- I must keep Hospital (Part A) or Medical Part B (or both) to stay in UnitedHealthcare. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it.
- I understand that I am joining the plan for the entire calendar year. If I want to change plans, I'll need to do so between October 15 and December 7. This is the Annual Enrollment Period for Medicare Advantage **and** Medicare prescription drug coverage. I understand that there may be special situations at other times during the year in which I can leave the plan.
- I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border. This plan covers emergency and urgent care outside of the U.S. See the Summary of Benefits for more information.
- I understand that when my UnitedHealthcare coverage begins, I must get all of my prescription drug benefits from UnitedHealthcare. Benefits and services authorized by UnitedHealthcare and contained in my UnitedHealthcare "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor UnitedHealthcare will pay for benefits or services that are not covered.
- I understand that I can be enrolled in only one Part D plan at a time – and that enrollment in this plan will automatically end my enrollment in another Part D plan.

AARP Medicare Rx Saver from UHC (PDP) is insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare-approved Part D sponsor. Enrollment in the plan depends on the plan’s contract renewal with Medicare. UnitedHealthcare Insurance Company pays royalty fees to AARP for the use of its intellectual property. These fees are used for the general purposes of AARP. AARP and its affiliates are not insurers. You do not need to be an AARP member to enroll. Enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the benefits

- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ✓ Review the Formulary to make sure your drugs are covered.

Understanding important rules

- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium unless your Part B premium is paid for you by Medicaid or another third party. This premium is normally taken out of your Social Security check each month.
- ✓ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
