The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

Annual medical deductible

Your deductible is \$200 per year for covered medical services you receive from providers as described below. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

Here's how it works:

1. You pay your plan's deductible in full; then,
2. You pay your copay or coinsurance; finally,
3. Your plan pays the rest.

The deductible applies in and out-of-network to the following Medicare-covered benefit categories, unless otherwise specified:
