1 | About This Plan

Which doctors and hospitals can I use?

Cigna Courage Medicare (HMO) has a network of doctors, hospitals, and other providers. If you use providers that are not in our network, the plan may not pay for these services.

- › You can see our plan's *Provider Directory* on our website **CignaMedicare.com**.

What do we cover?

Like all Medicare health plans, we cover everything Original Medicare covers—and more.

- › Our customers get all the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

Cigna Courage Medicare (HMO) covers Part B drugs, including chemotherapy and some drugs administered by your provider; however, this plan does not cover Part D prescription drugs.

You don't have to do anything to receive your Part B Premium Giveback benefit—just look for the savings in your monthly Social Security check or Part B statement. Keep in mind, the Social Security Administration (SSA) administers this benefit, so from the start of your plan, it may take several months before you see your Part B premium reduction.
