber will need to explain the medical reasons why you necoved. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:	
pay the	cost-sharin	t D drug for you that is not on our Drug List. If we agree to cover a drug not on the Drug List, you will need g amount that applies to drugs in Tier 5, the Specialty Drug Tier. You cannot ask for an exception to the cost require you to pay for the drug.	
2. Remo	oving a res	striction for a covered drug. Chapter 5 describes the extra rules or restrictions that apply to certain drugs of	on

- 2. Removing a restriction for a covered drug. Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the cost-sharing amount we require you to pay for the drug.
- **3. Changing coverage of a drug to a lower cost sharing tier.** Every drug on our Drug List is in one of 5 Tiers cost sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.
 - □ If our Drug List contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost sharing amount that applies to the alternative drug(s).
 □ If the drug you're taking is a biological product you can ask us to cover your drug at a lower cost-sharing amount. This would be the lowest tier that contains biological product alternatives for treating your condition.
 □ If the drug you're taking is a brand name drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains brand name alternatives for treating your condition.
 □ If the drug you're taking is a generic drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains either brand or generic alternatives for treating your condition.
 □ You cannot ask us to change the cost sharing tier for any drug in Tier 5, the Specialty Drug Tier.
 □ If we approve your request for a tiering exception and there is more than one lower cost-sharing tier with alternative drugs you can't take, you will usually pay the lowest amount.

Section 6.3 Important things to know about asking for exceptions

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception. If you ask us for a tiering exception, we will generally *not* approve your request for an exception unless all the alternative drugs in the lower cost sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say yes or no to your request	We d	can	say	yes	or	no	to	your	request
--------------------------------------	------	-----	-----	-----	----	----	----	------	---------

as	we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as lor s your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your ondition.	ng
\Box If	we say no to your request for an exception, you can ask for a review of our decision by making an appeal.	
Section	on 6.4 Step-by-step: How to ask for a coverage decision, including an exception	
	Legal Term	
	A fast coverage decision is called an expedited coverage determination .	

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we receive your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we receive your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet two requirements.

- □You must be asking for a drug you have not yet received. (You cannot ask for a fast coverage decision to be paid back for a drug you have already bought.)
- □ Using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- □ If your doctor or other prescriber tells us that your health requires a fast coverage decision, we will automatically give you a fast coverage decision.
- □ If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we will decide whether your health requires that we give you a fast coverage decision. If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - Explains if your doctor or other prescriber asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. We will answer your complaint within 24 hours of receipt.

Step 2: Request a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the prescription you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request Form* or on our plan's form, which are available on our website (www.cigna.com/medicare/resources/customer-forms). Chapter 2 has contact information. Coverage requests involving prescription drugs can also be submitted electronically on our website at www.cigna.com/medicare/resources/customer-forms. To assist us in processing your request, please be sure to include your name, contact information, and information identifying which denied claim is being appealed.

You, your doctor (or other prescriber), or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

□ If you are requesting an exception, provide the supporting statement which is the medical reasons for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and we give you our answer.

Deadline for a fast coverage decision

- □We must generally give you our answer within 24 hours after we receive your request.
 - o For exceptions, we will give you our answer **within 24 hours** after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.

104 2025 Evidence of Coverage for Cigna Preferred Full Savings Medicare (HMO) Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)
o If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
☐ If our answer is yes to part or all of what you requested, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor's statement supporting your request.
□ If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.
Deadlines for a standard coverage decision about a drug you have not yet received
□We must generally give you our answer within 72 hours after we receive your request.
 For exceptions, we will give you our answer within 72 hours after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.
 If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it wi be reviewed by an independent review organization.
☐ If our answer is yes to part or all of what you requested, we must provide the coverage we have agreed to provide within 72 hours after we receive your request or doctor's statement supporting your request.
☐ If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no We will also tell you how you can appeal.
Deadlines for a standard coverage decision about payment for a drug you have already bought
□We must give you our answer within 14 calendar days after we receive your request.
 If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
☐ If our answer is yes to part or all of what you requested, we are also required to make payment to you within 14 calendar days after we receive your request.
☐ If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no We will also tell you how you can appeal.
Step 4: If we say no to your coverage request, you can make an appeal.
☐ If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.
Section 6.5 Step-by-step: How to make a Level 1 Appeal
Legal Terms
An appeal to the plan about a Part D drug coverage decision is called a plan redetermination.
A fast appeal is also called an expedited redetermination .
Step 1: Decide if you need a standard appeal or a fast appeal.
A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.
□If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will

□If you are appealing a decision we	made about a drug you	have not yet received,	, you and your do	ctor or other	orescriber wil
need to decide if you need a fast a	ppeal.				

