## DEVOTED C-SNP CHOICE PLUS 010 AR (PPO C-SNP)

# Summary of Benefits

This Summary of Benefits tells you about our DEVOTED C-SNP CHOICE PLUS 010 AR (PPO C-SNP) plan. It includes information on plan costs and some of the common services we cover. It's valid for the 2026 plan year, which starts on January 1, 2026 and ends on December 31, 2026.

Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's

### **Evidence of Coverage (EOC)**

at [www.devoted.com](http://www.devoted.com). Call us at 1-800-385-0916 (TTY 711), and we can mail you one.

### **Can I join this plan?**

DEVOTED C-SNP CHOICE PLUS 010 AR (PPO C-SNP) is a Chronic Condition Special Needs Plan, or PPO C-SNP. To join DEVOTED C-SNP CHOICE PLUS 010 AR (PPO C-SNP), you must be entitled to Medicare Part A and enrolled in Medicare Part B. You also have to live in this plan's service area, which includes **these counties: Benton, Boone, Calhoun, Carroll, Conway, Crittenden, Cross, Dallas, Franklin, Grant, Hot Spring, Lee, Lonoke, Madison, Marion, Mississippi, Newton, Perry, Poinsett, Pulaski, Saline, St. Francis, Washington, and Yell.**

We offer different plans for other counties.

You must also have one of the following qualifying conditions:

- Diabetes
- Congestive or chronic heart failure
- Cardiac arrhythmias (irregular heartbeat such as atrial fibrillation or AFib)
- Coronary artery disease (narrow or blocked heart arteries)
- Peripheral vascular disease or chronic venous thromboembolic disorder (problems with blood flow or frequent blood clots)
- Valvular heart disease (problems with heart valves)

### **Does this plan cover my prescription drugs?**

Find out by searching our online drug list at [www.devoted.com/search-drugs](http://www.devoted.com/search-drugs). Or give us a call or text. We can look up your medications or mail you our list of covered drugs (formulary).

### **Does this plan cover my doctors and pharmacies?**

Find out by searching our online directory at [www.devoted.com/search-providers](http://www.devoted.com/search-providers). Or give us a call or text. We can look up your doctors and pharmacies or mail you a directory.

### **Can I see out-of-network providers?**

Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you, they must not be on any government sanction list, and they must participate in Medicare and accept Medicare reimbursement. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher cost share for services received by non-contracted providers.

### **How can I learn about Original Medicare?**

Check the latest *Medicare & You* handbook. If you don't have one, visit [www.medicare.gov](http://www.medicare.gov) and enter "Medicare & You handbook" in the search tool. (Include the quotation marks for best results.) Or ask Medicare to send you one by calling 1-800-MEDICARE (1-800-633-4227) any day, any time. TTY users can dial 1-877-486-2048.

### **How can I get more help?**

Call us at 1-800-385-0916 (TTY 711). We're here 8am to 8pm, Monday to Friday (from October 1 to March 31, 8am to 8pm, 7 days a

week). You can also visit us online at [www.devoted.com](http://www.devoted.com).

**IMPORTANT: If you receive Medicaid or Extra Help, your cost-sharing may vary. If you have full Medicaid benefits or are a Qualified Medicare Beneficiary (FBDE, SLMB+, QMB+), you may pay \$0 for your Medicare-covered services, as noted in this chart.**

Changes in your Medicaid eligibility or Extra Help level may affect your cost share.

# Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711).

## Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.devoted.com](http://www.devoted.com), or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.
- As a member of this plan, you can see providers that are in Devoted Health's network, or you can choose to see doctors who are out of network. If you see an out-of-network doctor, you may pay a higher cost share. You can review the provider directory (or ask your doctor) to see if the doctors you see now are in the Devoted Health network.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you may choose to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2027.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, noncontracted providers may deny care.
- This plan is a Chronic Condition Special Needs Plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.

## Monthly Premium, Deductible, and Limits

### Monthly Premium

\$0 to \$8.90

You must continue to pay your Part B premium, if applicable.

If you receive Extra Help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be reduced to \$0.

### Medical Deductible

\$0 to \$970

If you receive cost-sharing assistance under Medicaid, you are not responsible for paying your plan's medical deductible for services provided by in-network providers; it is paid by your state Medicaid program.

If you receive services from an out-of-network provider, you may be liable for full cost share if the out-of-network provider does not accept Medicaid, even if Medicaid normally covers your cost share for Medicare services.

If your category of Medicaid eligibility changes, or if you receive services from out-of-network providers who do not accept Medicaid, you may be responsible for a \$970 deductible for your covered medical services.

The deductible does not apply to Medicare Part B-covered insulin (when you use insulin via a pump) or Medicare-covered preventive services.

### Pharmacy (Part D) Deductible

\$615 for Tiers 1-5 only

If you receive Extra Help from Medicare, your deductible is \$0.

The deductible doesn't apply to Tier 6, covered insulin products, and most adult Part D vaccines.
