## Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory**. But there are exceptions to this rule. We also cover:
  - Care from plan providers in another Kaiser Permanente Region
  - Emergency care
  - Out-of-area dialysis care
  - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
  - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers. If you receive non-covered care or services, you must pay the full cost.

For details about coverage rules, including non-covered services (exclusions), see the **Evidence of Coverage**.

## Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care and lab work. To find our provider locations, see our **Provider Directory** at [kp.org/directory](http://kp.org/directory) or ask us to mail you a copy by calling Member Services at **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

The provider network may change at any time. You will receive notice when necessary.

## Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at [kp.org](http://kp.org).

## Help managing conditions

If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

## Notices

### Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered by submitting a claim to us within a specific time period that includes the date you received the item or service. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.

### Privacy

We protect your privacy. See the **Evidence of Coverage** or view our **Notice of Privacy Practices** at [kp.org/privacy](http://kp.org/privacy) to learn more.

## Helpful definitions (glossary)

### **Allowance**

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the difference.

### **Benefit period**

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

### **Calendar year**

The year that starts on January 1 and ends on December 31.

### **Coinsurance**

A percentage you pay of our plan's total charges for certain services. For example, a 20% coinsurance for a \$200 item means you pay \$40.

### **Copay**

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

### **Evidence of Coverage**

A document that explains in detail your plan benefits and how your plan works.

### **Maximum out-of-pocket responsibility**

The most you'll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

### **Medically necessary**

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

### **Non-plan provider**

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.

### **Plan**

Kaiser Permanente Medicare Advantage.

### **Plan premium**

The amount you pay for your Kaiser Permanente Medicare Advantage health care coverage.

### **Plan provider**

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

### **Preferred pharmacy**

A plan pharmacy where you can get your Medicare Part B prescriptions at preferred copays. These pharmacies are usually located at plan medical offices. The amount you pay at these pharmacies is less than you pay at other plan pharmacies that only offer standard copays, which are referred to in this document as standard pharmacies.

### **Prior authorization**

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

**Region**

A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

**Retail plan pharmacy**

A plan pharmacy where you can get prescriptions. These pharmacies are usually located at plan medical offices.

**Standard pharmacy**

A plan pharmacy where you can get your Medicare Part B prescriptions at standard copays. These pharmacies aren't usually located at plan medical offices. The amount you pay at these pharmacies is more than you pay at plan pharmacies that only offer preferred copays, which are referred to in this document as preferred pharmacies.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal. By law, our plan or CMS can choose not to renew our Medicare contract.
