1 | About This Plan

Who can enroll?

This plan is available to anyone who has Medicare and partial Medical Assistance from the state (Medicaid). Premiums, copays, coinsurance, and deductibles may vary based on the level of Medicaid and *Extra Help* you receive. Contact the plan for further details.

You can enroll in this plan if you are in one of these Medicaid categories:

Specified Low-Income Medicare Beneficiary (SLMB): You do not have full Medicaid benefits as an SLMB. Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a customer cost-share.

Qualifying Individual (QI): You do not have full Medicaid benefits as a QI, so Medicaid pays only your Part B premium—not any cost-share amounts; however, you may find that some services do not require a customer cost-share.

Qualified Disabled and Working Individual (QDWI): As a QDWI, you do not have full Medicaid benefits. Medicaid pays only your Part A premium. While Medicaid does not pay any cost-share amounts, you may find that some services do not require a customer cost-share.

If your category of Medicaid eligibility changes, your cost-share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Which doctors, hospitals, and pharmacies can I use?

Cigna TotalCare (HMO D-SNP) has a network of doctors, hospitals, and other providers. If you use providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- › You can see our plan's *Provider and Pharmacy Directory* on our website **CignaMedicare.com**.

What do we cover?

Like all Medicare health plans, we cover everything Original Medicare covers—and more.

- › Our customers get all the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- › You can see the plan's complete *Comprehensive Prescription Drug List*, which lists the Part D prescription drugs along with any restrictions on our website, **CignaMedicare.com**.
- › Or call us, and we will send you a copy of the plan's *Comprehensive Prescription Drug List*.
