Limitations and exclusions may apply. Submitted claims are subject to a review process which may include a clinical review and dental history to approve coverage. Dental benefits under this plan may not cover all ADA procedure codes. Any services received that are not listed will not be covered by the plan and will be the member's responsibility. The member is responsible for any amount above the dental coverage limit. Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire. Information regarding each plan is available at **Humana.com/sb**.

In-network dentists have agreed to provide covered services at contracted rates (per the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member cannot be billed for charges that exceed the negotiated fee schedule (but coinsurance payment still applies).

Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions. Members may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. The coinsurance level will apply to the average negotiated in-network fee schedule (INFS) in your area. See Chapter 2 Payment Requests Contact Information or visit Humana.com for information on requesting reimbursement.

When visiting an out-of-network provider there could be a difference between Humana’s reimbursement and the dentist’s charges. Members are responsible for this difference when visiting an out-of-network provider; this is known as balanced billing.

The Mandatory Supplemental Dental benefits are provided through the Humana Dental Medicare Network. Contact Customer Service to locate a provider.
