Plan deductible

Your plan has a deductible for certain services. The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover.

The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

Annual medical deductible

Your deductible is the 2025 Original Medicare Part B deductible amount for covered medical services you receive from providers as described below. The 2024 Medicare deductible amount is \$240. The 2025 amount will be set by CMS in the fall of 2024. Our plan will provide updated rates as soon as they are released. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

Here's how it works:

- 1. You pay your plan's deductible in full; then,
- 2. You pay your copay or coinsurance; finally,
- 3. Your plan pays the rest.

The deductible applies in and out-of-network to the following Medicare-covered benefit categories, unless otherwise specified:
