Puerto Rico Island Wide

Our service area is Puerto Rico.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-681-3625 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-681-3625 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2026.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Find out more about the Humana Gold Plus SNP-DE H4007-031 (HMO D-SNP) plan – including the health and drug services it covers – in this easy-to-use guide.

Humana Gold Plus SNP-DE H4007-031 (HMO D-SNP) is a Coordinated Care plan HMO with a Medicare contract and a contract with Administración de Seguros de Salud (ASES) (Medicaid) program. Enrollment in this Humana plan depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, please refer to the plan's Evidence of Coverage on our website, **Humana.com/PlanDocuments**.

As a member you must select an in-network doctor within the service area listed in this document to act as your Primary Care Provider (PCP). Humana Gold Plus SNP-DE H4007-031 (HMO D-SNP) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services. Please contact your provider(s) to verify that they have registered with Puerto Rico Medicaid.

You have access to Care Managers. Care Managers are nurses or care coordinators who support your health and well-being by providing additional services including acute and chronic-care management, telephonic and in-person health support, assistance in coordinating Medicare and Medicaid benefits, educational resources and workshops, and support for families and caregivers.

To be eligible

If you receive both Medicare and Medicaid benefits, this means you are dual eligible. To enroll in Humana Gold Plus SNP-DE H4007-031 (HMO D-SNP), a Dual Eligible Special Needs Plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B, live in our service area and also receive certain levels of assistance from Administración de Seguros de Salud (ASES) (Medicaid).

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/Find-Care** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/medicaredruglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.
