## **Enrollment checklist**

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

## Understanding the benefits

Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network.

## **Understanding important rules**

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits may change on January 1 of each year.
- Our plan allows you to see providers outside of our network (non-contracted providers). Check the EOC to see which out-of-network services are covered on this plan. However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay higher cost sharing for services received by non-contracted providers.
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