□The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.4 of this chapter.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

□Fo	or stand	arc	l appeal	s, sub	mit a	a writter	reques	t or (cal	l us.	С	hapte	r 2	has	cont	act	inf	orma	atio	n

☐ If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.
Section 6.6 Step-by-step: How to make a Level 2 appeal
Legal Term
The formal name for the independent review organization is the Independent Review Entity . It is sometimes called the IRE .
The independent review organization is an independent organization hired by Medicare. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.
Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.
□ If we say no to your Level 1 appeal, the written notice we send you will include instructions on how to make a Level 2 appeal with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the review organization. If, however, we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding at-risk determination under our drug management program, we will automatically forward your claim to the IRE.
□We will send the information about your appeal to this organization. This information is called your case file . You have the right to ask us for a copy of your case file . We are allowed to charge you a fee for copying and sending this information to you.
\Box You have a right to give the independent review organization additional information to support your appeal.
Step 2: The independent review organization reviews your appeal.
Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.
Deadlines for fast appeal
☐ If your health requires it, ask the independent review organization for a fast appeal.
□ If the organization agrees to give you a fast appeal, the organization must give you an answer to your Level 2 Appeal within 72 hours after it receives your appeal request.
Deadlines for standard appeal
□ For standard appeals, the review organization must give you an answer to your Level 2 appeal within 7 calendar days after it receives your appeal if it is for a drug you have not yet received. If you are requesting that we pay you back for a drug you have already bought, the review organization must give you an answer to your Level 2 appeal within 14 calendar days after it receives your request.
Step 3: The independent review organization gives you their answer.
For fast appeals:
□ If the Independent Review Organization says yes to part or all of what you requested, we must provide the drug coverage that was approved by the review organization within 24 hours after we receive the decision from the review organization.
For standard appeals:
□ If the independent review organization says yes to part or all of your request for coverage, we must provide the drug coverage that was approved by the review organization within 72 hours after we receive the decision from the review

□ If the independent review organization says yes to part or all of your request to pay you back for a drug you already bought, we are required to send payment to you within 30 calendar days after we receive the decision from the review

If this organization says no to part or all of your appeal, it means they agree with our decision not to approve your request of your request). (This is called upholding the decision . It is also called turning down your appeal .) In this case, the independent review organization will send you a letter:	it (or part
□Explaining its decision.	
□Notifying you of the right to a Level 3 appeal if the dollar value of the drug coverage you are requesting meets a cert minimum. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal an decision at Level 2 is final.	
☐Telling you the dollar value that must be in dispute to continue with the appeals process.	
Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.	
☐ There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).	
☐ If you want to go on to a Level 3 appeal the details on how to do this are in the written notice you get after your Leve appeal decision.) 2
☐ The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells about Levels 3, 4, and 5 of the appeals process.	more
SECTION 7 How to ask us to cover a longer inpatient hospital stay if you think you are being discharged	too
soon	
When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to deand treat your illness or injury.	liagnose
During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when y leave the hospital. They will also help arrange for care you may need after you leave.	ou will
☐The day you leave the hospital is called your discharge date .	
□When your discharge date is decided, your doctor or the hospital staff will tell you.	
☐ If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your reque be considered.	est will
Section 7.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about rights	t your
Within two calendar days of being admitted to the hospital, you will be given a written notice called <i>An Important Message Medicare about Your Rights</i> . Everyone with Medicare gets a copy of this notice. If you do not get the notice from someone hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, please call Customer Se 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).	e at the
1. Read this notice carefully and ask questions if you don't understand it. It tells you:	
☐Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This the right to know what these services are, who will pay for them, and where you can get them.	includes
☐Your right to be involved in any decisions about your hospital stay.	
□Where to report any concerns you have about quality of your hospital care.	
□Your right to request an immediate review of the decision to discharge you if you think you are being discharged fr hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospor a longer time.	
1. You will be asked to sign the written notice to show that you received it and understand your rights.	
□You or someone who is acting on your behalf will be asked to sign the notice.	
☐ Signing the notice shows <i>only</i> that you have received the information about your rights. The notice does not give you discharge date. Signing the notice does <i>not</i> mean you are agreeing on a discharge date.	ur

