To get a complete list of services we cover, refer to the plan's *Evidence of Coverage (EOC)* online at **CignaMedicare.com**, or call us to request a copy.

# 1 | About This Plan

## Who can enroll?

This plan is available to anyone who has Medicare and partial Medical Assistance from the state (Medicaid). Premiums, copays, coinsurance, and deductibles may vary based on the level of Medicaid and *Extra Help* you receive. Contact the plan for further details.

You can enroll in this plan if you are in one of these Medicaid categories:

**Specified Low-Income Medicare Beneficiary (SLMB):** You do not have full Medicaid benefits as an SLMB. Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a customer cost-share.

**Qualifying Individual (QI):** You do not have full Medicaid benefits as a QI, so Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a customer cost-share.

**Qualified Disabled and Working Individual (QDWI):** As a QDWI, you do not have full Medicaid benefits. Medicaid pays only your Part A premium. While Medicaid does not pay any cost-share amounts, you may find that some services do not require a customer cost-share.

If your category of Medicaid eligibility changes, your cost-share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

## Which doctors, hospitals, and pharmacies can I use?

**Cigna TotalCare (HMO D-SNP)** has a network of doctors, hospitals, and other providers. If you use providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- › You can see our plan's *Provider and Pharmacy Directory* on our website **CignaMedicare.com**.

## What do we cover?

Like all Medicare health plans, we cover everything Original Medicare covers—and more.

- › Our customers get all the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- › You can see the plan's complete *Comprehensive Prescription Drug List*, which lists the Part D prescription drugs along with any restrictions on our website, **CignaMedicare.com**.
- › Or call us, and we will send you a copy of the plan's *Comprehensive Prescription Drug List*.

# 4 | Prescription Drug Benefits

## Medicare Part D Drugs

### Pharmacy (Part D) Deductible

**\$0** deductible for those who qualify for *Extra Help*.

**\$590** is the standard Part D deductible for 2025.

Most of our customers qualify for and are already getting *Extra Help* from Medicare to pay for their prescription drug plan costs.

Medicare provides *Extra Help* to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks but not your home or car. Those who qualify get help paying for any Medicare drug plan's monthly premium, yearly deductible, and prescription cost-sharing. This *Extra Help* also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for *Extra Help*. Some people automatically qualify for *Extra Help* and don't need to apply. Medicare mails a letter to people who automatically qualify for *Extra Help*.

If you have questions about *Extra Help*, call:

- › Your local Social Security office, or
- › Social Security at 1-800-772-1213.  
TTY users should call 1-800-325-0778.

**For generic drugs (including brand drugs treated as generic):**

- › **25%** coinsurance if you do not receive *Extra Help*, or
- › **\$0** copay / **\$1.60** copay / **\$4.90** copay depending on your level of *Extra Help*

**For all other drugs:**

- › **25%** coinsurance if you do not receive *Extra Help*, or
- › **\$0** copay / **\$4.80** copay / **\$12.15** copay depending on your level of *Extra Help*

### Catastrophic Coverage Stage

You qualify for the Catastrophic Coverage Stage when your out-of-pocket costs have reached the **\$2,000** limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will pay **\$0** for all covered Part D drugs through the end of the calendar year.
