Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's

Evidence of Coverage (EOC)

at www.devoted.com. Call us at 1-800-385-0916 (TTY 711), and we can mail you one.

Changes in your Medicaid eligibility or Extra Help level may affect your cost share.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.devoted.com, or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the Devoted Health network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you may choose to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Your costs with this plan (premiums, copayments, coinsurance, and deductibles) will vary based on your level of Medicaid eligibility and the assistance you receive from Medicaid as well as the amount of Extra Help you get from Medicare.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a Dual Eligible Special Needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and a qualifying level of medical assistance from a state plan under Medicaid.

Monthly Premium, Deductible, and Limits

Monthly Premium

\$0

You must continue to pay your Part B premium.

Medical Deductible

\$0 to \$257**

If you receive cost-sharing assistance under Medicaid, you are not responsible for paying your plan's medical deductible for services provided by in-network providers; it is paid by your state Medicaid program.

If you receive services from an out-of-network provider, you may be liable for full cost share if the out-of-network provider does not accept Medicaid, even if Medicaid normally covers your cost share for Medicare services.

If your category of Medicaid eligibility changes, or if you receive services from out-of-network providers who do not accept Medicaid, you may be responsible for a \$257 deductible for your covered medical services.

The deductible does not apply to Medicare Part B-covered insulin (when you use insulin via a pump) or Medicare-covered preventive services.