108 2025 Evidence of Coverage for Cigna Preferred Full Savings Medicare (HMO) Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)
1. Keep your copy of the notice handy so you will have the information about making an appeal (or reporting a concern about quality of care) if you need it.
☐ If you sign the notice more than two calendar days before your discharge date, you will get another copy before you are scheduled to be discharged.
□ To look at a copy of this notice in advance, you can call Customer Service or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices
Section 7.2 Step-by-step: How to make a Level 1 appeal to change your hospital discharge date
If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.
□ Follow the process.
☐ Meet the deadlines.
□ Ask for help if you need it . If you have questions or need help at any time, please call Customer Service. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.
During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.
The Quality Improvement Organization is a group of doctors and other health care professionals paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts are not part of our plan.
Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.
How can you contact this organization?
☐ The written notice you received (An Important Message from Medicare About Your Rights) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.
Act quickly:
□To make your appeal, you must contact the Quality Improvement Organization before you leave the hospital and no later than midnight the day of your discharge.
 If you meet this deadline, you may stay in the hospital after your discharge date without paying for it while you wait to get the decision from the Quality Improvement Organization.
olf you do not meet this deadline, contact us. If you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you receive after your planned discharge date.
Once you request an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted, we will give you a Detailed Notice of Discharge . This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.
You can get a sample of the Detailed Notice of Discharge by calling Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or you can see a sample notice online at https://www.cms.gov/Medicare-General-Information/BNI/HospitalDischargeAppealNotices .
Step 2: The Quality Improvement Organization conducts an independent review of your case.

□ Health professionals at the Quality Improvement Organization (the *reviewers*) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you

□ The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and

wish.

we have given to them.

□By noon of the day after the reviewers told us of your appeal, you will get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.
Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.
What happens if the answer is yes?
□If the review organization says <i>yes</i> , we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.
□You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.
What happens if the answer is no?
□ If the review organization says <i>no</i> , they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day <i>after</i> the Quality Improvement Organization gives you its answer to your appeal.
□ If the review organization says <i>no</i> to your appeal and you decide to stay in the hospital, then you may have to pay the full cost of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.
Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.
\Box If the Quality Improvement Organization has said <i>no</i> to your appeal, <i>and</i> you stay in the hospital after your planned
discharge date, then you can make another appeal. Making another appeal means you are going on to Level 2 of the appeals process.
Section 7.3 Step-by-step: How to make a Level 2 appeal to change your hospital discharge date
Section 7.3 Step-by-step: How to make a Level 2 appeal to change your hospital discharge date During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at their decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

SECTION 8 How to ask us to keep covering certain medical services if you think your coverage is ending too soon)
Section 8.1 This section is only about three services: Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services	
When you are getting covered home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpate Rehabilitation Facility), you have the right to keep getting your services for that type of care for as long as the care is needed diagnose and treat your illness or injury. When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, we will stop paying our share of the cost for your care. If you think we are ending the coverage of your care too soon, you can appeal our decision. This section tells you how to as an appeal.	ed to
Section 8.2 We will tell you in advance when your coverage will be ending	
Legal Term Notice of Medicare Non-Coverage. It tells you how you can request a fast-track appeal. Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care. 1. You receive a notice in writing at least two calendar days before our plan is going to stop covering your care. The notells you: □ The date when we will stop covering the care for you. □ How to request a fast-track appeal to request us to keep covering your care for a longer period of time. 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you receing it. Signing the notice shows only that you have received the information about when your coverage will stop. Signing it does not mean you agree with the plan's decision to stop care.	ived
Section 8.3 Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time	

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

□Follow th	e process.
■Meet the	deadlines

□ **Ask for help if you need it**. If you have questions or need help at any time, please call Customer Service. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts are not part of our plan.

<u>Step 1:</u> Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a <i>fast-track appeal</i> . You must act quickly.
How can you contact this organization?
☐ The written notice you received (<i>Notice of Medicare Non-Coverage</i>) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.
Act quickly:
□You must contact the Quality Improvement Organization to start your appeal by noon of the day before the effective date on the <i>Notice of Medicare Non-Coverage</i> .
□If you miss the deadline, and you wish to file an appeal, you still have appeal rights. Contact your Quality Improvement Organization.
Step 2: The Quality Improvement Organization conducts an independent review of your case.
Legal Term
Detailed Explanation of Non-Coverage. Notice that provides details on reasons for ending coverage.
What happens during this review?
☐ Health professionals at the Quality Improvement Organization (the <i>reviewers</i>) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
☐ The review organization will also look at your medical information, talk with your doctor, and review information that our plar has given to them.
□By the end of the day the reviewers tell us of your appeal, you will get the Detailed Explanation of Non-Coverage from us that explains in detail our reasons for ending our coverage for your services.
Step 3: Within one full day after they have all the information they need; the reviewers will tell you their decision.
What happens if the reviewers say yes?
□If the reviewers say yes to your appeal, then we must keep providing your covered services for as long as it is medically necessary.
□You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.
What happens if the reviewers say no?
\Box If the reviewers say no , then your coverage will end on the date we have told you.
□ If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services <i>after</i> this date when your coverage ends, then you will have to pay the full cost of this care yourself.
Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.
□ If reviewers say <i>no</i> to your Level 1 appeal — <u>and</u> you choose to continue getting care after your coverage for the care has ended — then you can make a Level 2 appeal.

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If

Section 8.4

the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

Step-by-step: How to make a Level 2 appeal to have our plan cover your care for a longer time

2025 Evidence of Coverage for Cigna Preferred Full Savings Medicare (HMO) Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)
Step 1: Contact the Quality Improvement Organization again and ask for another review.
□You must ask for this review within 60 calendar days after the day when the Quality Improvement Organization said <i>no</i> to your Level 1 appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.
Step 2: The Quality Improvement Organization does a second review of your situation.
□ Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.
What happens if the review organization says yes?
□We must reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.
□You must continue to pay your share of the costs and there may be coverage limitations that apply.
What happens if the review organization says no?
□ It means they agree with the decision we made to your Level 1 appeal.
☐ The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.
Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.
☐ There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
☐ The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3,4, and 5 of the appeals process.

SECTION 9 Taking your appeal to Level 3 and beyond

Section 9.1 Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.

- If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over. Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that is favorable to you. If we decide to appeal it will go to a Level 4 appeal.
 - olf we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after receiving the Administrative Law Judge's or attorney adjudicator's decision.
 - olf we decide to appeal the decision, we will send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- □ If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may* or *may not* be over.

- olf you decide to accept this decision that turns down your appeal, the appeals process is over.
- olf you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 Appeal The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- □ If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over. Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We will decide whether to appeal this decision to Level 5.
 - olf we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after receiving the Council's decision.
 - olf we decide to appeal the decision, we will let you know in writing.
- □ If the answer is no or if the Council denies the review request, the appeals process may or may not be over.
 - olf you decide to accept this decision that turns down your appeal, the appeals process is over.
 - olf you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 Appeal A judge at the **Federal District Court** will review your appeal.

□ A judge will review all of the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 9.2 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 Appeal An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.

- □ If the answer is yes, the appeals process is over. We must authorize or provide the drug coverage that was approved by the Administrative Law Judge or attorney adjudicator within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days after we receive the decision.
- \Box If the answer is no, the appeals process may or may not be over.
 - olf you decide to accept this decision that turns down your appeal, the appeals process is over.
 - olf you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what for a Level 4 appeal.

Level 4 Appeal The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- □ If the answer is yes, the appeals process is over. We must authorize or provide the drug coverage that was approved by the Council within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days after we receive the decision.
- \Box If the answer is no, the appeals process may or may not be over.
 - olf you decide to accept this decision that turns down your appeal, the appeals process is over.

olf you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal or denies your request to review the appeal, the notice will tell you whether the rules allow you to go on to a Level 5 appeal. It will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal A judge at the **Federal District Court** will review your appeal.

□ A judge will review all of the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

MAKING COMPLAINTS

SECTION 10 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 10.1 What kinds of problems are handled by the complaint process?

The complaint process is *only* used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	☐ Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	□ Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service,	☐ Has someone been rude or disrespectful to you?
or other negative behaviors	□ Are you unhappy with our Customer Service?
	□Do you feel you are being encouraged to leave the plan?
Waiting times	□ Are you having trouble getting an appointment, or waiting too long to get it?
	☐ Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Service or other staff at the plan?
	 Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	☐ Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	□ Did we fail to give you a required notice?
	☐ Is our written information hard to understand?
Timeliness (These types of complaints are all related to the <i>timeliness</i> of our actions	If you have asked for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can make a complaint about our slowness. Here are examples:
related to coverage decisions and appeals)	You asked us for a fast coverage decision or a fast appeal, and we have said no; you can make a complaint.
	☐ You believe we are not meeting the deadlines for coverage decisions or appeals; you can make a complaint.
	☐You believe we are not meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint.
	☐You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 10.2	How to make a complaint	
	Legal Terms	
□A Co	omplaint is also called a grievance.	
	ing a complaint is also called filing a grievance.

