B. Frequently asked questions

The following chart lists frequently asked questions.

Frequently Asked Questions (FAQ)	Answers
What's a Fully Integrated Dual Eligible Special Needs Plan (FIDE SNP)?	<p>A NJ Fully Integrated Dual Eligible Special Needs Plan (FIDE SNP) is a managed health care option for NJ FamilyCare members with Medicare. A NJ FIDE SNP covers all of your Medicare, NJ FamilyCare (Medicaid) and drug benefits, including Medicare Part D, and extra benefits, in one health plan, with one Member Identification (ID) Card, and no copays for medical services or drugs. A FIDE SNP coordinates all of your care.</p> <p>If you join a FIDE SNP, you don't lose any of your NJ FamilyCare, Managed Long Term Services and Supports (MLTSS), or Medicare benefits. Every service you have with NJ FamilyCare and Medicare is still available, along with access to some additional services.</p> <p>To be eligible to enroll in a FIDE SNP in New Jersey, you must be entitled to Medicare Parts A and B and eligible for full NJ FamilyCare benefits. You must also live in the plan's "service area" (the counties where that plan is offered). The counties that make up the Aetna Medicare FIDE (HMO D-SNP) service area are listed in Section B of this document.</p>
Will I get the same Medicare and NJ FamilyCare benefits in Aetna Medicare FIDE (HMO D-SNP) that I get now?	<p>If you're coming to Aetna Medicare FIDE (HMO D-SNP) from Original Medicare or another Medicare plan, you may get benefits or services differently. You'll get almost all of your covered Medicare and NJ FamilyCare benefits directly from Aetna Medicare FIDE (HMO D-SNP).</p> <p>When you enroll in Aetna Medicare FIDE (HMO D-SNP), you and your Care Team will work together to develop an individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D drugs that Aetna Medicare FIDE (HMO D-SNP) doesn't normally cover, you can get a temporary supply, and we'll help you to transition to another drug or get an exception for Aetna Medicare FIDE (HMO D-SNP) to cover your drug if medically necessary.</p>
Can I use the same health care providers I use now?	<p>That's often the case. If your providers (including doctors, therapists, pharmacies, and other health care providers) work with Aetna Medicare FIDE (HMO D-SNP) and have a contract with us, you can keep using them.</p>
(continued on the next page)	

If you have questions, please call Aetna Medicare FIDE (HMO D-SNP) Member Services at **1-844-362-0934**, (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free. **For more information**, visit [AetnaMedicare.com/NJDSNP](https://www.aetna.com/NJDSNP).

You can keep using the providers you use now for 90 days or until your individualized Plan of Care is completed.</p>

What are Managed Long Term Services and Supports (MLTSS)? MLTSS is available to members who meet certain clinical and financial requirements.

Understanding the benefits

- ☐ Review the full list of benefits found in the *Evidence of Coverage* (EOC), especially for those services that you routinely see a provider for. Visit [AetnaMedicare.com/NJDSNP](https://www.AetnaMedicare.com/NJDSNP) or call [1-833-874-8529](tel:1-833-874-8529) (TTY: [711](tel:711)) to view a copy of the EOC.
- ☐ Review the *Provider and Pharmacy Directory* (or ask your Primary Care Provider) to make sure the providers you see now are in the network. A change in your Medicaid coverage may result in some of the providers you typically use no longer being in network. The plan only covers care provided by in-network providers.
- ☐ Review the *Provider and Pharmacy Directory* to make sure the pharmacy you use for any prescription medications is in the network. The plan only covers prescriptions filled at in-network pharmacies.

Understanding important rules

- ☐ You do not have a monthly premium. Medicaid pays your Part B premium for you.
- ☐ Benefits may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services performed by out-of-network providers (providers who are not listed in the *Provider and Pharmacy Directory*).
- ☐ This plan is a Fully Integrated Dual Eligible Special Needs Plan (FIDE SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and full Medicaid benefits.
- ☐ Effect on current coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
