Premium, deductible and limits				
Monthly plan premium	\$47.90			
Annual Prescription Drug Deductible	\$590 per year for Part D prescription drugs.			

#### Good news for 2025

The Coverage Gap, or "donut hole", has been eliminated and your out-of-pocket maximum cost is lower than ever. That means you're more protected from high drug costs in 2025.

Prescription drug payment stages									
Deductible	Your plan has a \$590 prescription drug deductible. You pay the full cost for your drugs until you reach the deductible amount. Then you move to the Initial Coverage stage.								
Initial Coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000, which includes the amount you paid towards your deductible, you move to the Catastrophic Coverage stage.