	grievances received in writing, we will respond to you in writing within 30 calendar days of receipt of your ince. For expedited grievances, we must decide and notify you within 24 hours (see 'fast complaint' below).	
□The deadline	e for making a complaint is 60 calendar days from the time you had the problem you want to complain about.	
Step 2: We look in	to your complaint and give you our answer.	
□ If possible, v same phone of	ve will answer you right away. If you call us with a complaint, we may be able to give you an answer on th call.	е
interest or if y	aints are answered within 30 calendar days. If we need more information and the delay is in your best you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your we decide to take extra days, we will tell you in writing.	
	aking a complaint because we denied your request for a fast coverage decision or a fast appeal, we way give you a fast complaint. If you have a fast complaint, it means we will give you an answer within 24	will
	agree with some or all of your complaint or don't take responsibility for the problem you are complaining about e our reasons in our response to you.	out,
Section 10.4	You can also make complaints about quality of care to the Quality Improvement Organization	
When your complai	int is about <i>quality of care</i> , you also have two extra options:	
group of prac	ke your complaint to the Quality Improvement Organization. The Quality Improvement Organization is a sticing doctors and other health care experts paid by the Federal government to check and improve the care icare patients. Chapter 2 has contact information.	
	Or	
□You can mak	ke your complaint to both the Quality Improvement Organization and us at the same time.	
Section 10.5	You can also tell Medicare about your complaint	

You can submit a complaint about our plan directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. You may also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

CHAPTER 10:

Ending your membership in the plan

SECTION 1	Introduction to ending your membership in our plan
Ending your mem	bership in our plan may be voluntary (your own choice) or involuntary (not your own choice):
•	eave our plan because you have decided that you <i>want</i> to leave. Sections 2 and 3 provide information on ending ership voluntarily.
	Iso limited situations where we are required to end your membership. Section 5 tells you about situations when d your membership.
	our plan, our plan must continue to provide your medical care and prescription drugs and you will continue to pay ntil your membership ends.
SECTION 2	When can you end your membership in our plan?
Section 2.1	You can end your membership during the Annual Enrollment Period
•	membership in our plan during the Annual Enrollment Period (also known as the Annual Open Enrollment nis time, review your health and drug coverage and decide about coverage for the upcoming year.
□The Annua	I Enrollment Period is from October 15 to December 7.
	keep your current coverage or make changes to your coverage for the upcoming year. If you decide to new plan, you can choose any of the following types of plans:
○ Another	Medicare health plan, with or without prescription drug coverage.
•	Medicare with a separate Medicare prescription drug plan.
	iginal Medicare without a separate Medicare prescription drug plan.
•	choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.
63 or mo	you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for ore days in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.
□Your memb	pership will end in our plan when your new plan's coverage begins on January 1.
Section 2.2	You can end your membership during the Medicare Advantage Open Enrollment Period
You have the opp	ortunity to make one change to your health coverage during the Medicare Advantage Open Enrollment Period
	Medicare Advantage Open Enrollment Period is from January 1 to March 31 and also for new Medicare s who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd utilement.
□During the	annual Medicare Advantage Open Enrollment Period you can:
○ Switch to	another Medicare Advantage Plan with or without prescription drug coverage.
	I from our plan and obtain coverage through Original Medicare. If you choose to switch to Original Medicare nis period, you can also join a separate Medicare prescription drug plan at that time.
your reques	pership will end on the first day of the month after you enroll in a different Medicare Advantage plan or we get st to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your o in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.
Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
In certain situation Special Enrollme	ns, members of our plan may be eligible to end their membership at other times of the year. This is known as a ent Period .
you. These are just (www.medicare.go	ble to end your membership during a Special Enrollment Period If any of the following situations apply to st examples; for the full list you can contact the plan, call Medicare, or visit the Medicare website ov): en you have moved.

Section 2.4 Where can you get more infor	mation about when you can end your membership?
f you have any questions about ending your member	ship you can:
□Call Customer Service.	
☐ Find the information in the <i>Medicare & You 202</i>	25 handbook.
□Contact Medicare at 1-800-MEDICARE (1-800-	633-4227), 24 hours a day, 7 days a week. (TTY 1-877-486-2048).
SECTION 3 How do you end your members	hip in our plan?
The table below explains how you should end your me	embership in our plan.
If you would like to switch from our plan to:	This is what you should do:
□Another Medicare health plan.	□Enroll in the new Medicare health plan.
	☐You will automatically be disenrolled from our plan when your new plan's coverage begins.
☐ Original Medicare <i>with</i> a separate Medicare prescription drug plan.	□Enroll in the new Medicare prescription drug plan. You will automatically be disenrolled from our plan when your new plan's coverage begins.
☐ Original Medicare <i>without</i> a separate Medicare prescription drug plan.	Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this.

□You can also contact **Medicare**, at 1-800-MEDICARE

Medicare begins.

(1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

□You will be disenrolled from our plan when your coverage in Original

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership ends, and your new Medicare coverage goes begins, you must continue to get your medical items, services and prescription drugs through our plan. □ Continue to use our network providers to receive medical care. □ Continue to use our network pharmacies or mail order to get your prescriptions filled. □ If you are hospitalized on the day that your membership ends, your hospital stay will be covered by our plan until you are discharged (even if you are discharged after your new health coverage begins). **SECTION 5** Cigna Healthcare must end your membership in the plan in certain situations Section 5.1 When must we end your membership in the plan? Cigna Healthcare must end your membership in the plan if any of the following happen: ☐ If you no longer have Medicare Part A and Part B. ☐ If you move out of our service area. ☐ If you are away from our service area for more than six months. □ If you move or take a long trip, call Customer Service to find out if the place you are moving or traveling to is in our plan's service area. ☐ If you become incarcerated (go to prison). ☐ If you are no longer a United States citizen or lawfully present in the United States. □ If you lie or withhold information about other insurance you have that provides prescription drug coverage. □ If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.) □ If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.) □ If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason

Where can you get more information?

unless we get permission from Medicare first.)

from our plan and you will lose prescription drug coverage.

If you have guestions or would like more information on when we can end your membership call **Customer Service**.

Section 5.2 We cannot ask you to leave our plan for any health-related reason

Cigna Healthcare is not allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week (TTY 1-877-486-2048).

olf we end your membership because of this reason, Medicare may have your case investigated by the Inspector General. □ If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you

Section 5.3 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11:

Legal notices

Chapter 11. Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws are not included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights https://www.hhs.gov/ocr/ index.html.

If you have a disability and need help with access to care, please call us at Customer Service. If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Cigna Healthcare, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

SECTION 4 Notice about subrogation and third party recovery

If we make any payment to you or on your behalf for Covered Services (see Chapter 12 for definition), we are permitted to be fully subrogated (a legal principle that allows the plan to be reimbursed for certain payments we have made on your behalf, in certain circumstances) to any and all rights you have against any person, entity or insurer that may be responsible for payment of medical expenses and/or benefits related to your injury, illness or condition. We are given the same rights of subrogation and recovery that are available to the Medicare Program under the Medicare Secondary Payer rules. We may use whatever rights of recovery are available to the Medicare program under 42 U.S.C. § 1395mm(e)(4), 42 U.S.C. §1395w-22(a)(4), 42 C.F.R. Part 411, and 42 C.F.R. Part 422.

Once we have made a payment for Covered Services, we will have a lien on the proceeds of any judgment, settlement, or other award or recovery you may receive or be entitled to receive, including but not limited to the following:

- 1. Any award, settlement, benefits or other amounts paid under any workers' compensation law or award;
- 2. Any and all payments made directly by or on behalf of a third-party tortfeasor or person, entity or insurer responsible for indemnifying the third-party tortfeasor;
- 3. Any arbitration awards, payments, settlements, structured settlements, or other benefits or amounts paid under an uninsured or underinsured motorist coverage policy; or any other payments designated, earmarked, or otherwise intended to be paid to you as compensation, restitution, or remuneration for your injury, illness, or condition suffered as a result of the negligence or liability of a third party.

You agree to cooperate with us and any of our designated representatives and to take any actions or steps necessary to secure our lien/interests, including but not limited to:

- 1. Fully responding to requests for information about any accidents or injuries;
- 2. Fully responding to our requests for information and providing any relevant information that we have requested; and

3. Fully participating in all phases of any legal action we may need to protect our rights, including but not limited to participating in discovery, attending depositions, and appearing and testifying at trial.

In addition, you agree not to do anything to affect our rights, including but not limited to assigning any rights or causes of action that you may have against any person or entity relating to your injury, illness, or condition without our prior authorized written consent. Your failure to cooperate shall be deemed a violation or breach of your obligations, and we may seek any available legal action against you to protect our rights.

We are also entitled to be fully reimbursed for any and all benefit payments we make to you or on your behalf that are the responsibility of any person, organization, or insurer. Our right of reimbursement is separate and apart from our subrogation right, and is limited only by the amount of actual benefits paid under the Plan. You must immediately pay to us any amounts you get by judgment, settlement, award, recovery or otherwise from any third party or his or her insurer, to the extent that we paid out or provided benefits for your injury, illness, or condition during your enrollment in this Plan.

Our subrogation and reimbursement rights shall have first priority, to be paid before any of your other claims are paid. Our subrogation and reimbursement rights will not be affected, reduced, impacted or eliminated by the "made whole" doctrine or any other doctrine that may apply.

We are not required to pursue subrogation or reimbursement either for our benefit or on your behalf. Our rights under this Evidence of Coverage shall not be affected, reduced, or eliminated by our failure to intervene in any legal action you seek relating to your injury, illness, or condition.

If you disagree with any decision or action we take in connection with the subrogation and third-party recovery provisions outlined above, you must follow the procedures explained in Chapter 9 of this document: What to do if you have a problem or complaint (coverage decisions, appeals, complaints).

SECTION 5 Report Fraud, Waste and Abuse

Health care fraud is a violation of federal and/or state law. If you know of or suspect health insurance fraud, please report it by calling our Compliance and Ethics Hotline at 1-800-472-8348. You are not required to identify yourself when you report the information. The hotline is anonymous.

CHAPTER 12:

Definitions of Important words

Chapter 12. Definitions of important words

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost sharing amount. As a member of our plan, you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to **balance bill** or otherwise charge you more than the amount of cost sharing your plan says you must pay.

Benefit Period – The way that our plan measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you have not received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Biological Product – A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and cannot be copied exactly, so alternative forms are called biosimilars. (See also "Original Biological Product" and "Biosimilar")

Biosimilar – A biological product that is very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (See "Interchangeable Biosimilar").

Brand Name Drug – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent \$2,000 for Part D covered drugs during the covered year. During this payment stage, you pay nothing for your covered Part D drugs. You may have cost sharing for excluded drugs that are covered under our enhanced benefit.

Centers for Medicare & Medicaid Services (CMS) – The Federal agency that administers Medicare.

Chronic-Care Special Needs Plan – C-SNPs are SNPs that restrict enrollment to MA eligible individuals who have one or more severe or disabling chronic conditions, as defined under 42 CFR 422.2, including restricting enrollment based on the multiple commonly co-morbid and clinically-linked condition groupings specified 42 CFR 422.4(a)(1)(iv).

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Complaint – The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. It also includes complaints if your plan does not follow the time period in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example, \$10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are received. Cost sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any

"coinsurance" amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service or drug is received.

Cost Sharing Tier – Every drug on the list of covered drugs is in one of 5 Tiers cost sharing tiers. In general, the higher the cost sharing tier, the higher your cost for the drug.

Coverage Determination – A decision about whether a drug prescribed for you is covered by the plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under your plan, that isn't a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Covered Drugs – The term we use to mean all of the prescription drugs covered by our plan.

Covered Services – The term we use to mean all of the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care, provided by people who do not have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Customer Service – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Daily Cost-Sharing Rate – A **daily cost-sharing rate** may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your "daily cost sharing rate" is \$1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan begins to pay.

Disenroll or Disenrollment – The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription. The dispensing fee covers costs such as the pharmacist's time to prepare and package the prescription.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll individuals who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some Medicare costs, depending on the state and the individual's eligibility.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include: walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that is not on our formulary (a formulary exception), or get a non-preferred drug at a lower cost sharing level (a tiering exception). You may also request an exception if our

Chapter 12. Definitions of important words

plan sponsor requires you to try another drug before receiving the drug you are requesting, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

"Extra Help" – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Generic Drug – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand name drug. Generally, a "generic" drug works the same as a brand name drug and usually costs less.

Grievance – A type of complaint you make about our plans, providers or pharmacies, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Home Health Aide – A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services, as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Income-Related Monthly Adjustment Amount (IRMAA) – If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Independent Physician Association (IPA) – An Independent Physician Association is a group of primary and specialty physicians who work together in coordinating your medical needs. See Chapter 1, Section 6 for more information about Independent Physician Associations.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements related to the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (Formulary or "Drug List") – A list of prescription drugs covered by the plan.

Low Income Subsidy (LIS) – See "Extra Help."

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the Federal government and drug manufacturers.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B covered services. Amounts you pay for your Medicare Part A and Part B premiums, and prescription drugs do not count toward the maximum out-of-pocket amount. See Chapter 4, Section 1.2 for information about your maximum out-of-pocket amount.

Medicaid (or Medical Assistance) – A joint Federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid. See Chapter 2, Section 6 for information about how to contact Medicaid in your state.

Medical Group – An association of primary care physicians (PCPs), specialists and/or ancillary providers (such as therapists and radiologists) that the plan contracts with to provide care as one unit. Medical groups can be a single specialty (e.g., all PCPs) or multispecialty (e.g., PCPs and specialists). See Chapter 1, Section 6 for information about Medical Groups.

Medically Accepted Indication – A use of a drug that is either approved by the Food and Drug Administration or supported by

certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The set time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan, or obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after an individual is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP) In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called Medicare Advantage Plans with Prescription Drug Coverage.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all of the services that are covered by Medicare Part A and B. The term Medicare-Covered Services does not include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or Plan Member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network Pharmacy – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network Provider – **Provider** is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

Original Biological Product – A biological product that has been approved by the Food and Drug Administration (FDA) and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Chapter 12. Definitions of important words

Out-of-network Pharmacy – A pharmacy that does not have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network Provider or Out-of-network Facility – A provider or facility that does not have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan.

Out-of-pocket Costs – See the definition for cost sharing above. A member's cost sharing requirement to pay for a portion of services or drugs received is also referred to as the member's out-of-pocket cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

Part C – see Medicare Advantage (MA) Plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded as covered Part D drugs by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more after you are first eligible to join a Part D plan.

Preferred Cost Sharing – Preferred cost sharing means lower cost sharing for certain covered Part D drugs at certain network pharmacies.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Primary Care Physician (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care physician before you see any other health care provider.

Prior Authorization – Approval in advance to get services or certain drugs. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria is posted on our website.

Prosthetics and Orthotics – Medical devices including, but are not limited to: arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.

Quantity Limits – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

"Real-Time Benefit Tool" – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy. **Service Area** – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. The plan must disenroll you if you permanently move out of the plan's service area.

Skilled Nursing Facility (SNF) Care - Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a

skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you are getting "Extra Help" with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Standard Cost Sharing – Standard cost sharing is cost sharing other than preferred cost sharing offered at a network pharmacy. **Step Therapy** – A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

Multi-language Interpreter Services

English: We have free interpreter services to answer any questions you may have about our health or drug plan. To get an interpreter, just call us at 1-800-627-7534. Someone who speaks English can help you. This is a free service.

Spanish: Tenemos servicios de intérprete sin costo alguno para responder cualquier pregunta que pueda tener sobre nuestro plan de salud o medicamentos. Para hablar con un intérprete, por favor llame al 1-800-627-7534. Alguien que hable español le podrá ayudar. Este es un servicio gratuito.

Chinese Mandarin: 我们提供免费的翻译服务,帮助您解答关于健康或药物保险的任何 疑问。如果您需要此翻译服务,请致电 1-800-627-7534。我们的中文工作人员很乐意帮助 您。这是一项免费服务。

Chinese Cantonese: 您對我們的健康或藥物保險可能存有疑問,為此我們提供免費的翻譯服務。如需翻譯服務,請致電 1-800-627-7534。我們講中文的人員將樂意為您提供幫助。這是一項免費服務。

Tagalog: Mayroon kaming libreng serbisyo sa pagsasaling-wika upang masagot ang anumang mga katanungan ninyo hinggil sa aming planong pangkalusugan o panggamot. Upang makakuha ng tagapagsaling-wika, tawagan lamang kami sa 1-800-627-7534. Maaari kayong tulungan ng isang nakakapagsalita ng Tagalog. Ito ay libreng serbisyo.

French: Nous proposons des services gratuits d'interprétation pour répondre à toutes vos questions relatives à notre régime de santé ou d'assurance-médicaments. Pour accéder au service d'interprétation, il vous suffit de nous appeler au 1-800-627-7534. Un interlocuteur parlant français pourra vous aider. Ce service est gratuit.

Vietnamese: Chúng tôi có dịch vụ thông dịch miễn phí để trả lời các câu hỏi về chương sức khỏe và chương trình thuốc men. Nếu quí vị cần thông dịch viên xin gọi 1-800-627-7534 sẽ có nhân viên nói tiếng Việt giúp đỡ quí vị. Đây là dịch vụ miễn phí.
